* This planning guide is intended to help you plan your course of study. Students should still meet with a counselor and/or departmental faculty. Course scheduling is subject to change. Check the official class schedule for specific course offerings. The "sequence" number indicates a recommended and progressive course of study and semester order for students in their 1st, 2nd, 3rd, or 4th semester, based on a traditional two-year course of study. More information and course descriptions are available at mat.miracosta.edu.
