

PROJECT Mat 120 storyboard (contentment)

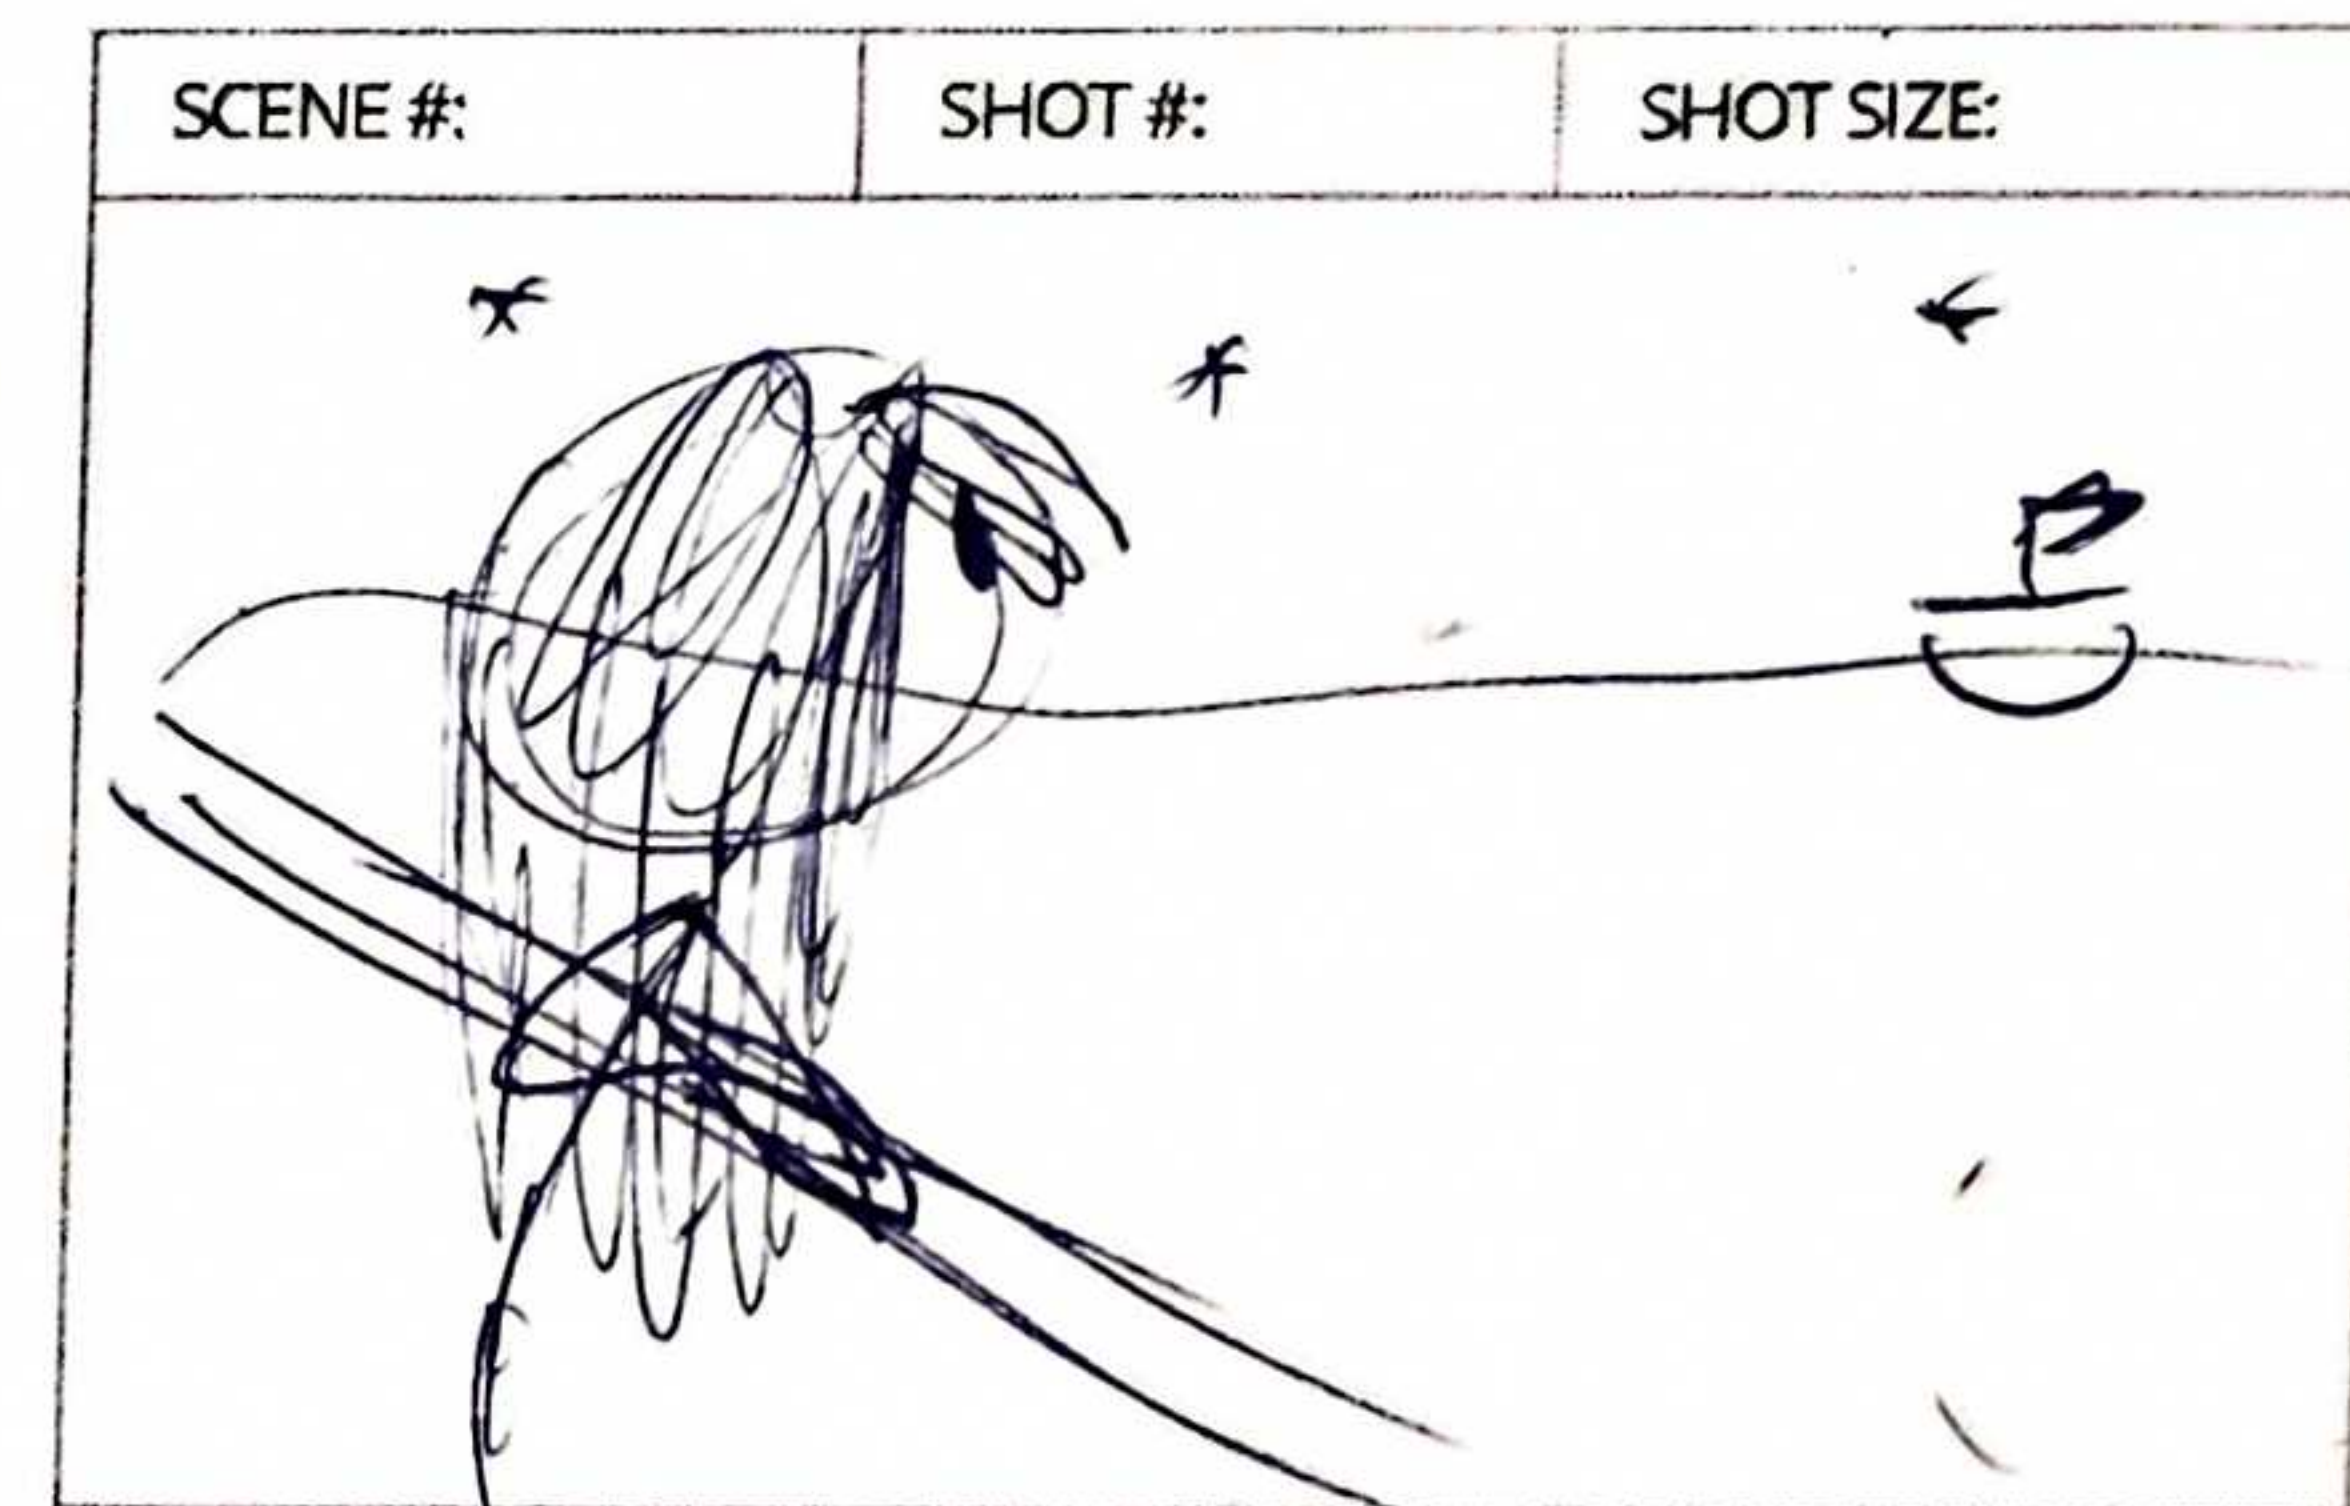

PAGE ____ / ____

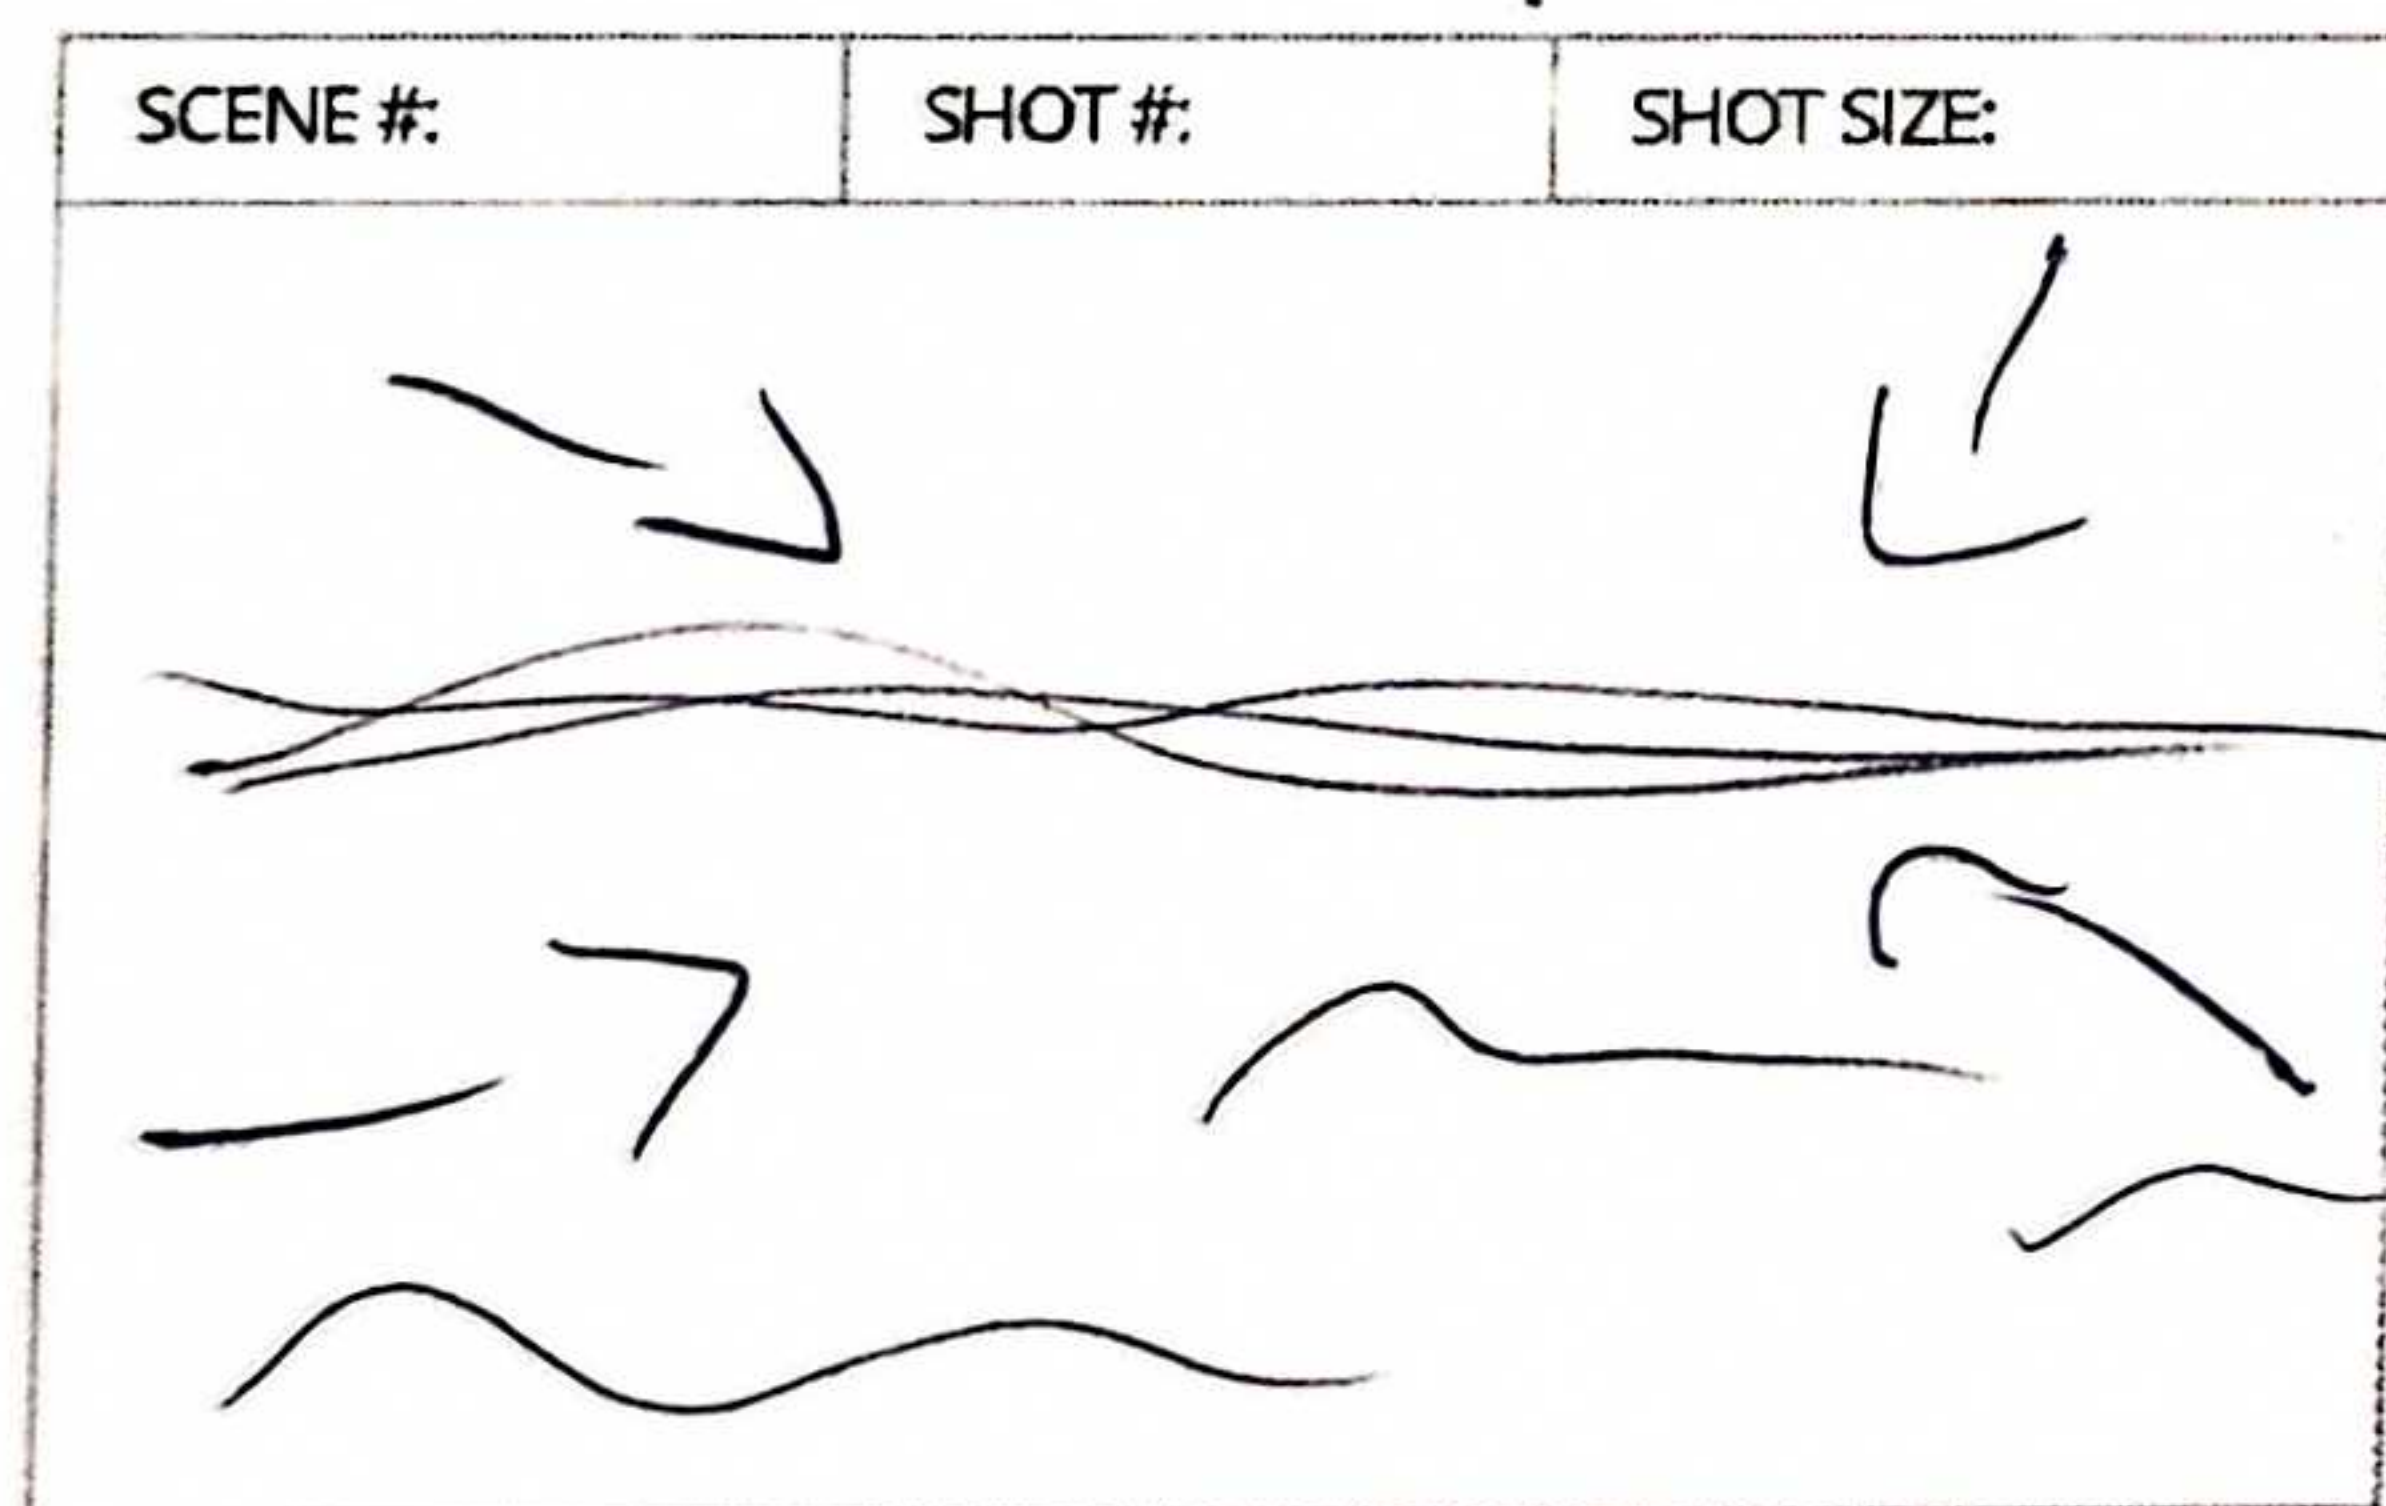

