

1 Introduction: Can vs homemade, connectedness, who grows ingredients, recipe stories

Close up of can of soup and bowl

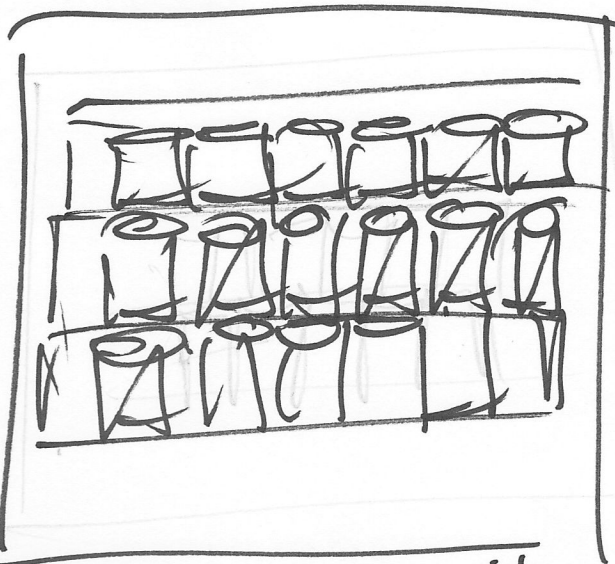

Prettier bowl on table & flowers

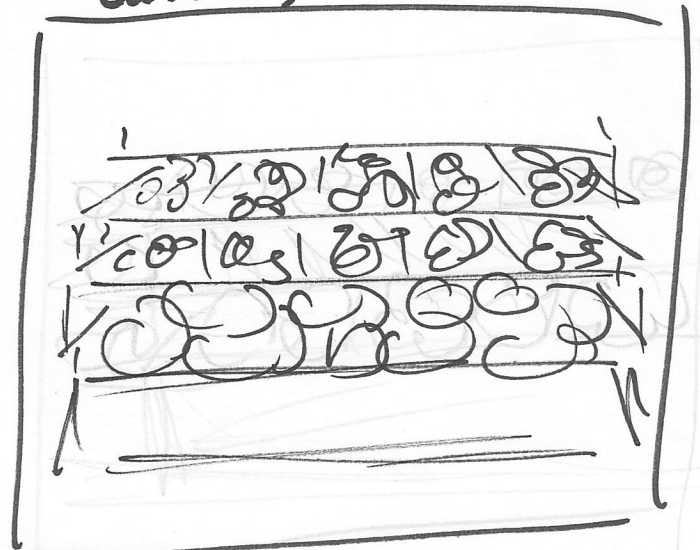

Close up of bowl

Pull ingredients from can (?)

Scan grocery aisle of soups

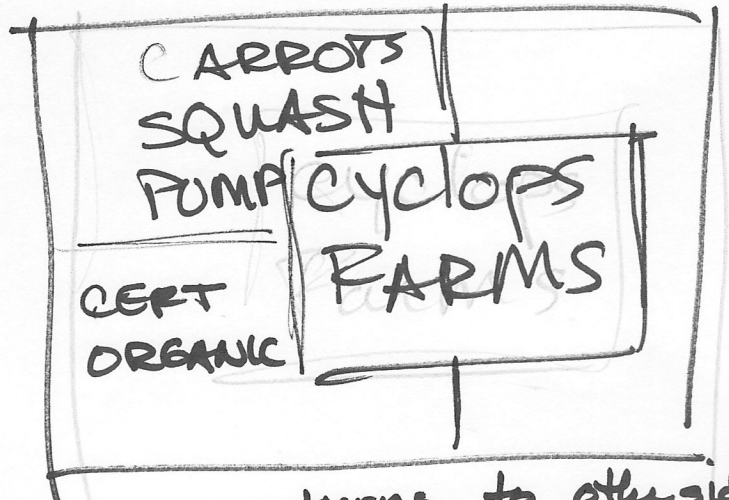

a. Pan grocery section
h. show if has sign where from

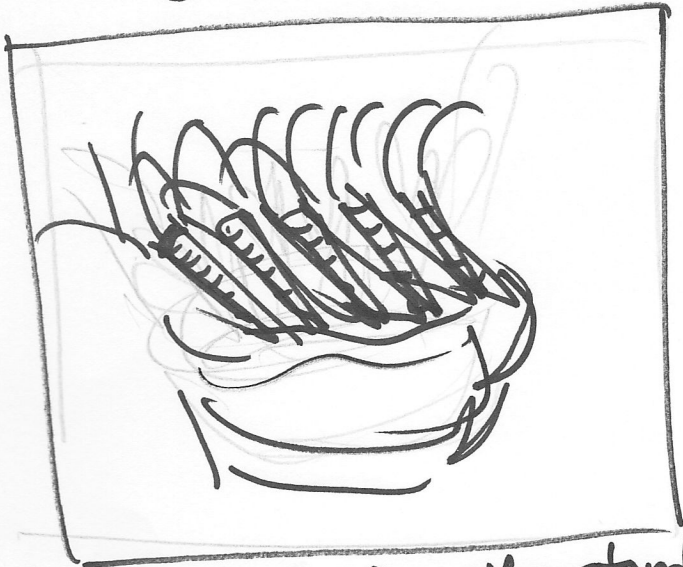

2 Carrot Story

Me talking showing neighborhood

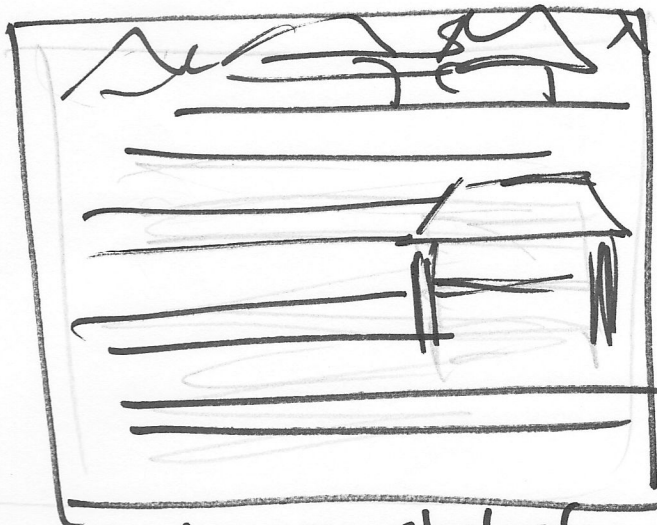

Camera turns to other side of street with farm meld of signs

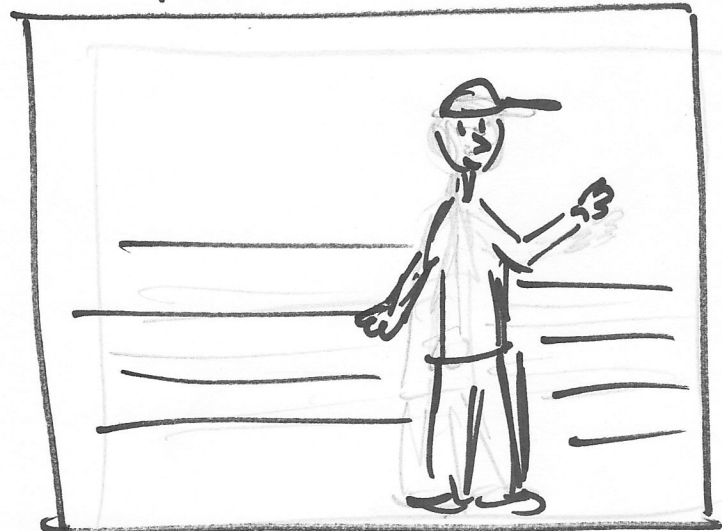

Produce in the stand