video will start with a close up of waves hitting the shore

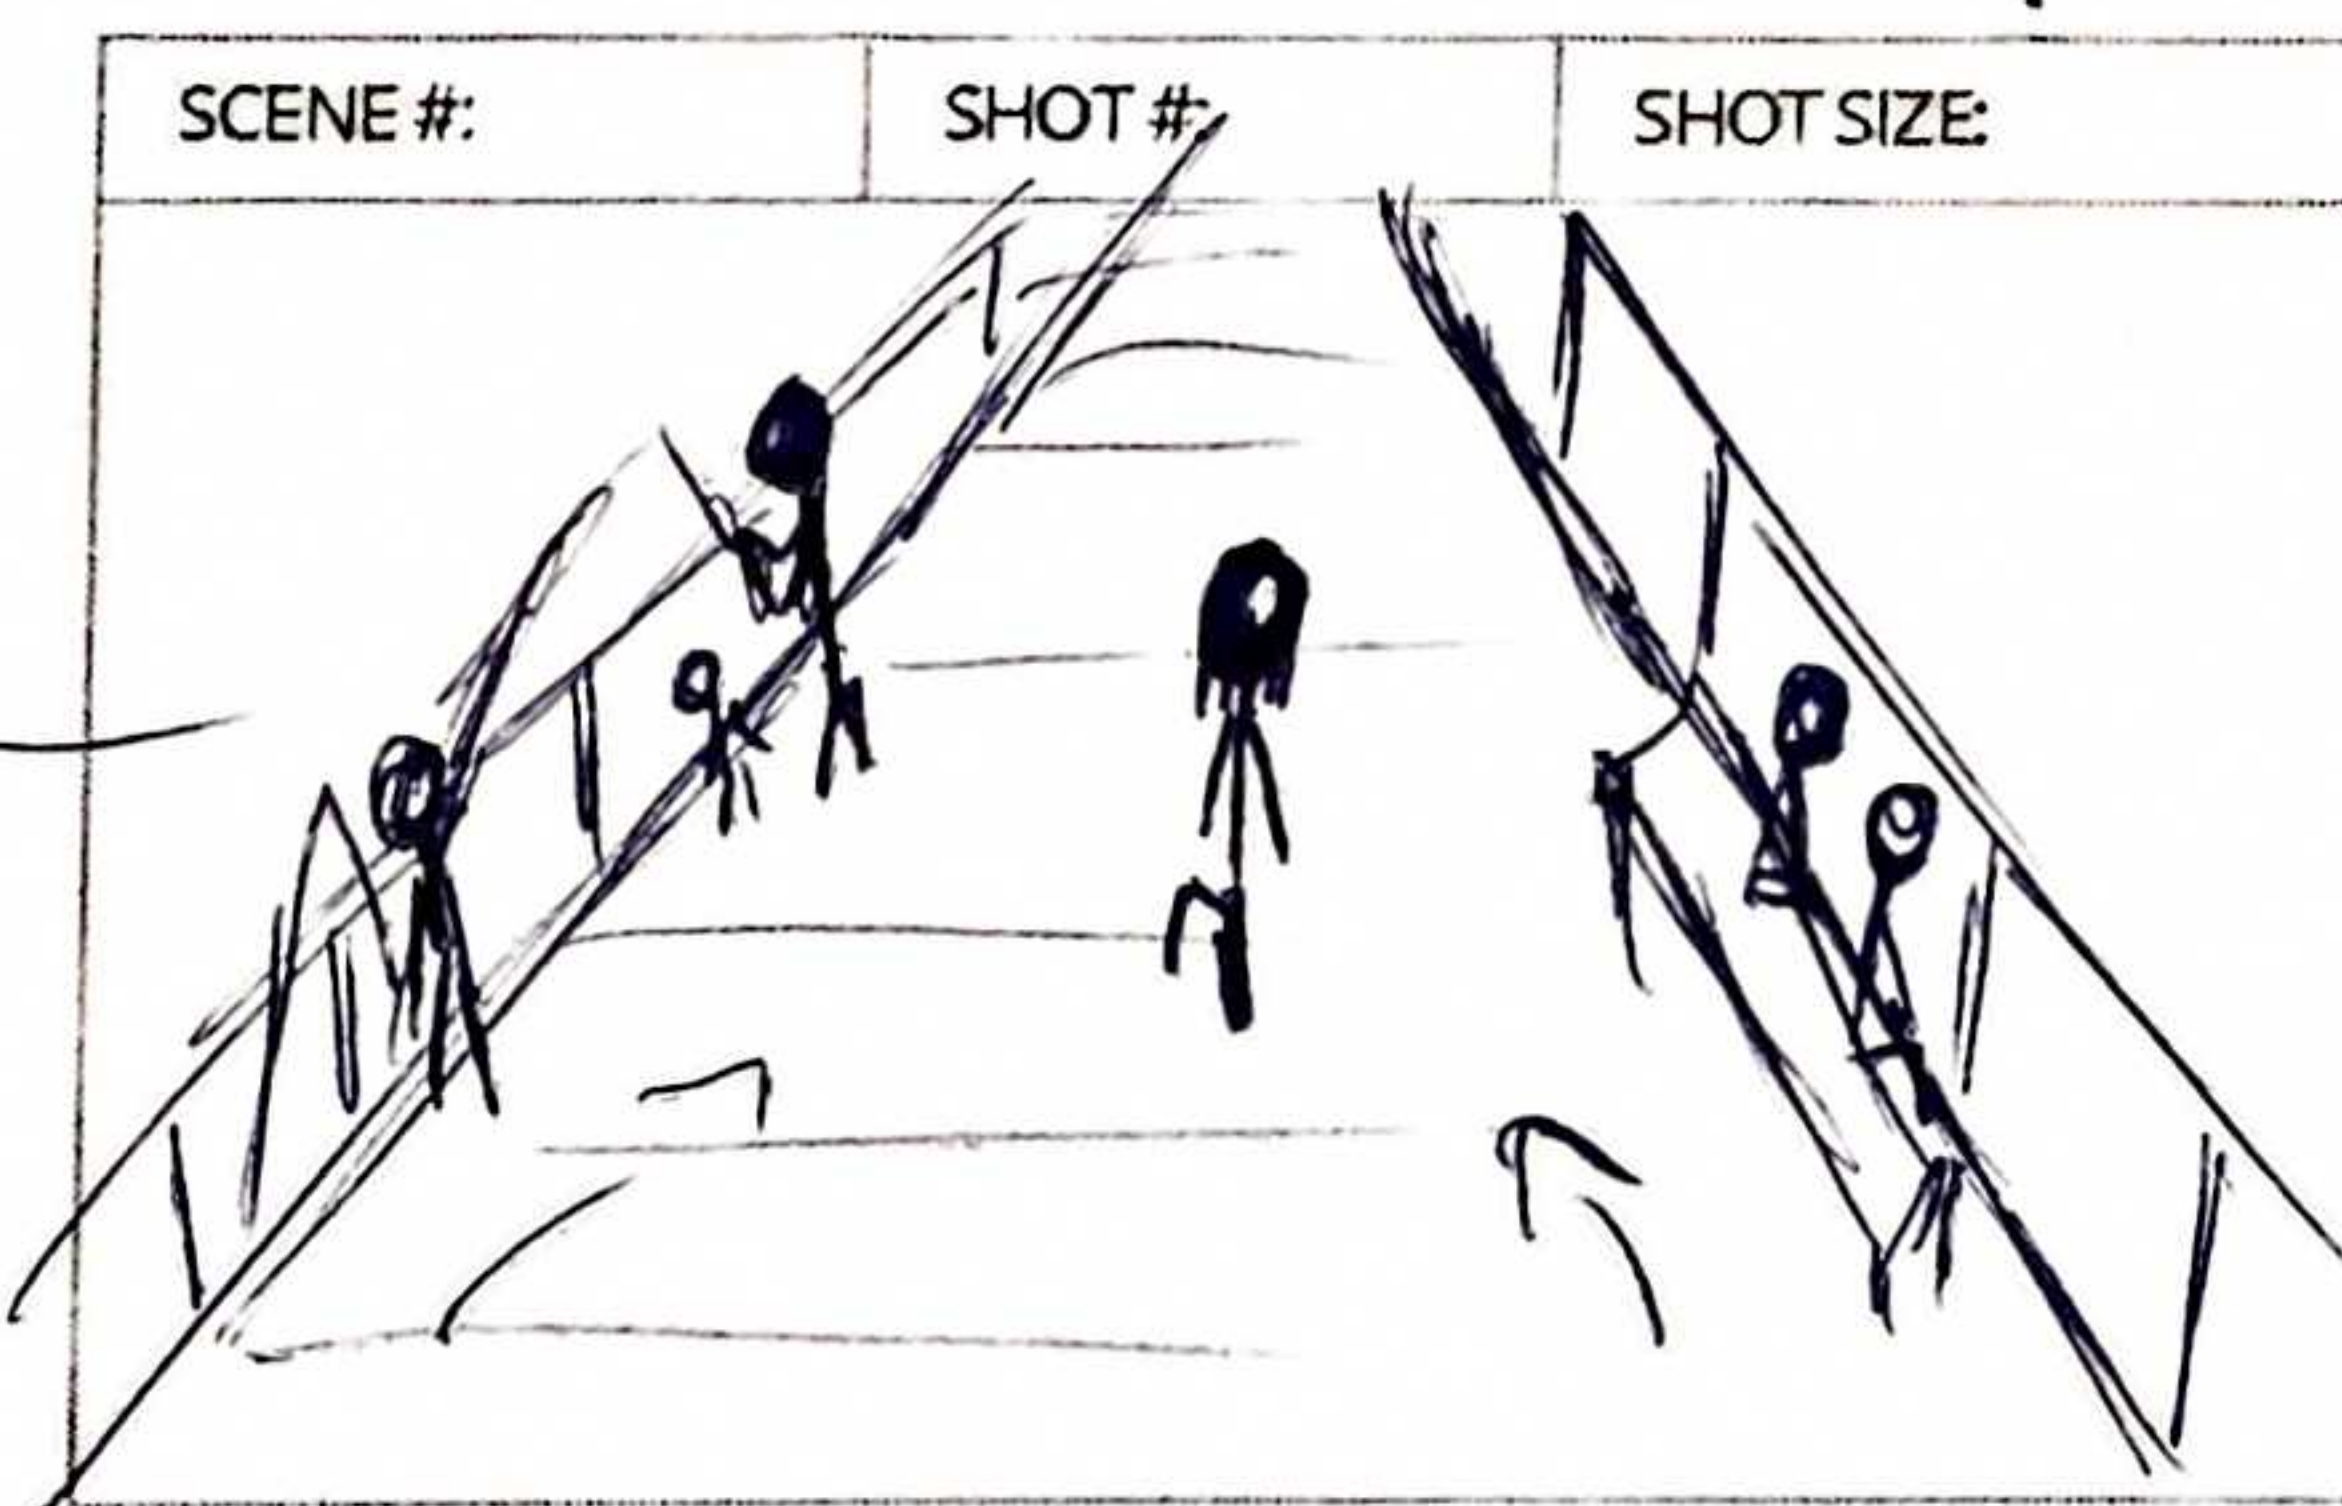

"I like going to the beach"
camera will pan up to the pier.