Brief interview of Ed talking about produce

Distance shot of farm

Luke walking in farm

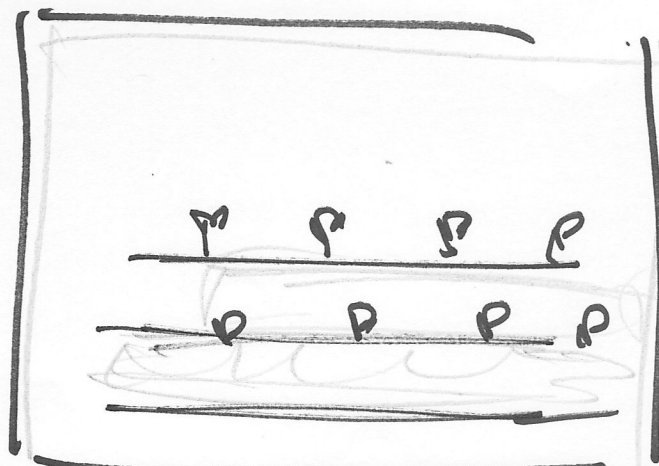

Luke talking about farm

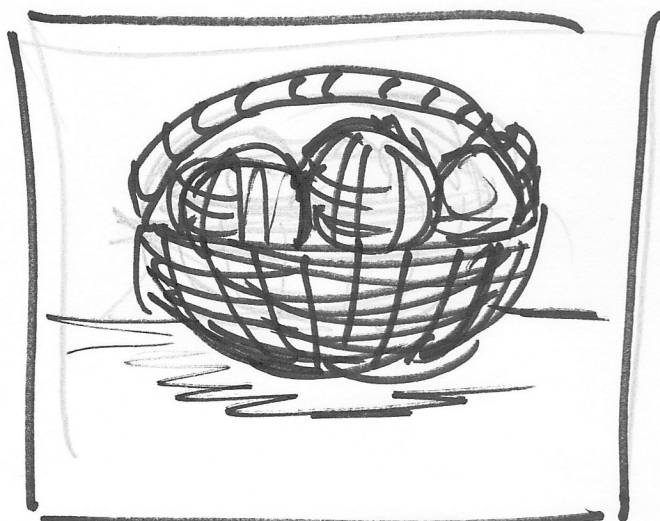

onions in produce at Farmer's market

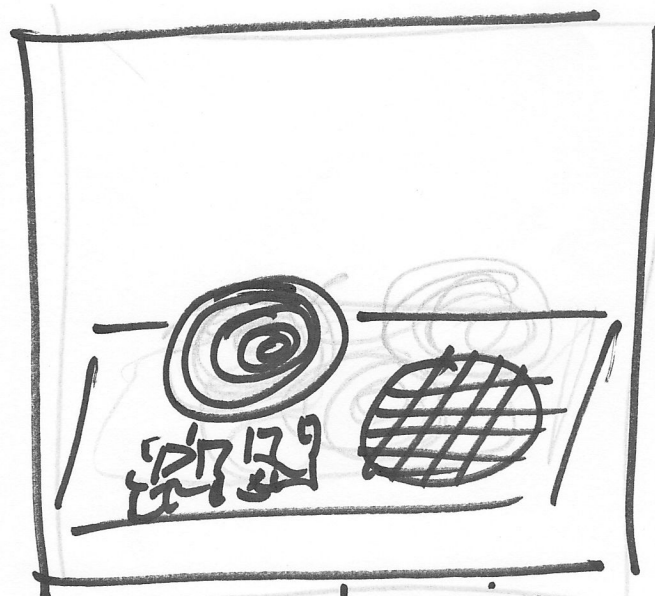

Farmer from O'side telling about farm

Close up of growing carrots

basket & onions

Prepared vaggies for soup

Noodles

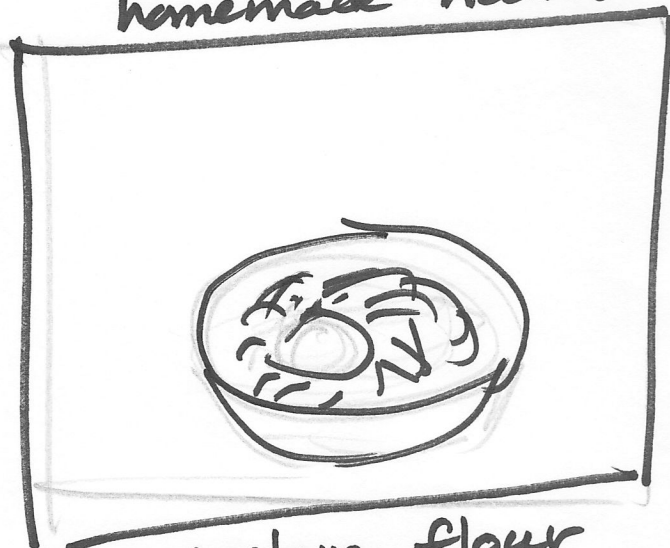

Michelle sampling
2 soups, comparing
noodles

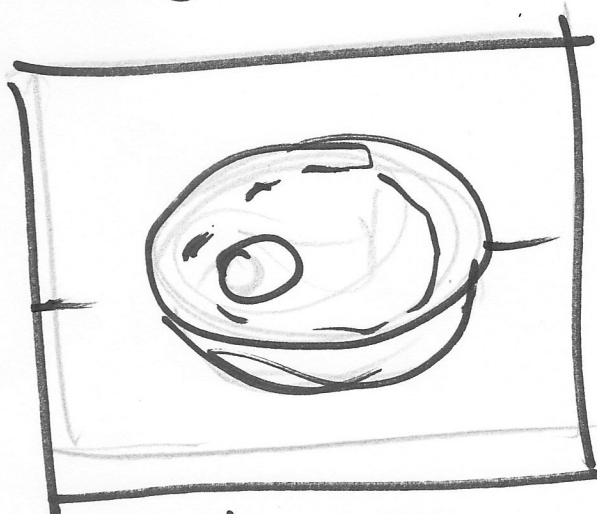

Telling difference of
homemade noodles

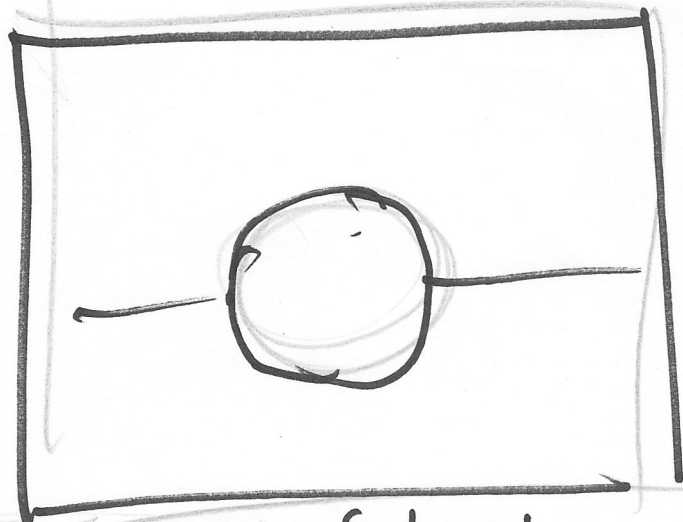

Ingredients

Nesting flour

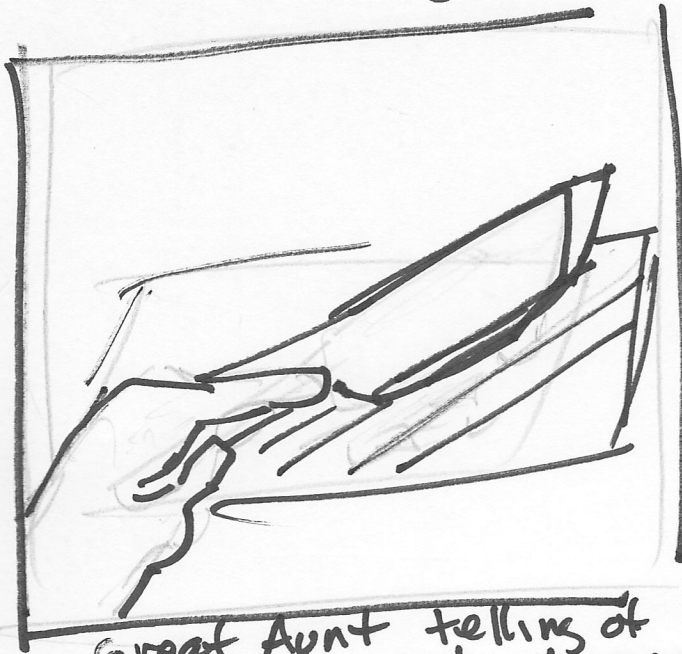

Adding egg

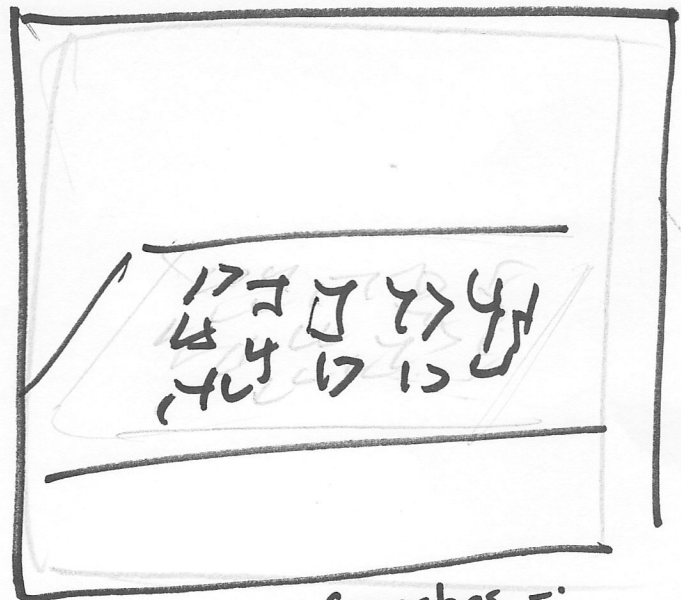

ball of dough

- WARNING? -