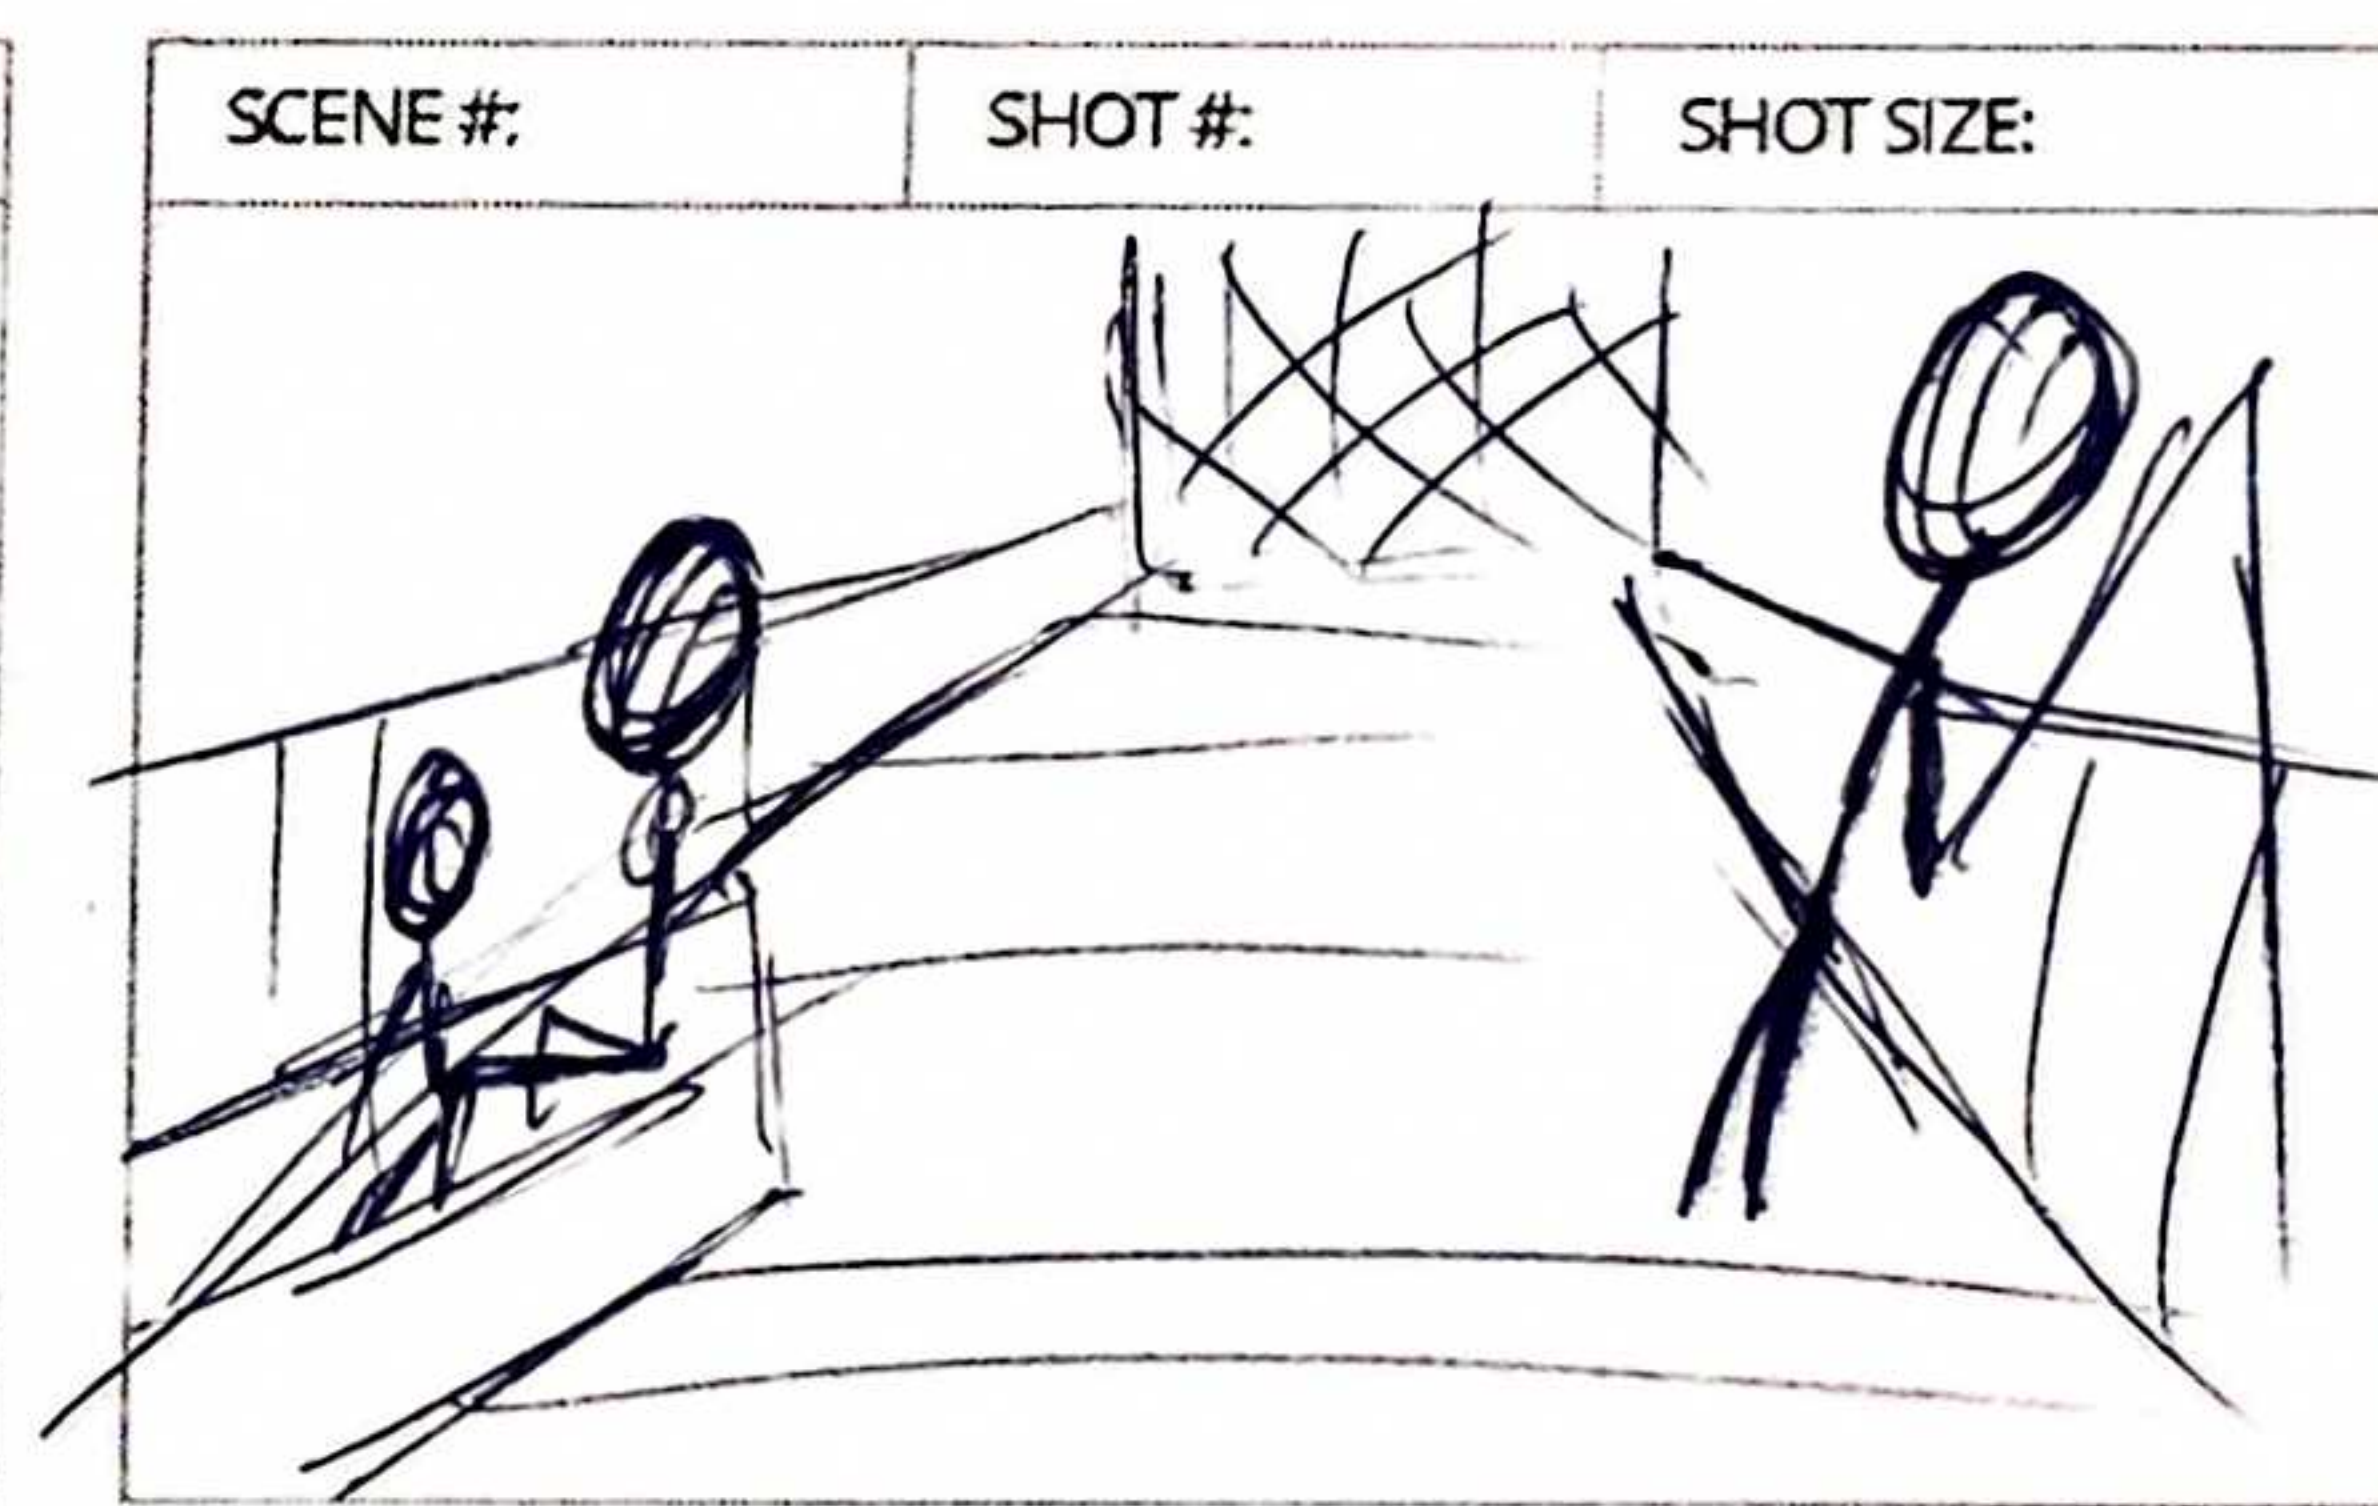

"Sometimes I will stop mid pier..."
still shot staring out

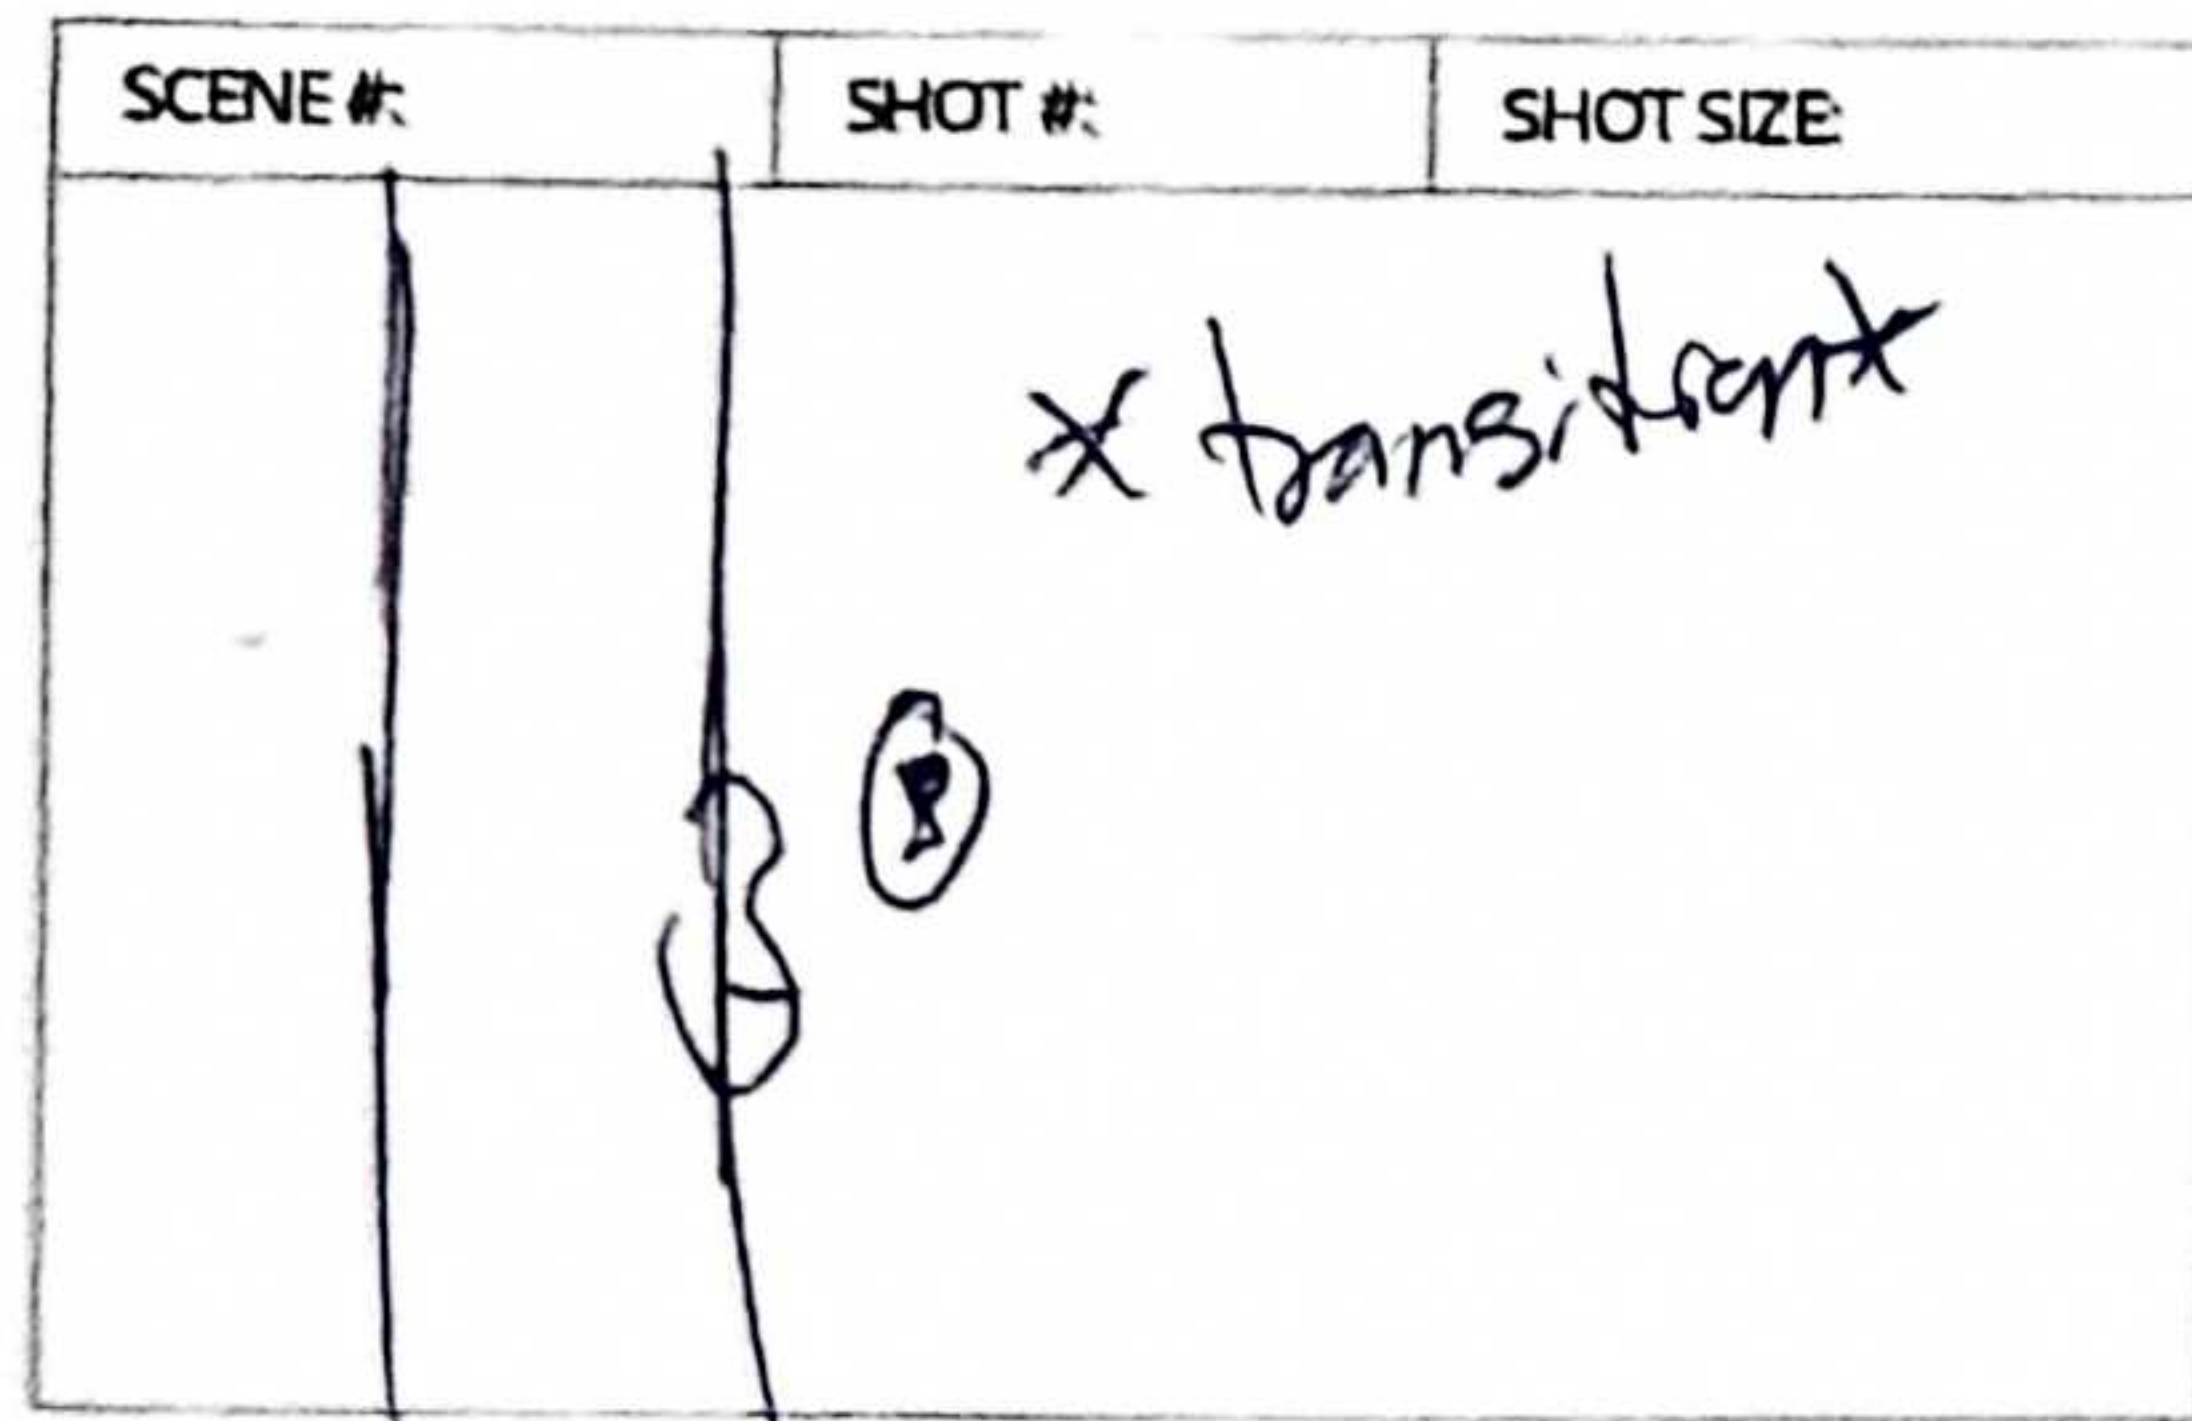

"Stare far into the ocean"
zoom in of ocean

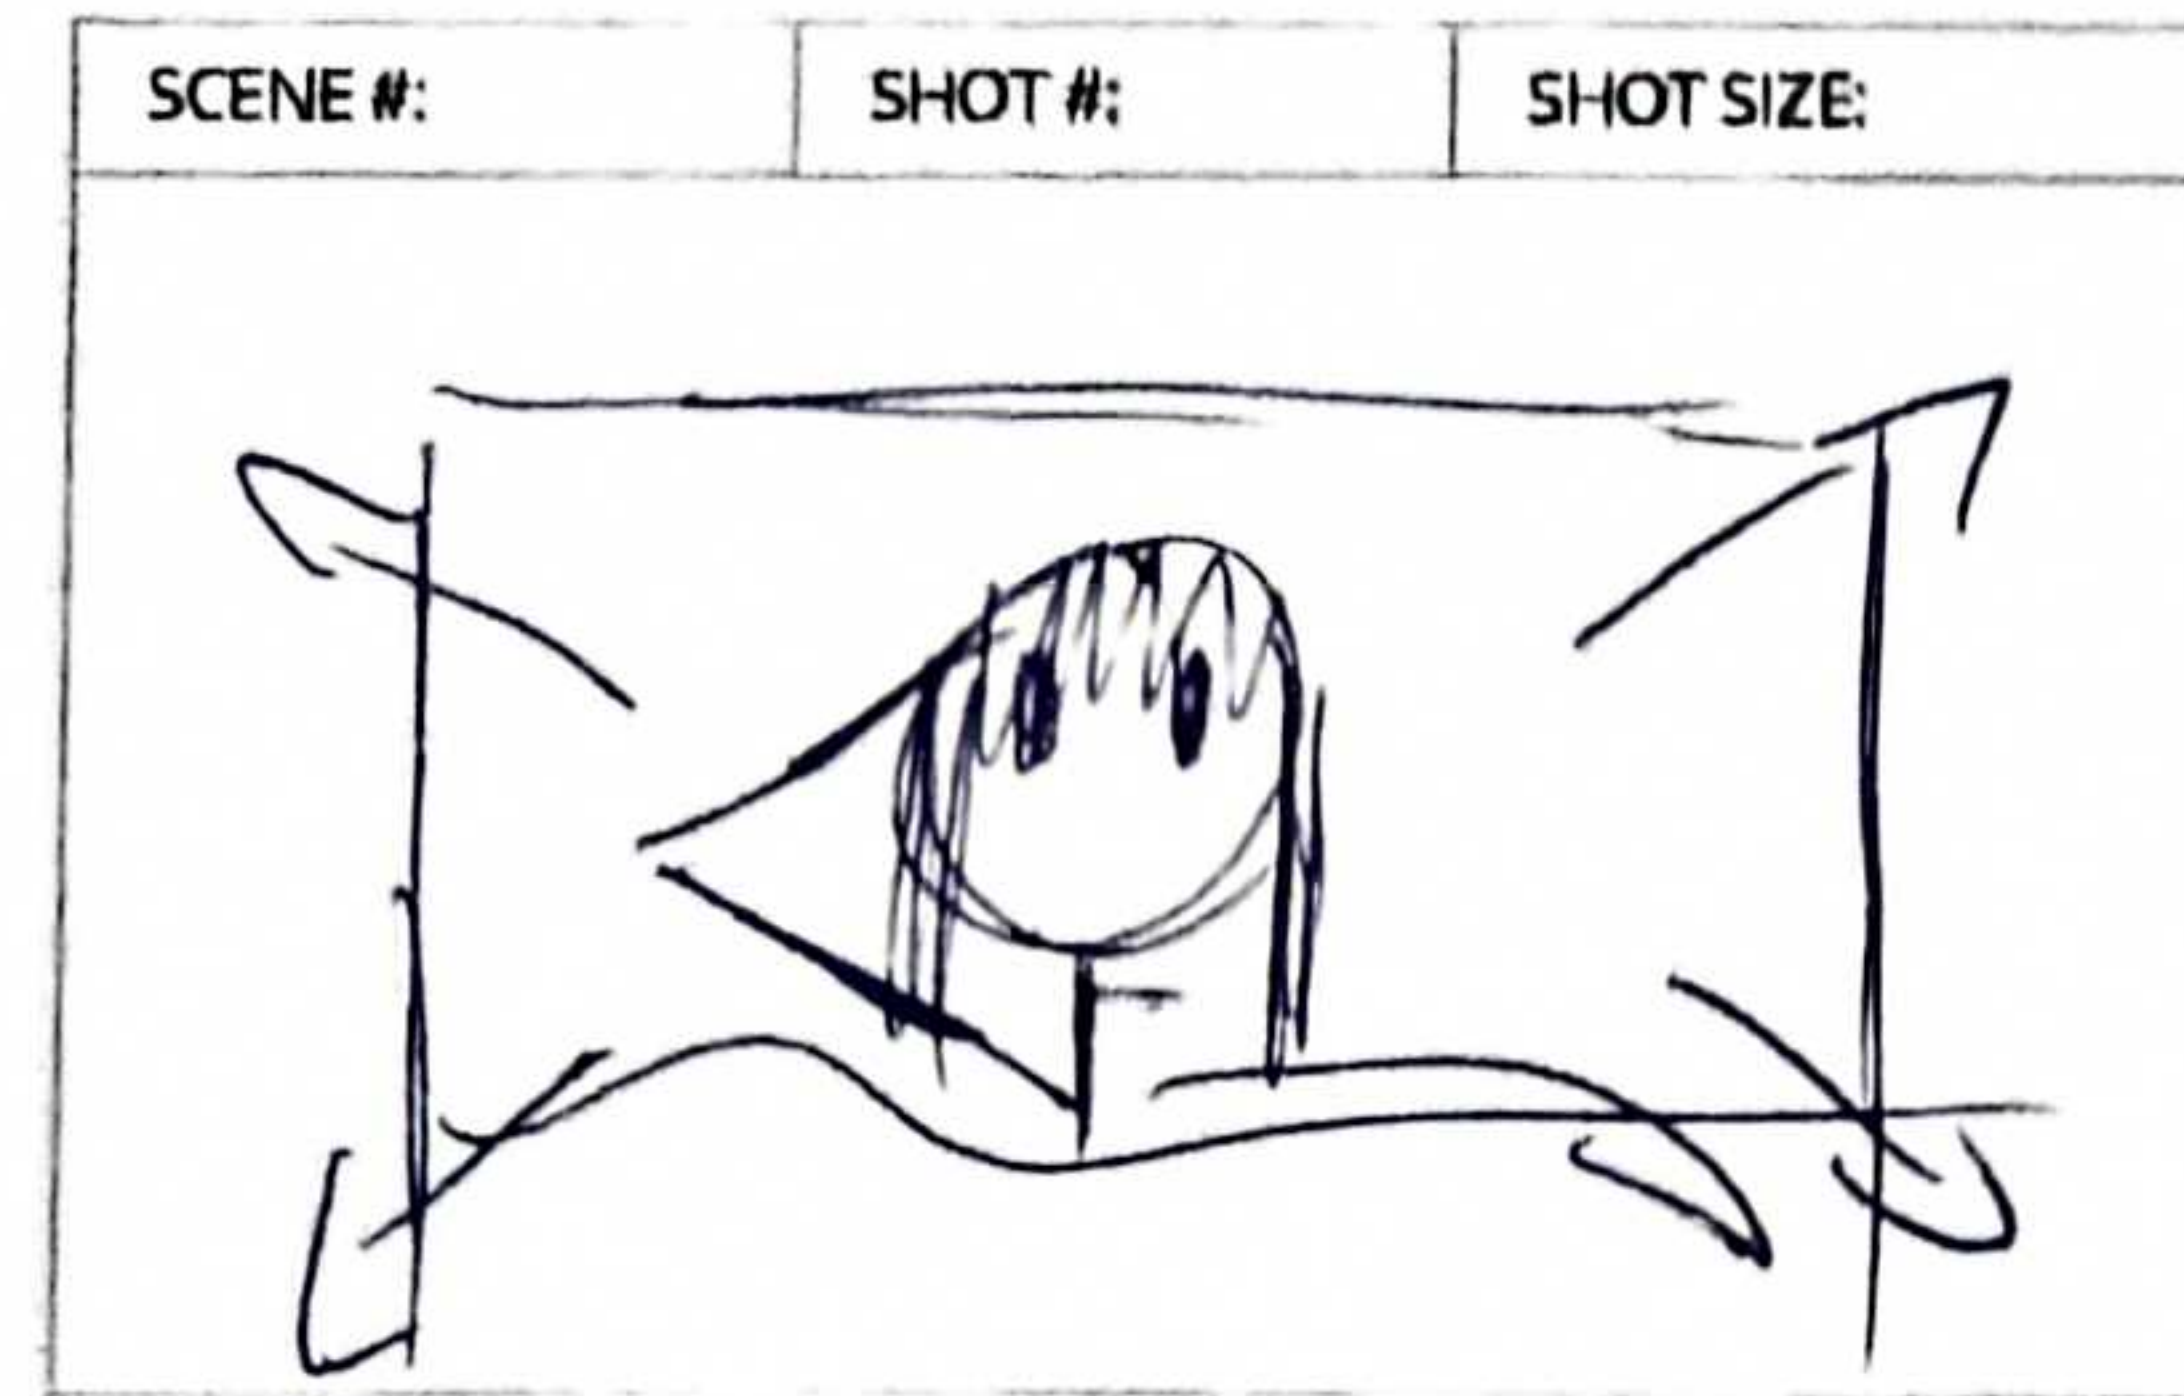

"Look at people fishing"
camera follows subject from behind as they walk along the pier

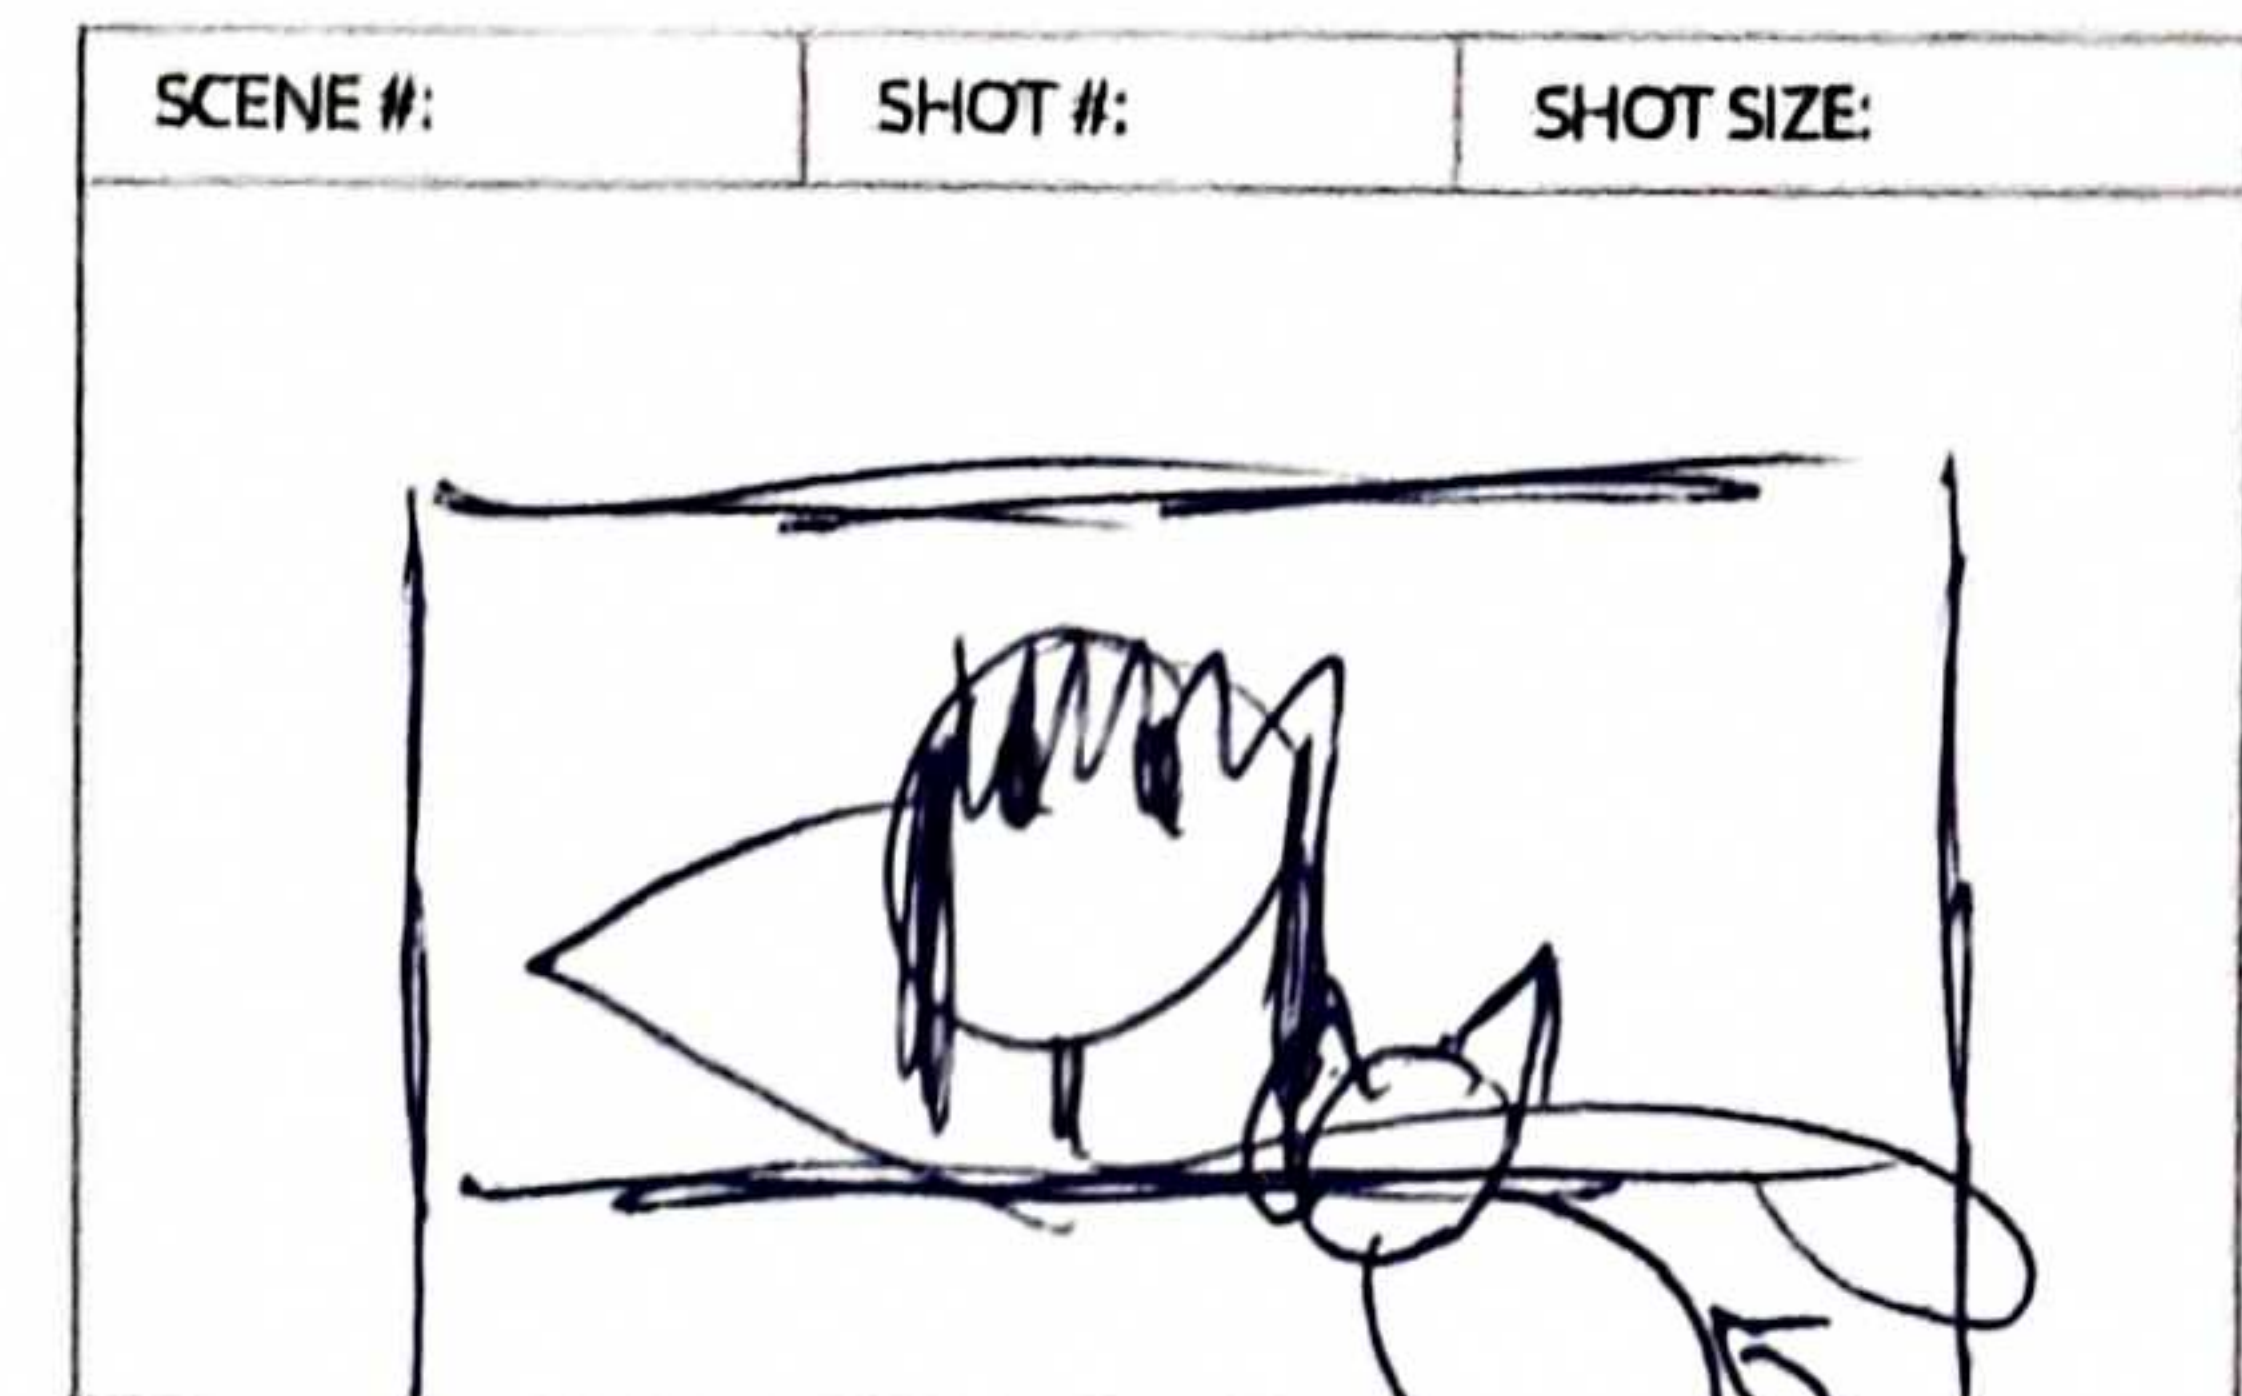

POV shot of the pier
"maybe they're listening to a podcast"