Noodle History

Great Aunt telling of
invasion while chopping

Chopping finishes -
noodles close-up

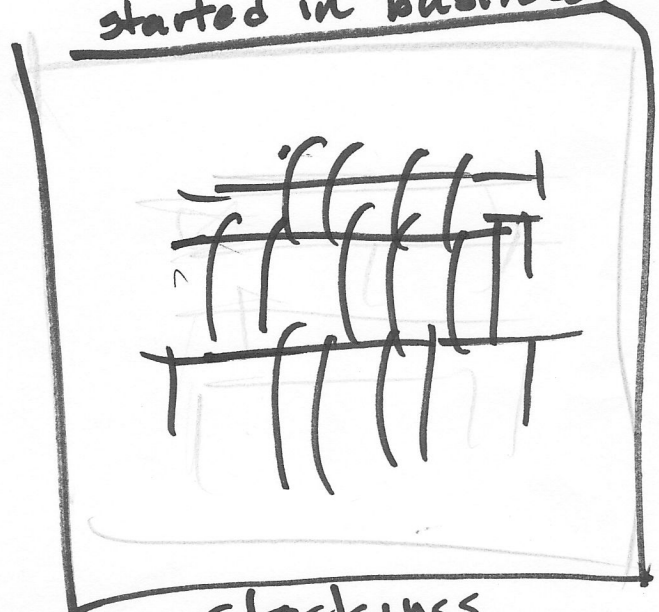

Later another Great
Aunt starts noodle
business

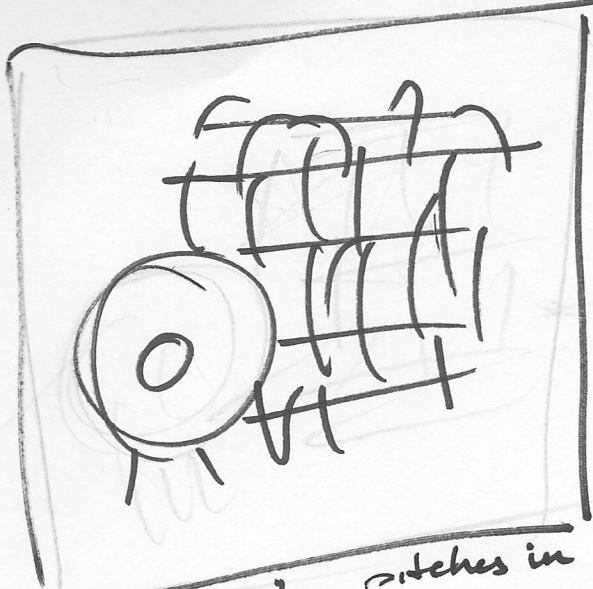

Mom telling how she
started in business

noodle machine
to start

stockings
flying over house

Family pitches in
fans throughout
house (fan on needles)