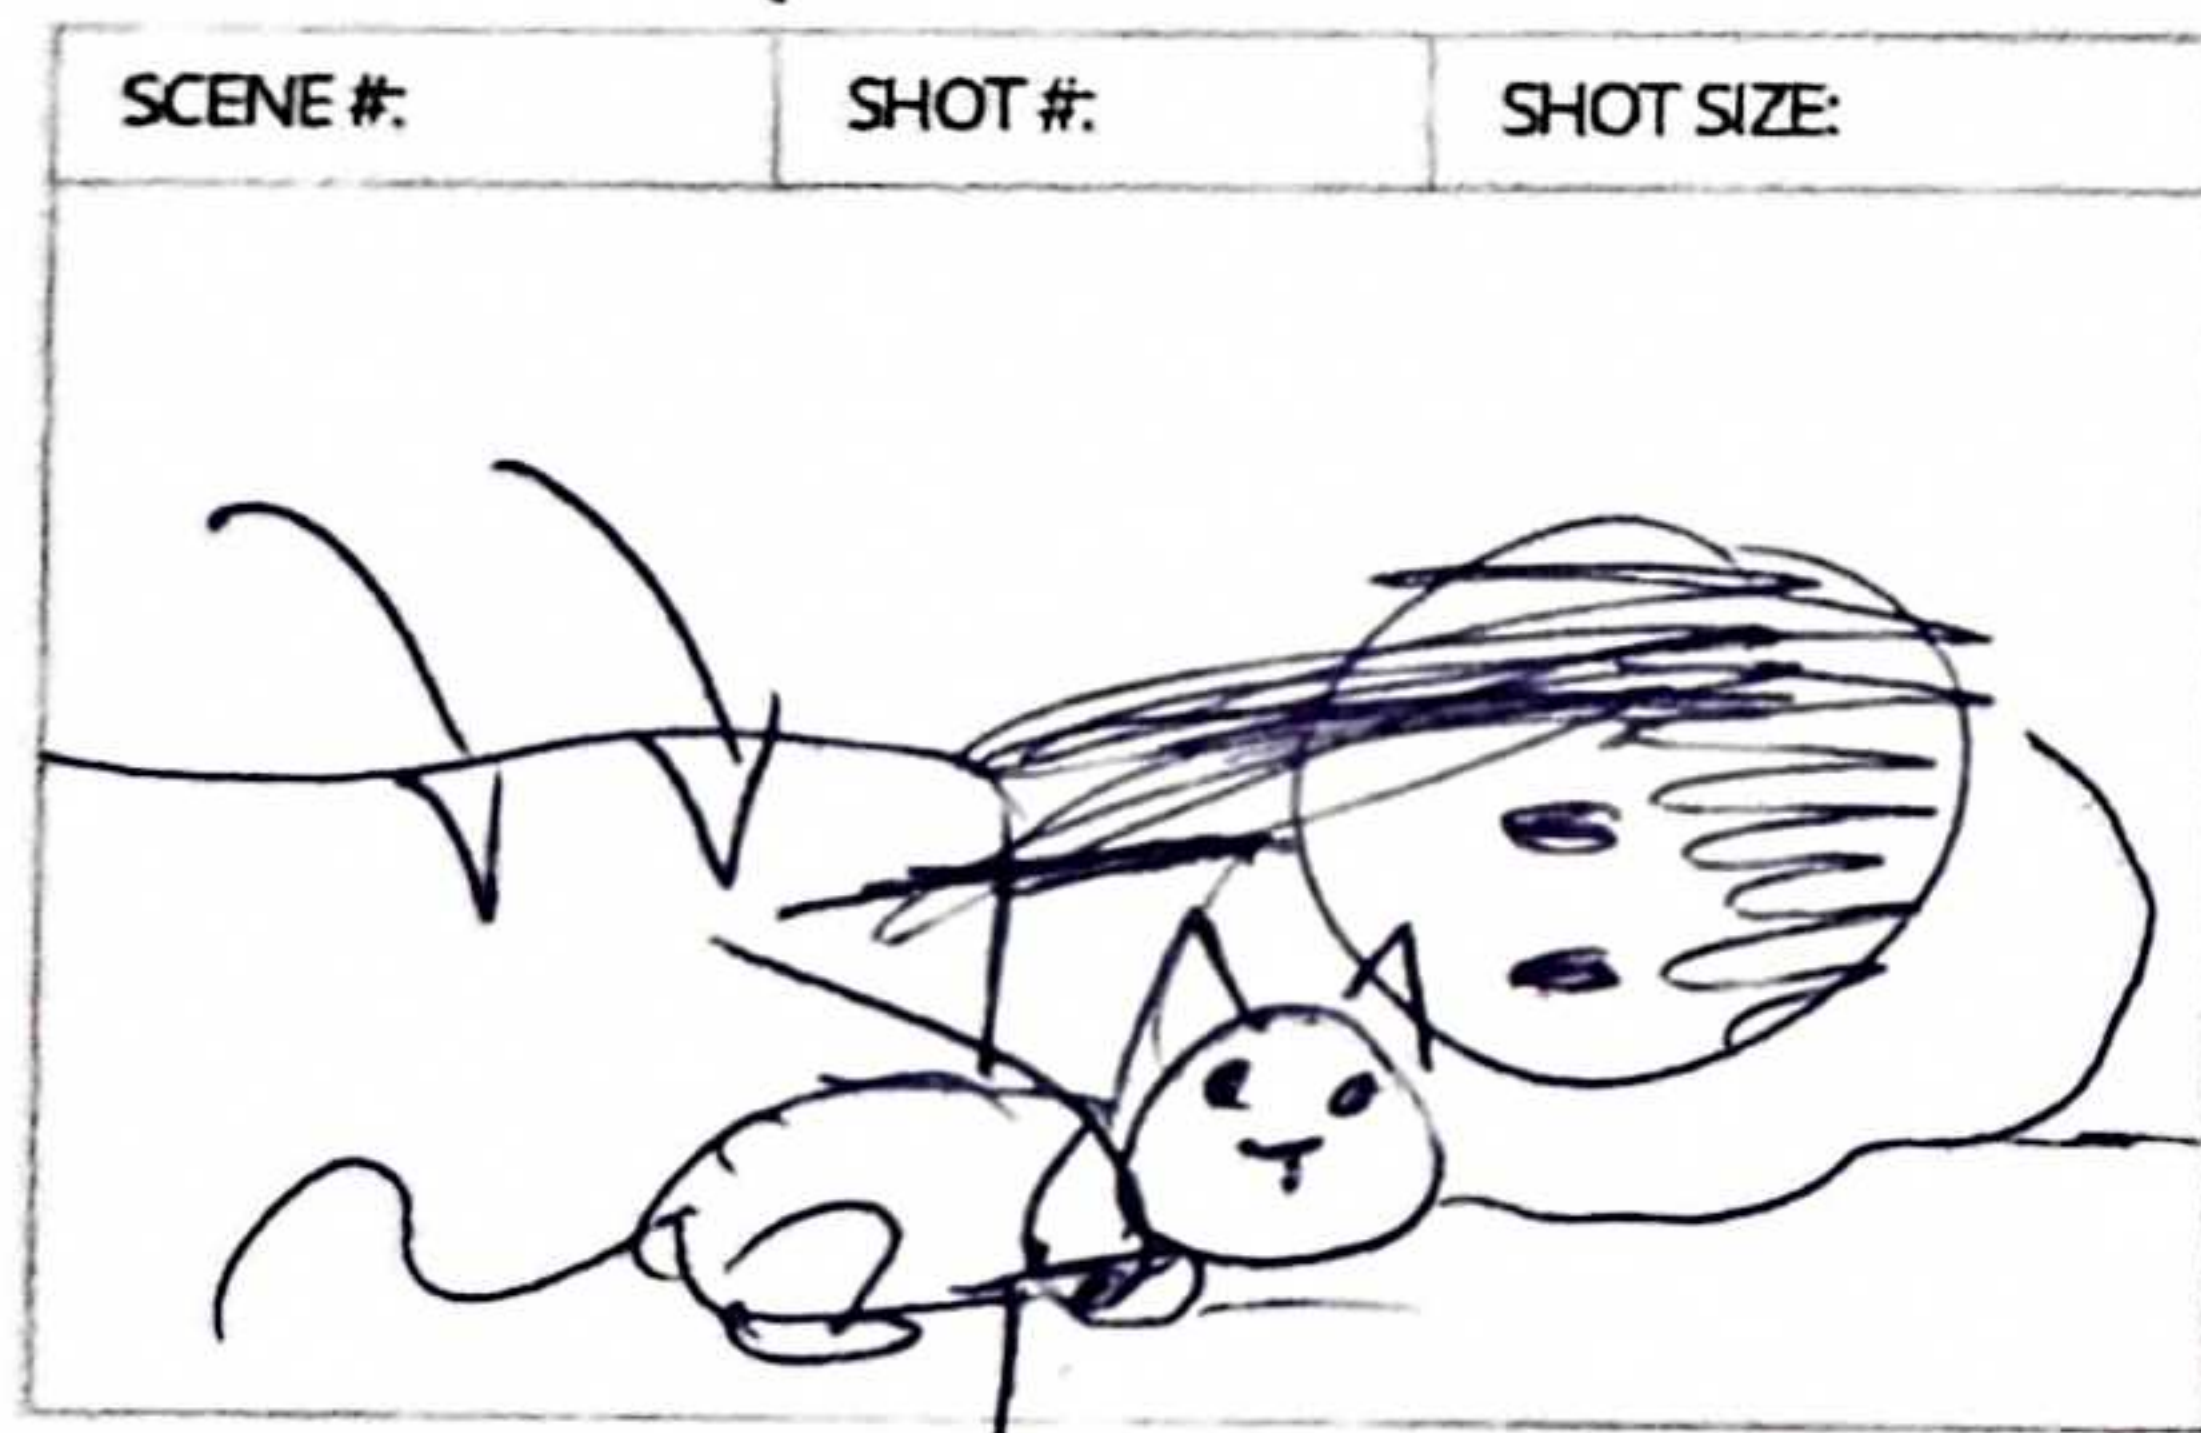

"Sometimes I will"
* door opens, cat meows

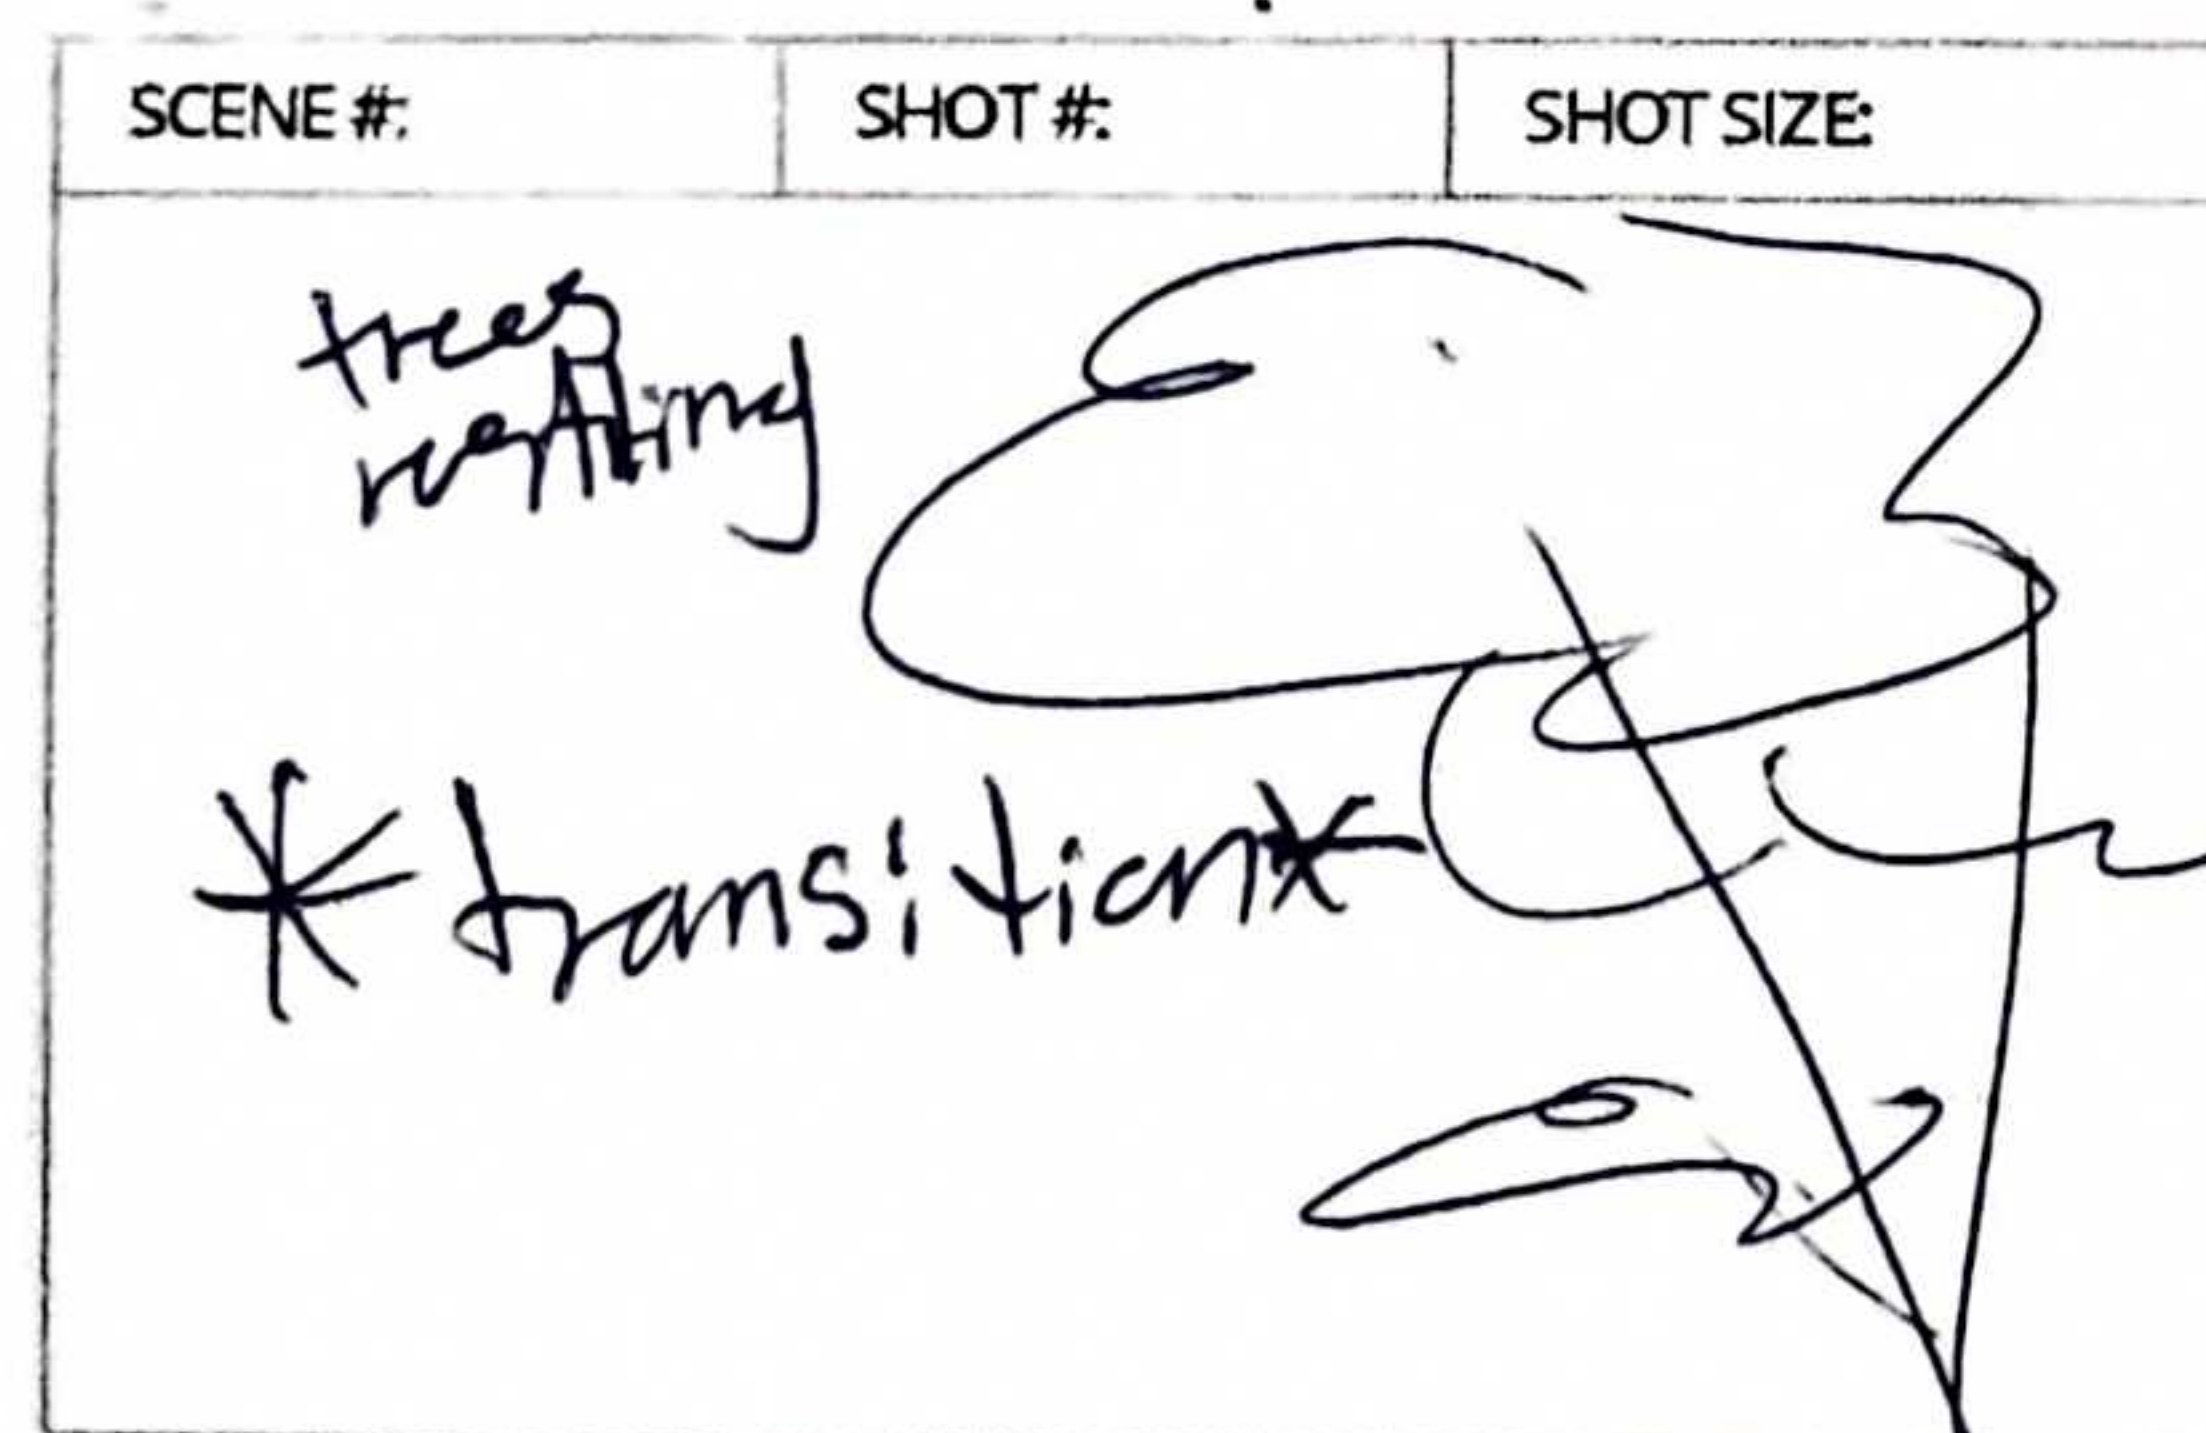

"Lay in bed ... stare at my ceiling" still shot, slowly zooming out from ceiling pov