Another view mom
taking

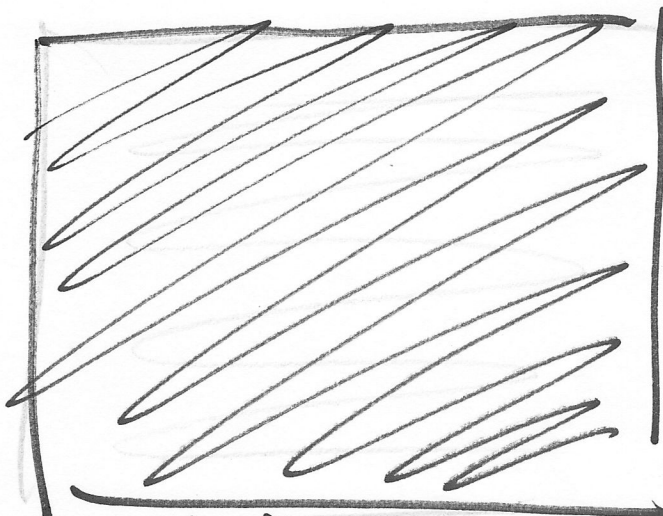

Father + mom
why gave up needles

years later Aunt
starts business

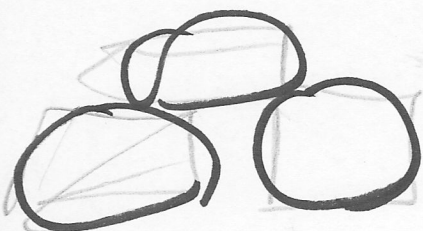

expands varieties
can spinach +
tomatoes

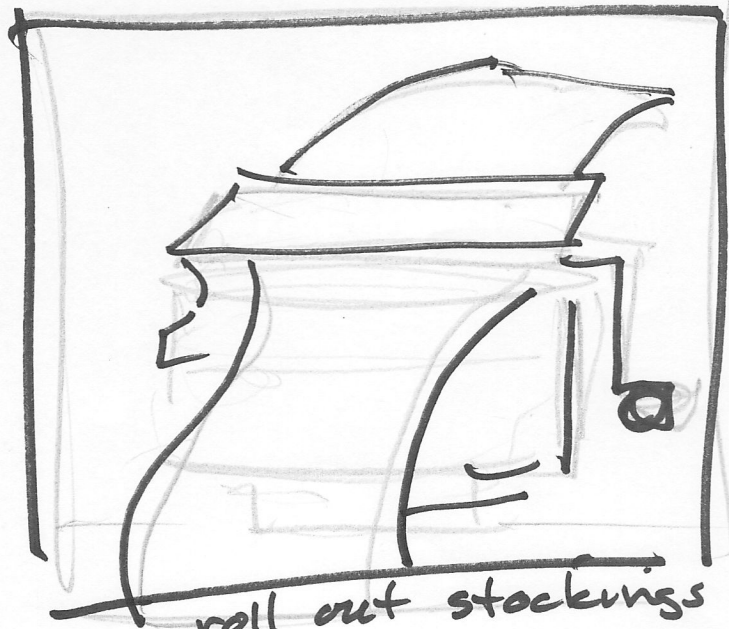

black
loss finger
marriage
business

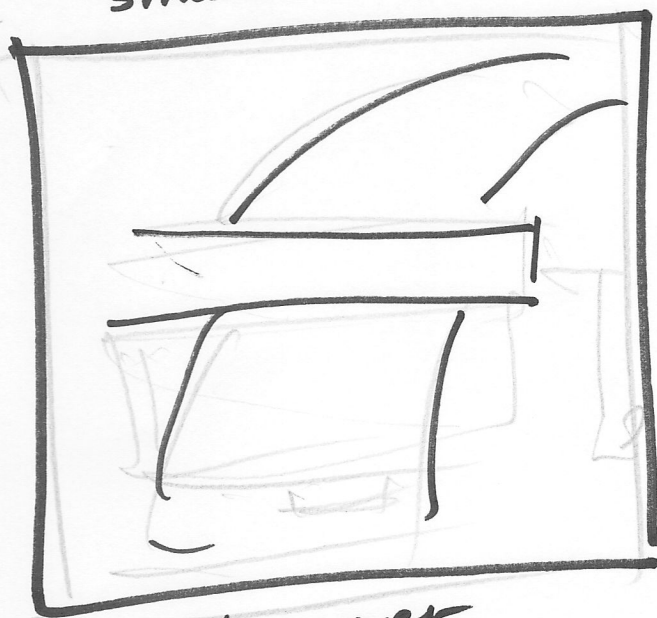

7 Back to noodle demo

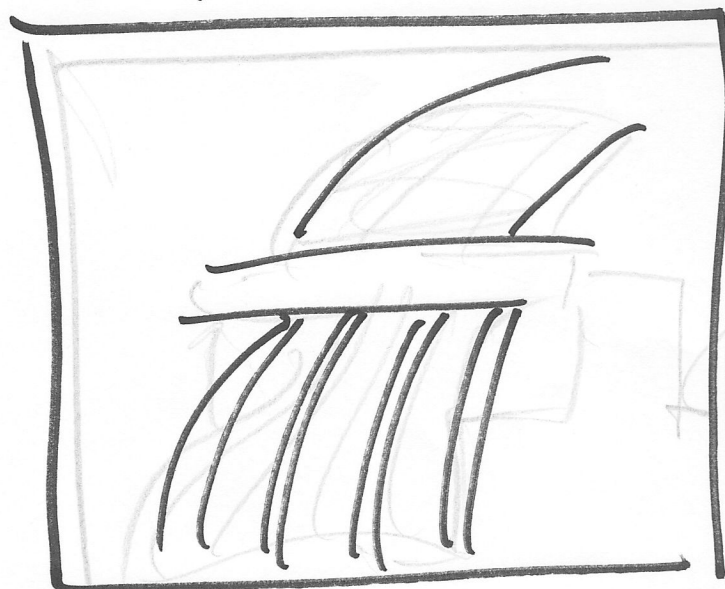

my own way
smaller dough balls

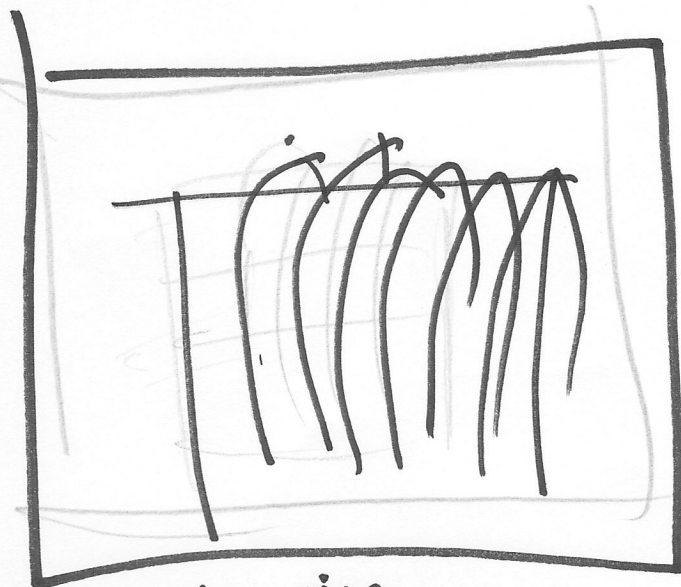

roll out stockings

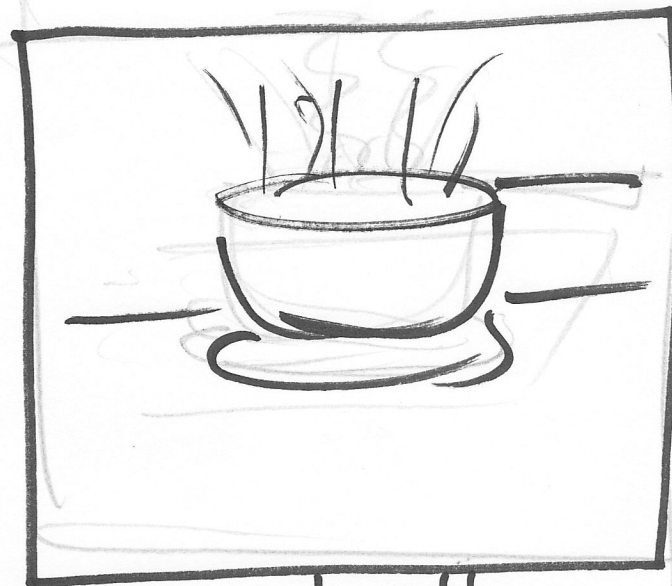

thinner

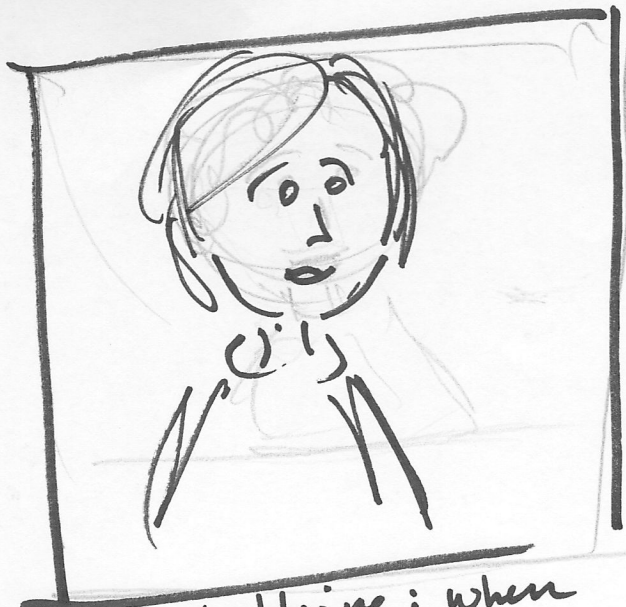