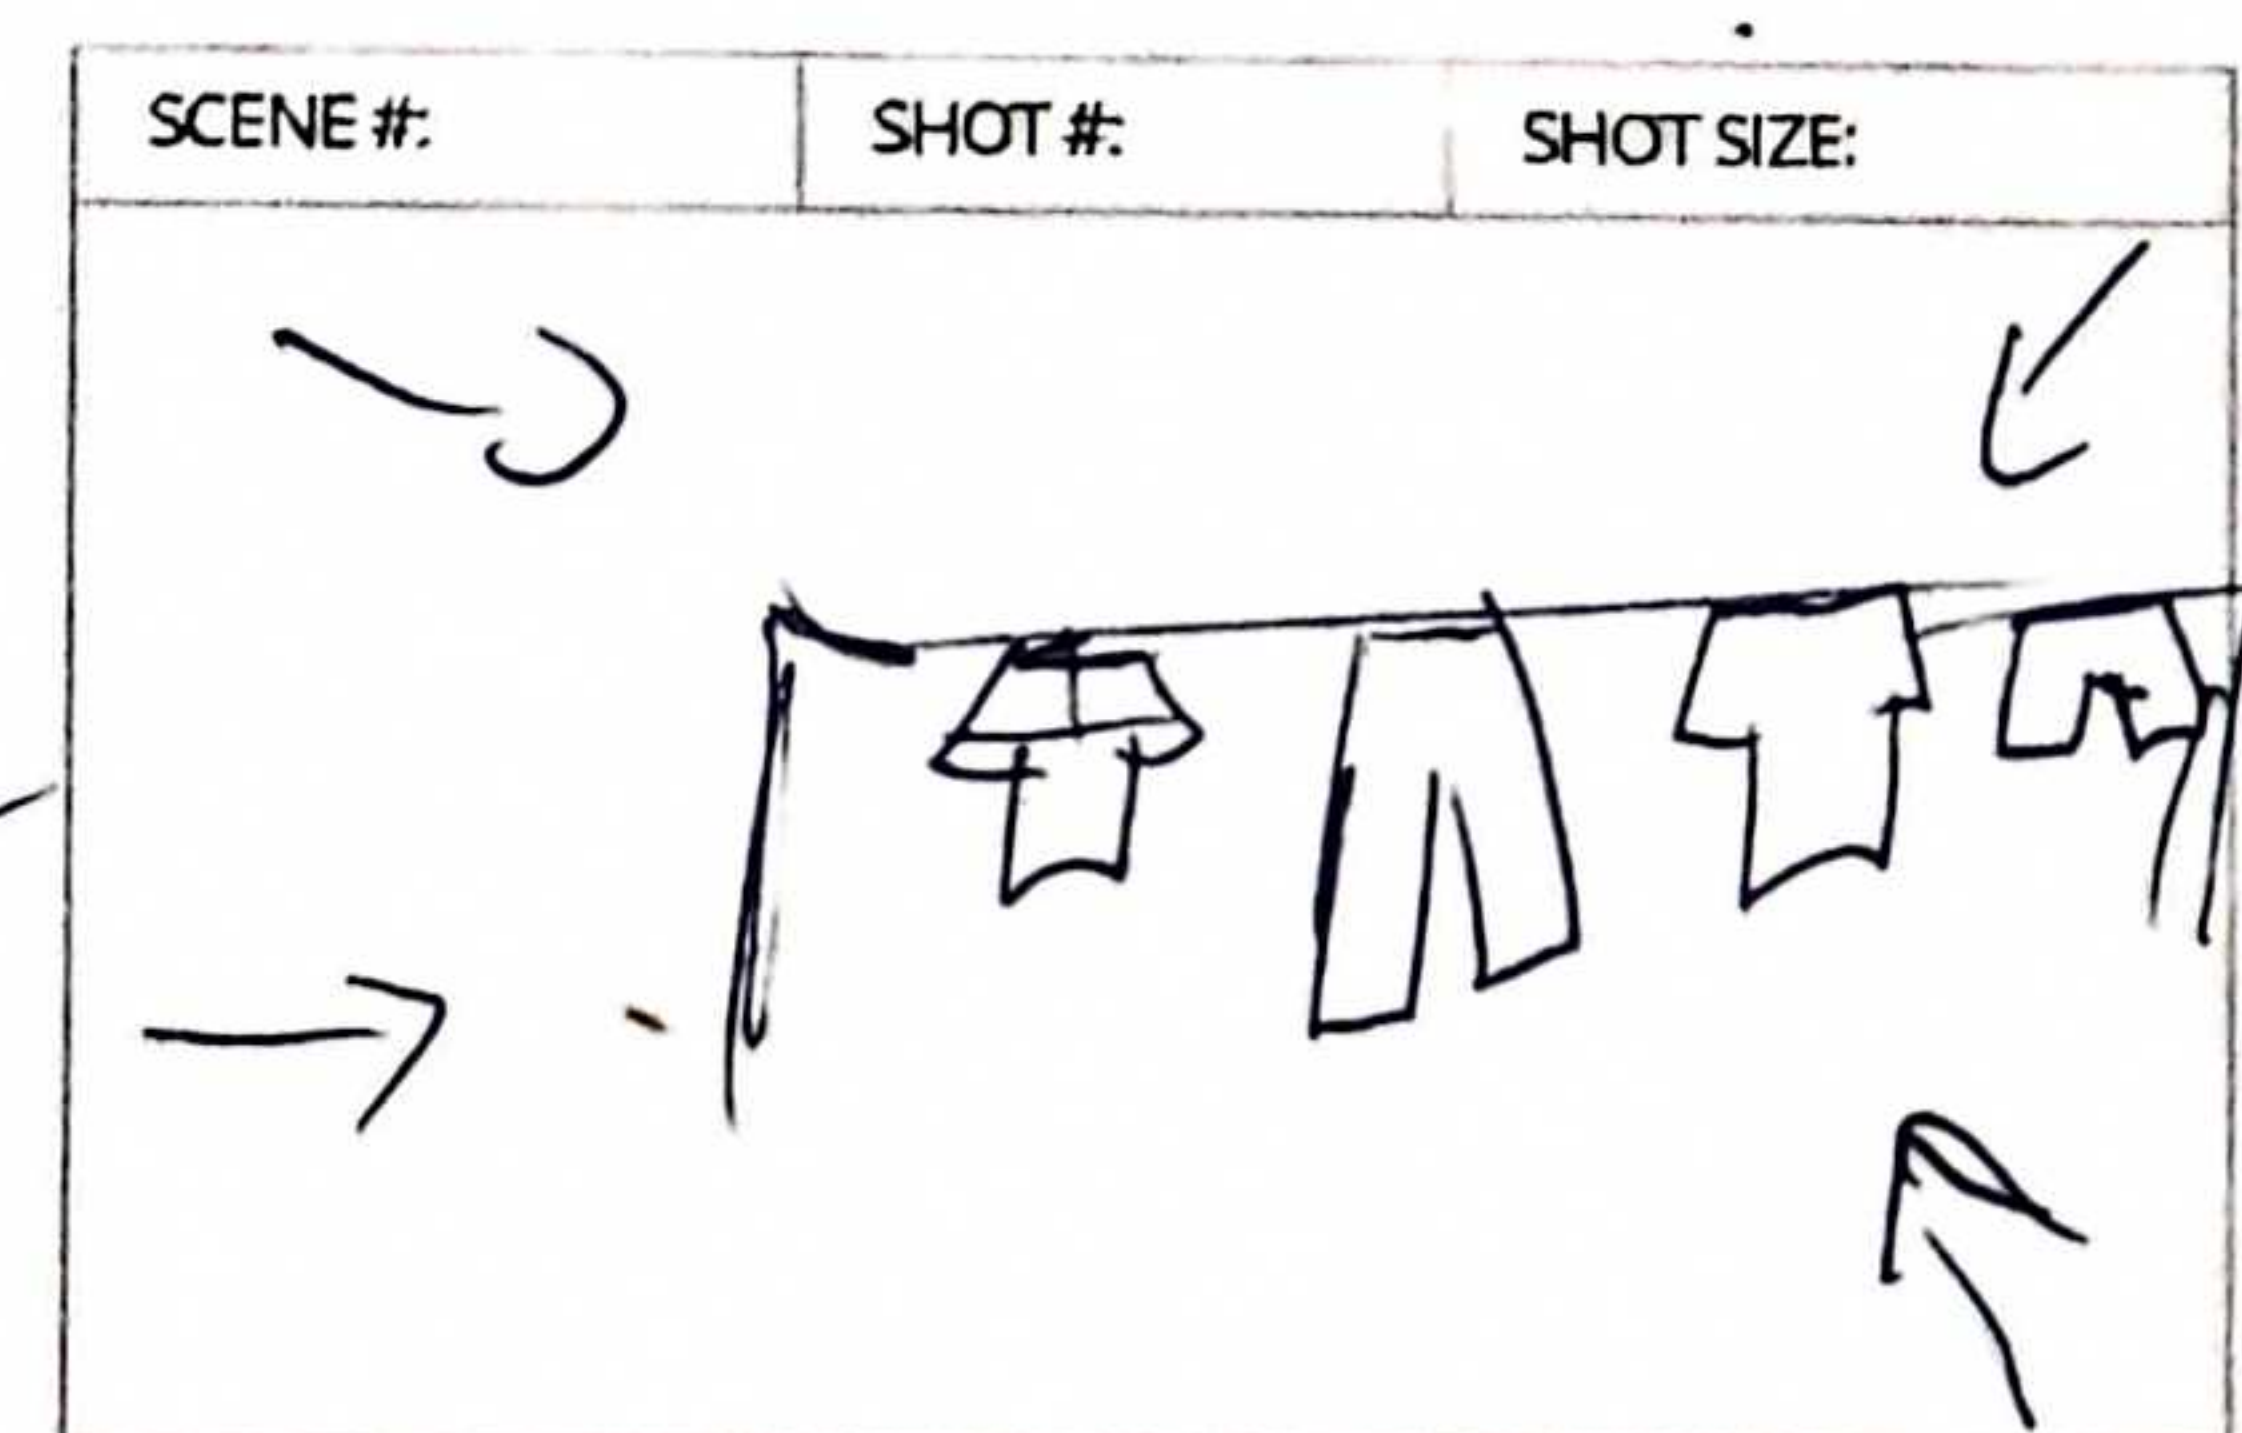

fully zoomed out, cat lays on subject, narration continues "my cat comes..."