cutting

drying

when to add
to soup

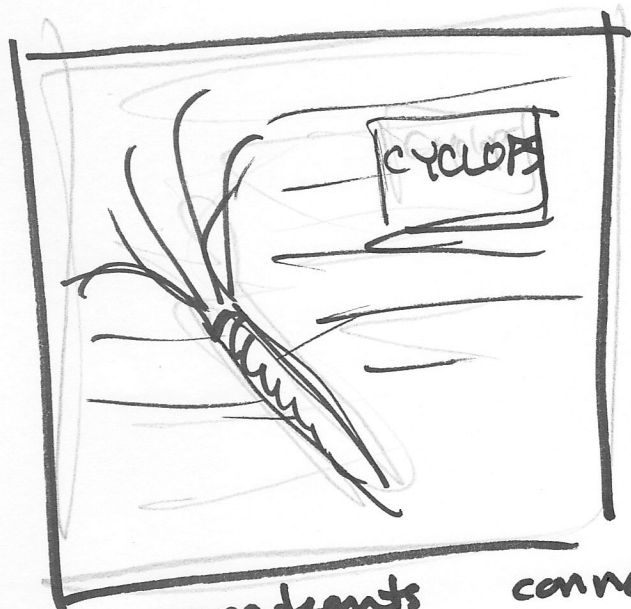

Me talking: when
time, share a recipe

RECIPE
INGREDIENTS;

Recipe can capture
a time + place

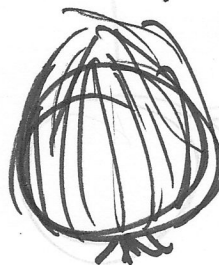

Ingredients

connect

people in community

FARMER'S
MARKET

in family