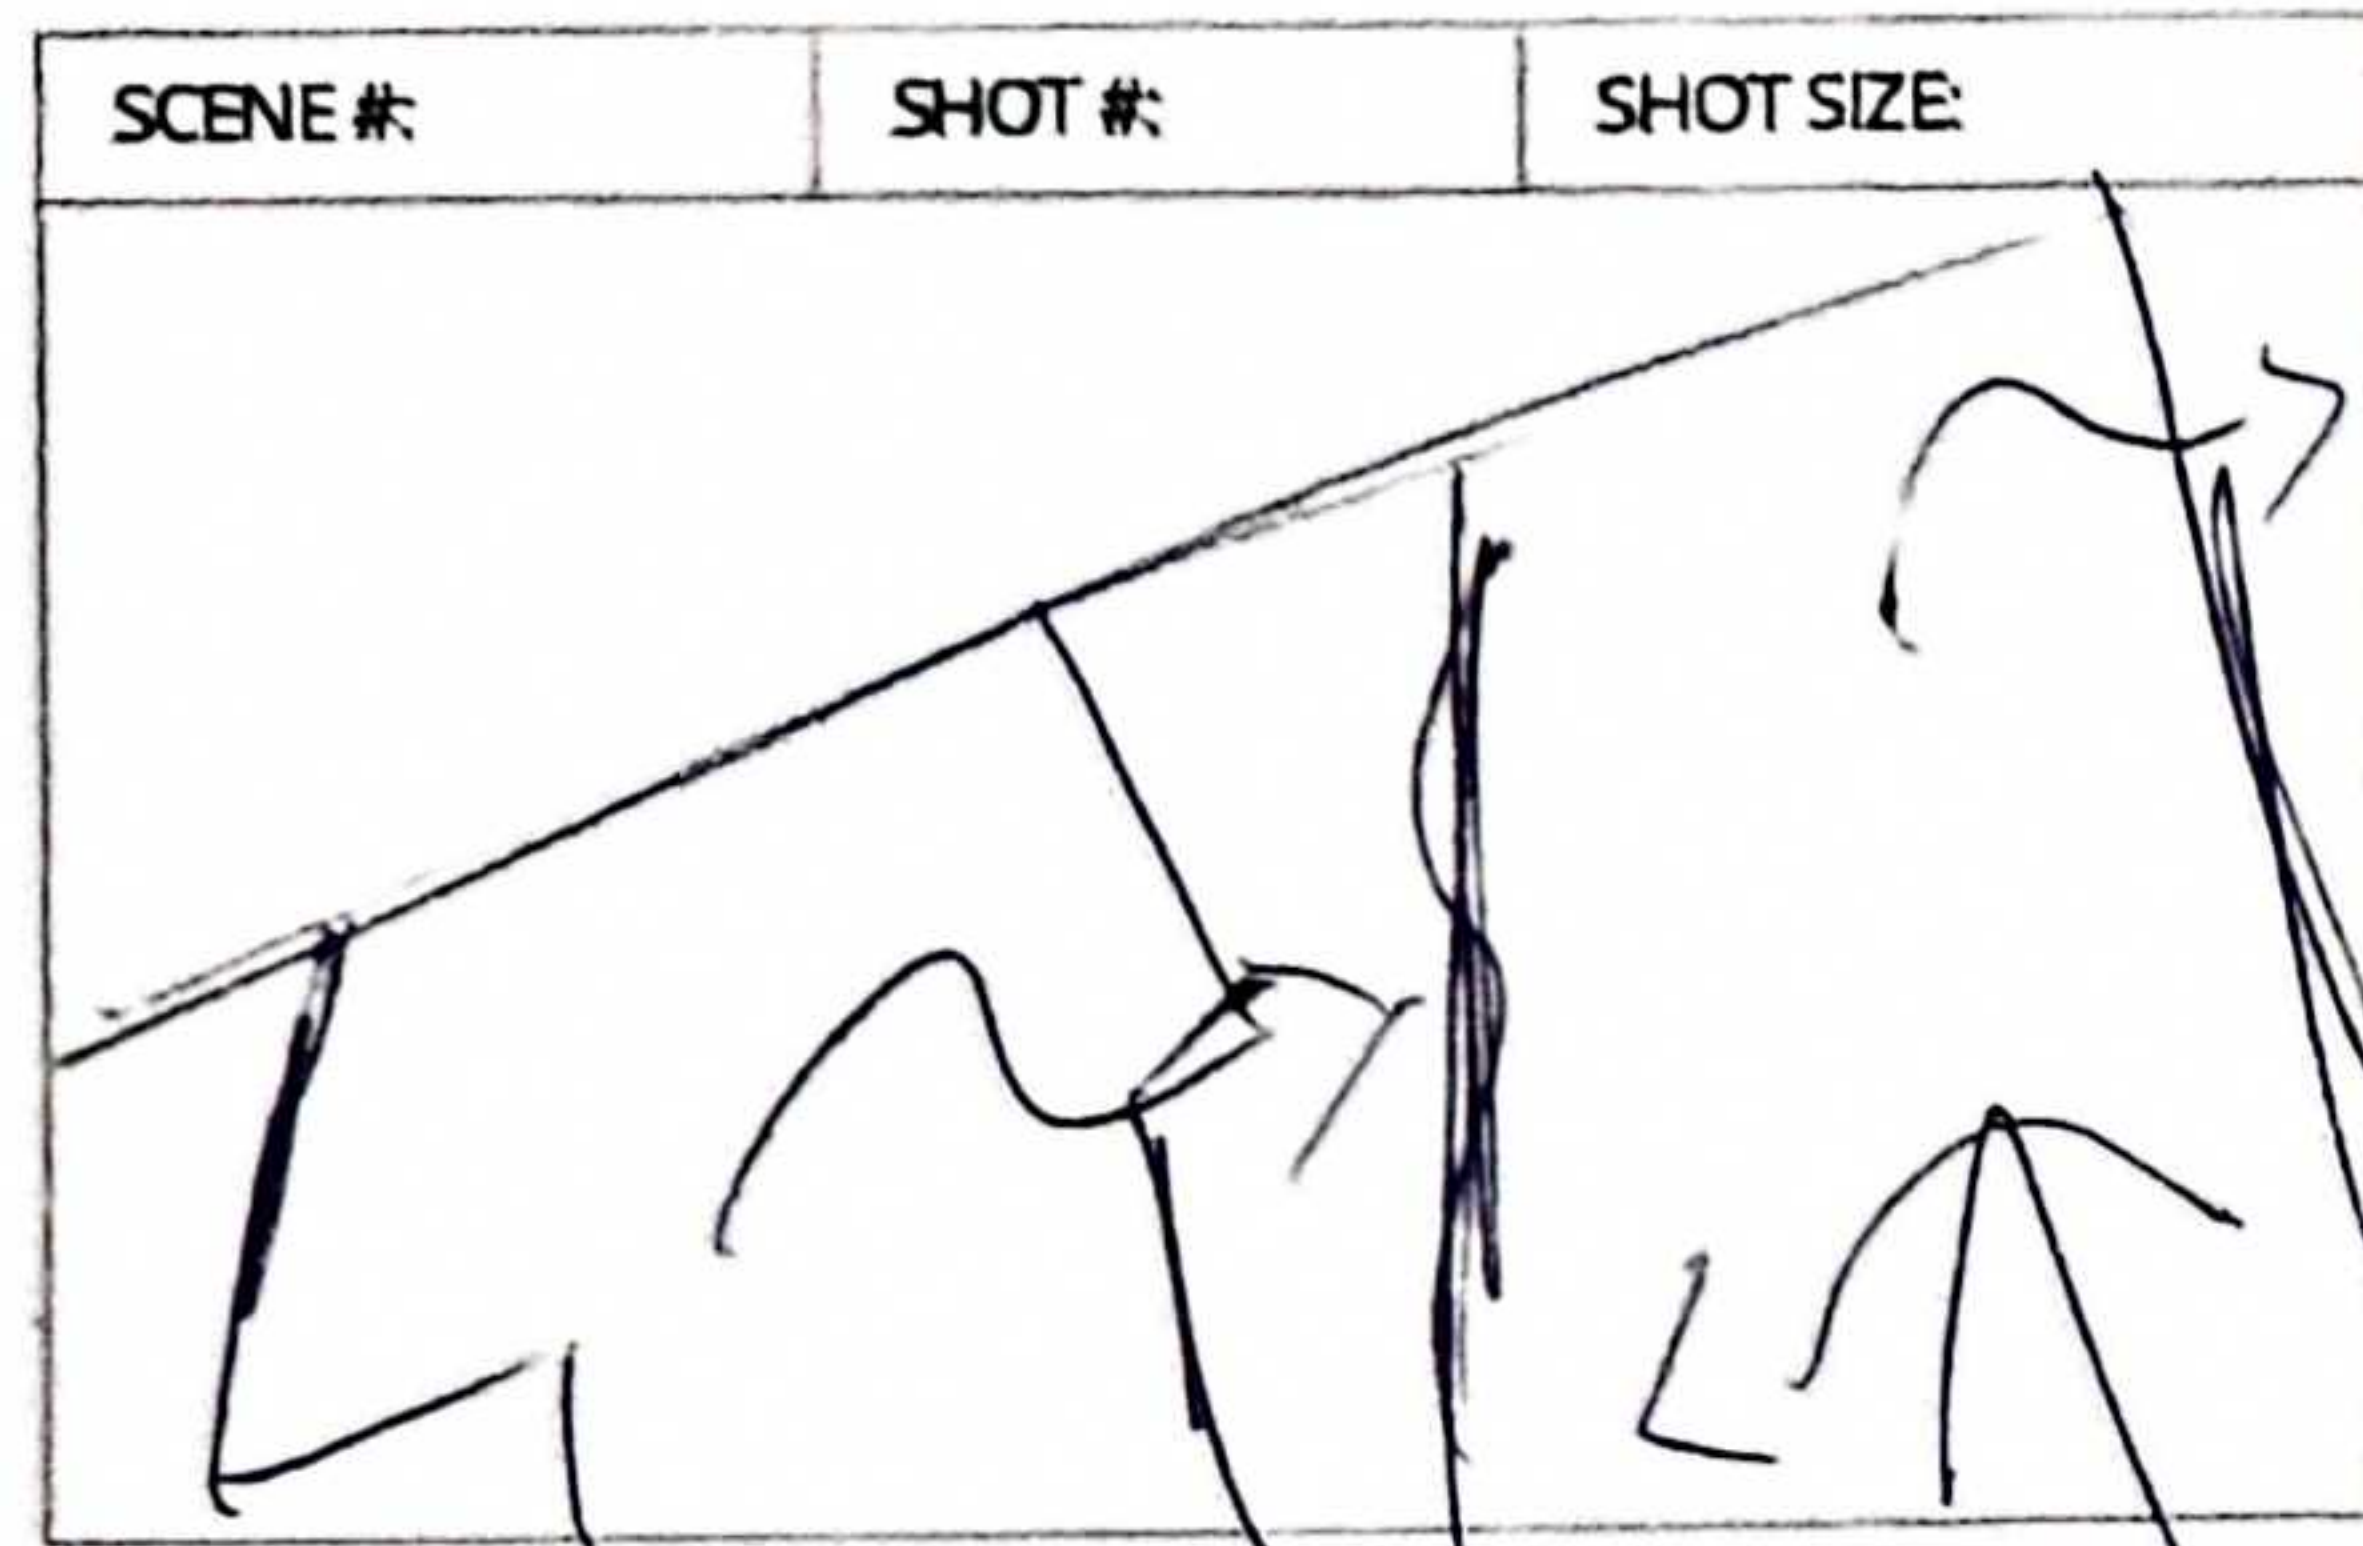

"Sometimes walking on my arm" subject rolls over

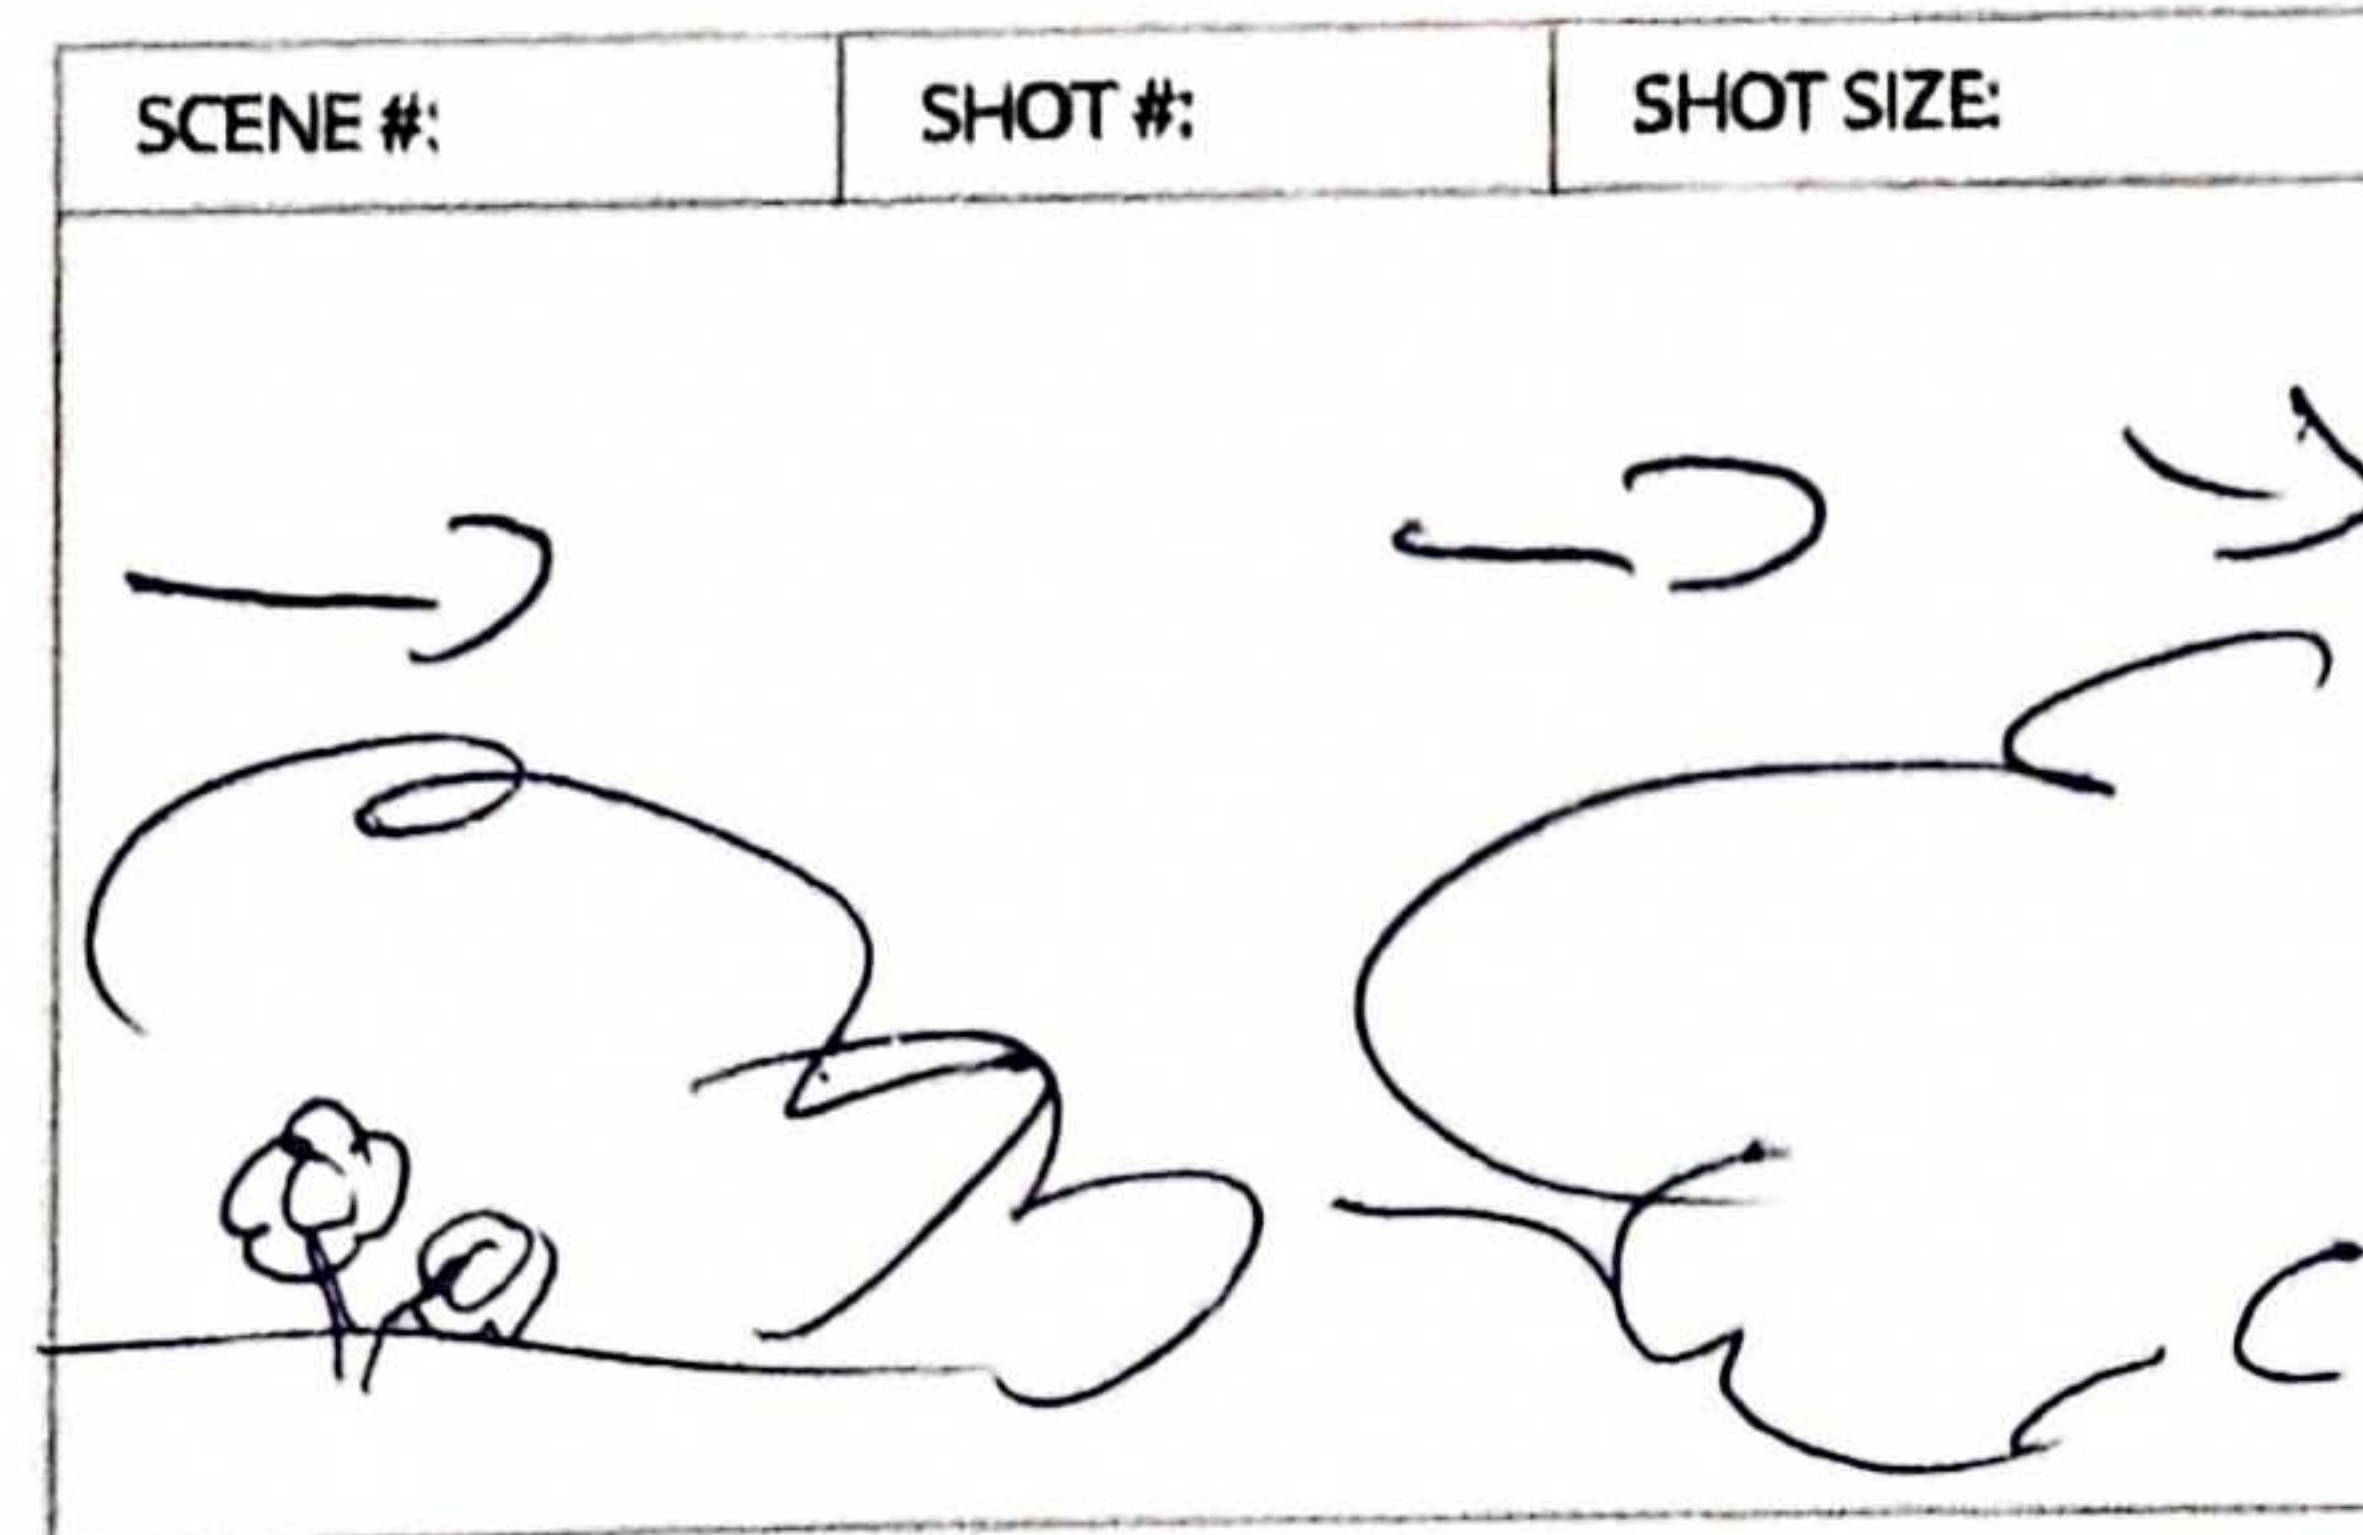

"I feel comfort with life" still shot

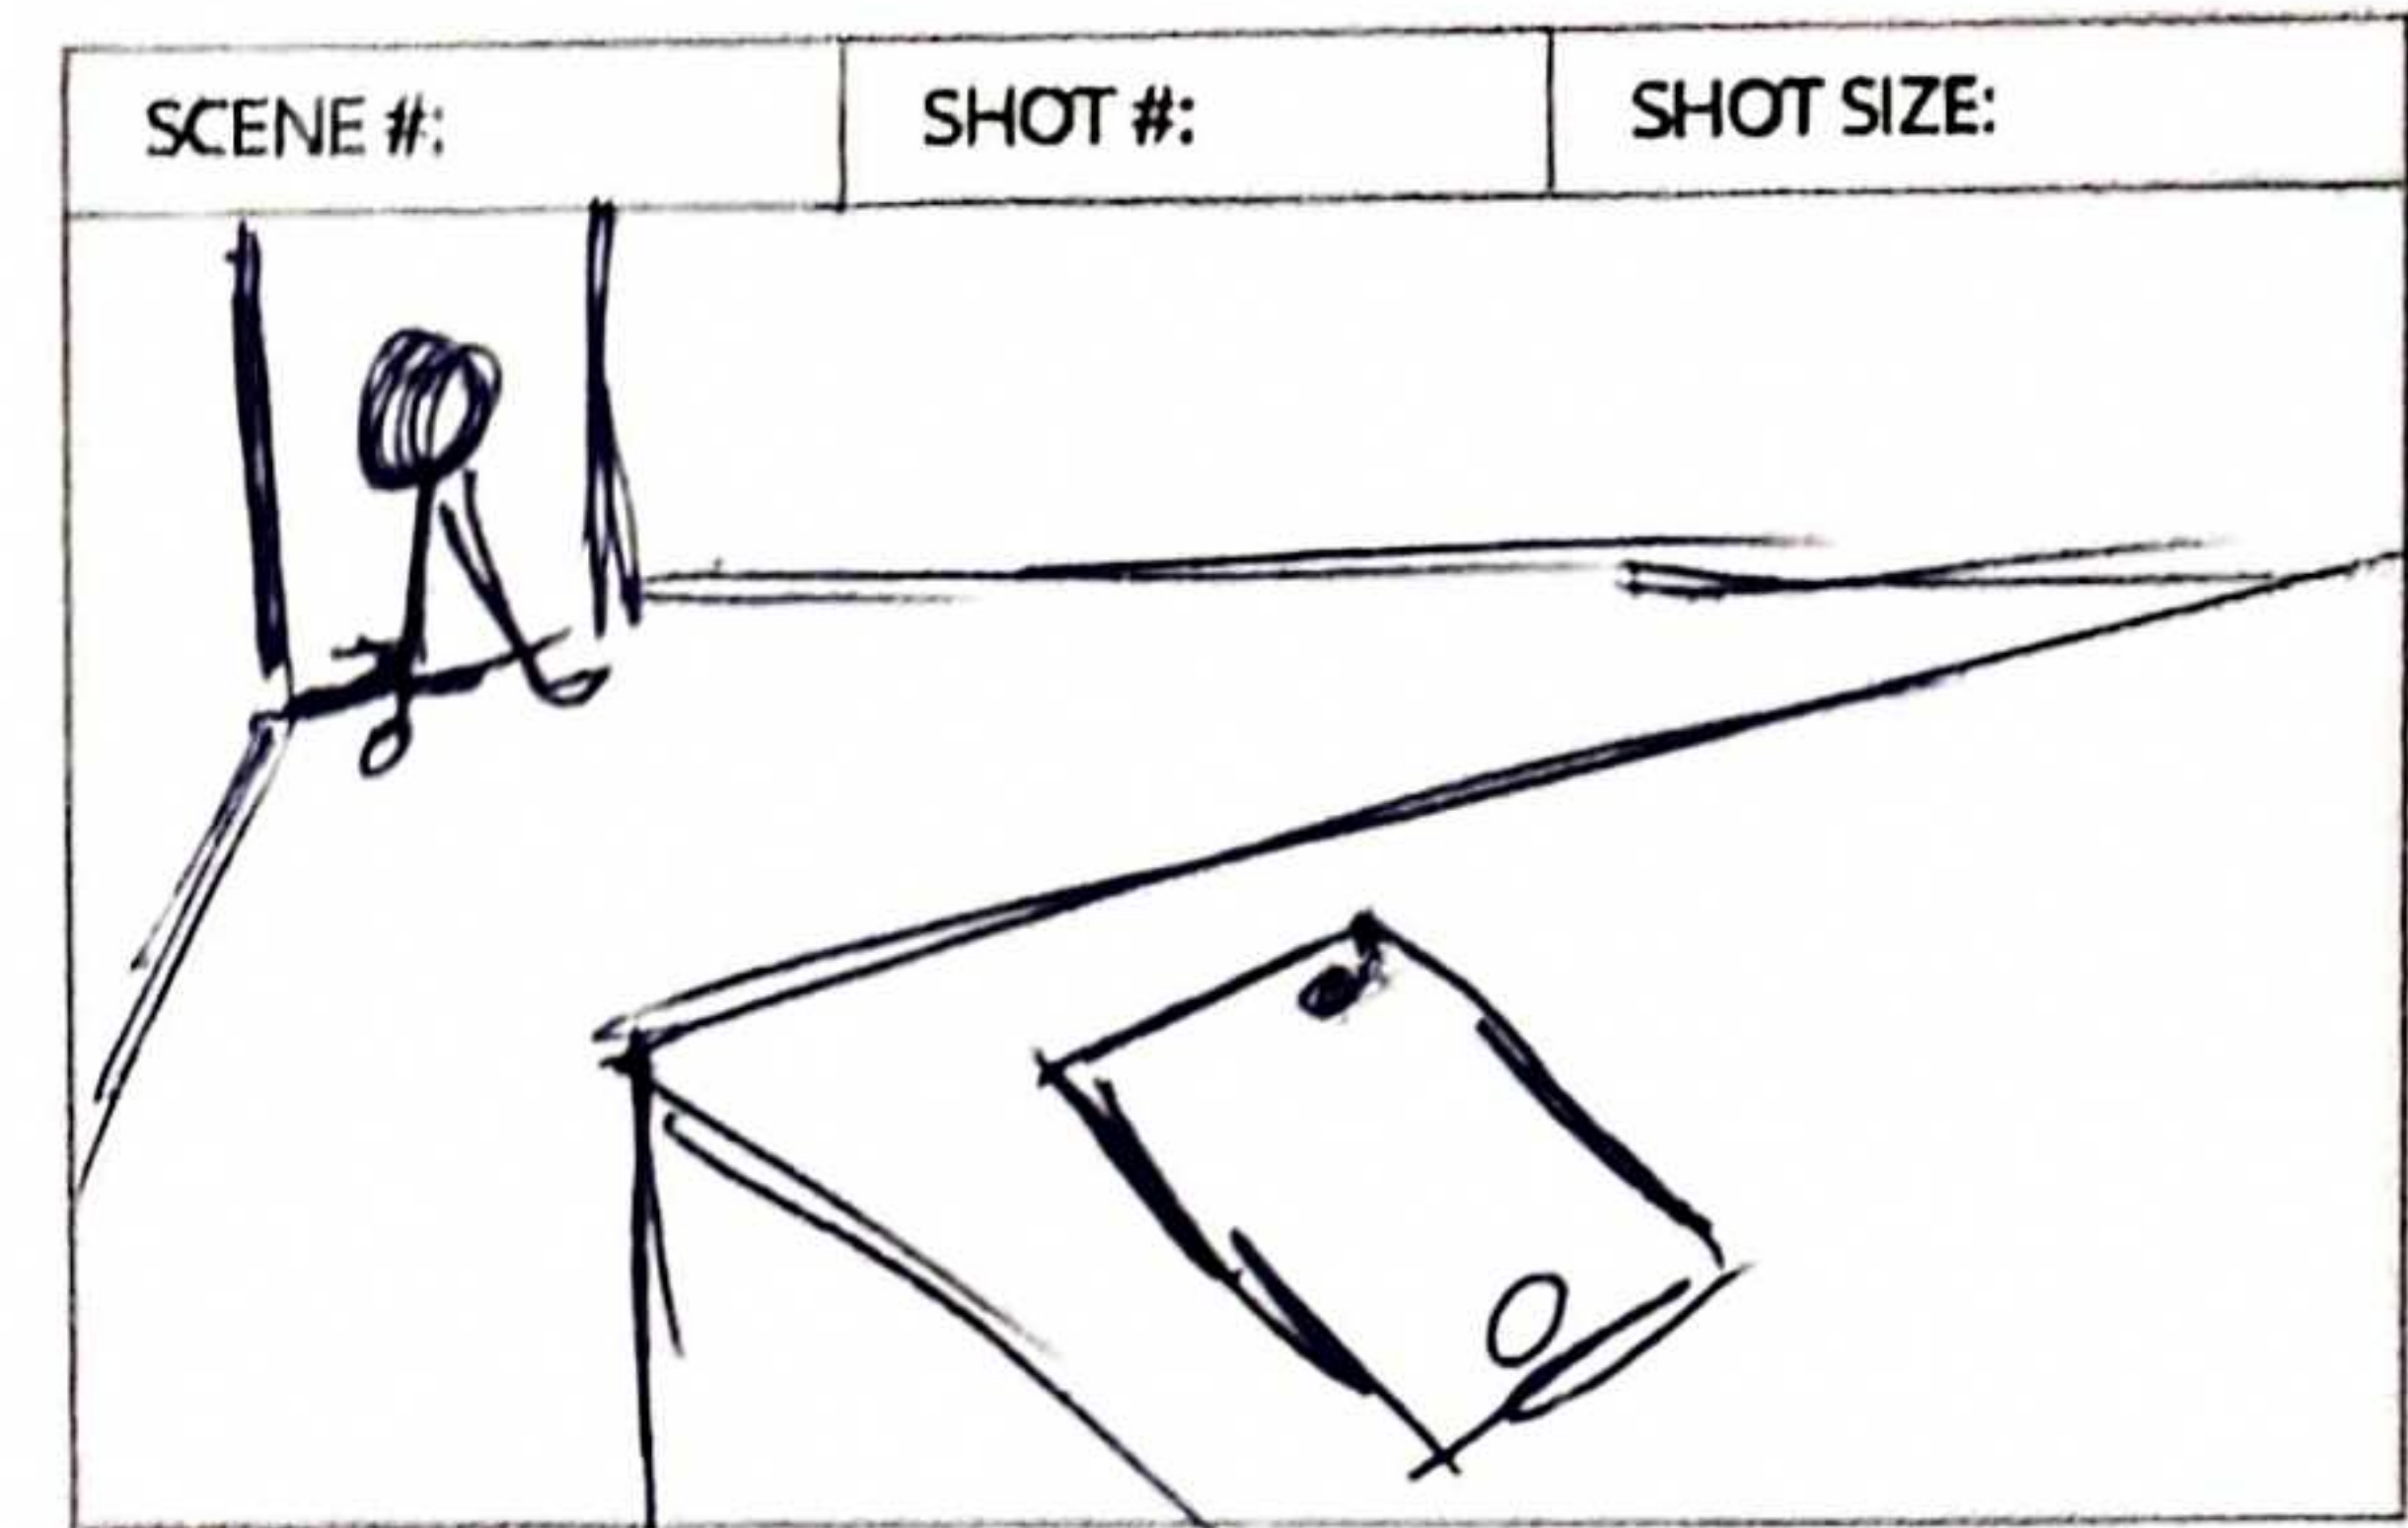

"Nature and the little things bring me peace" slowly zooming in to clothes

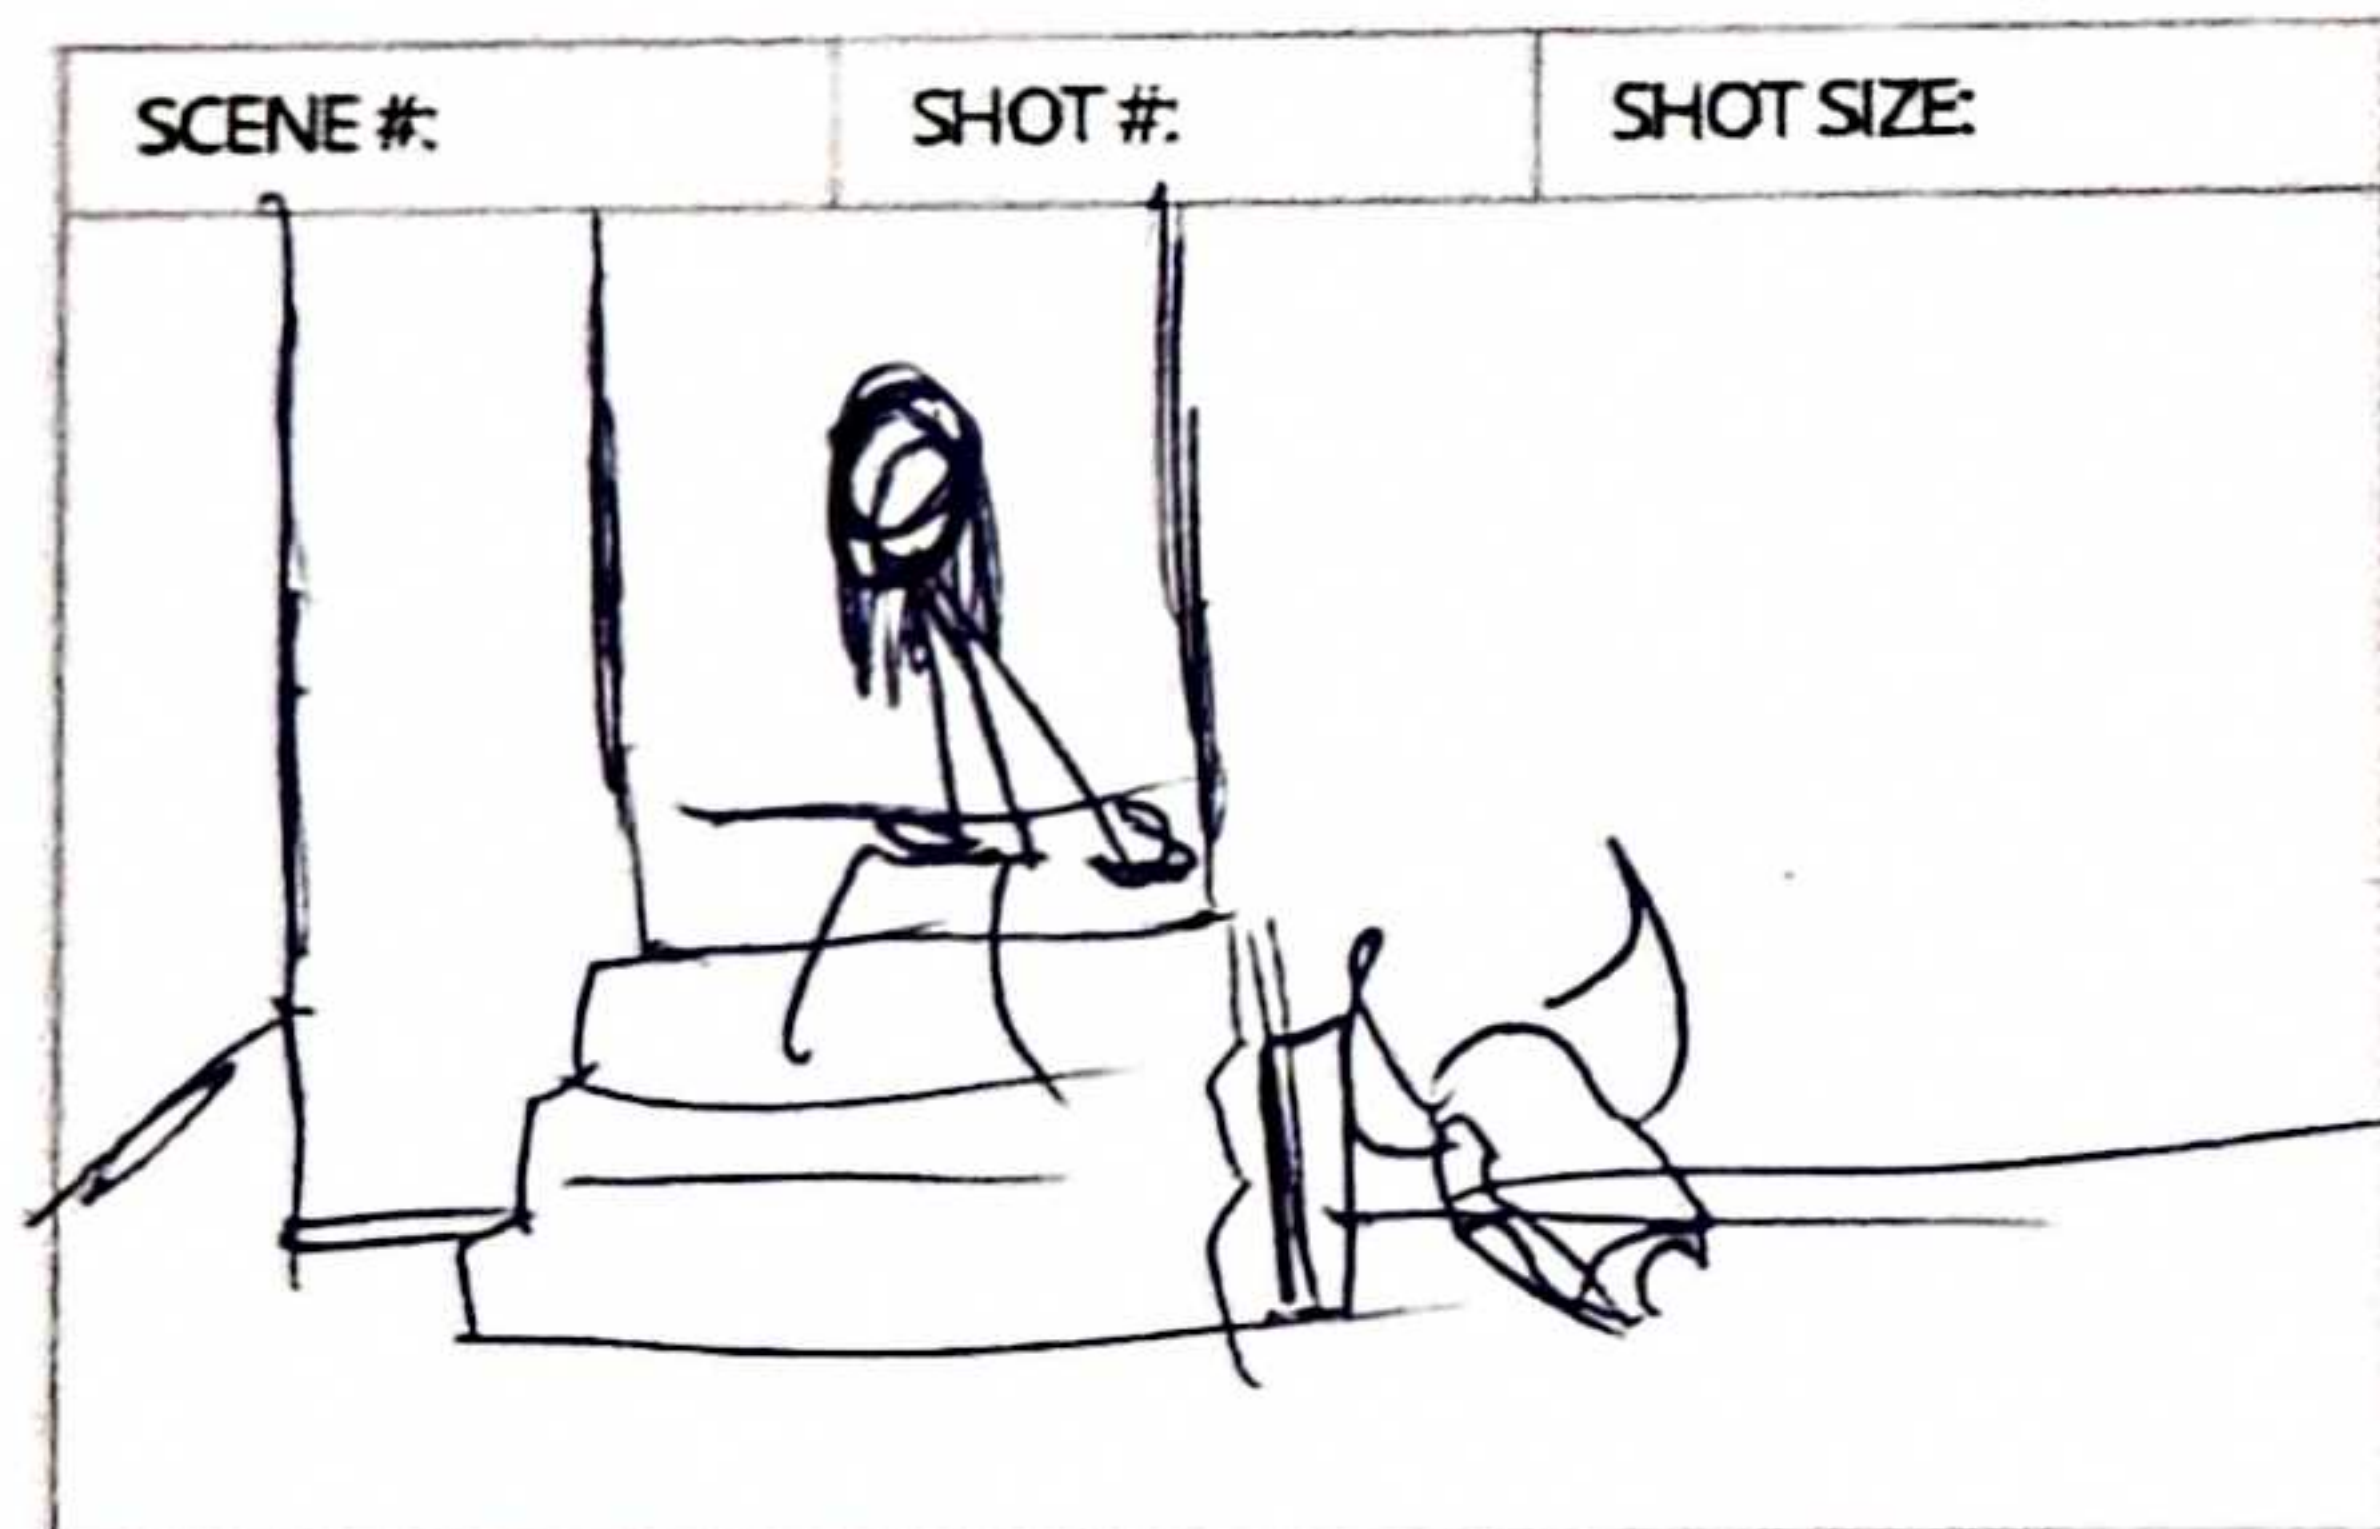

"the other day ... clothes ...
wind" clothes flow

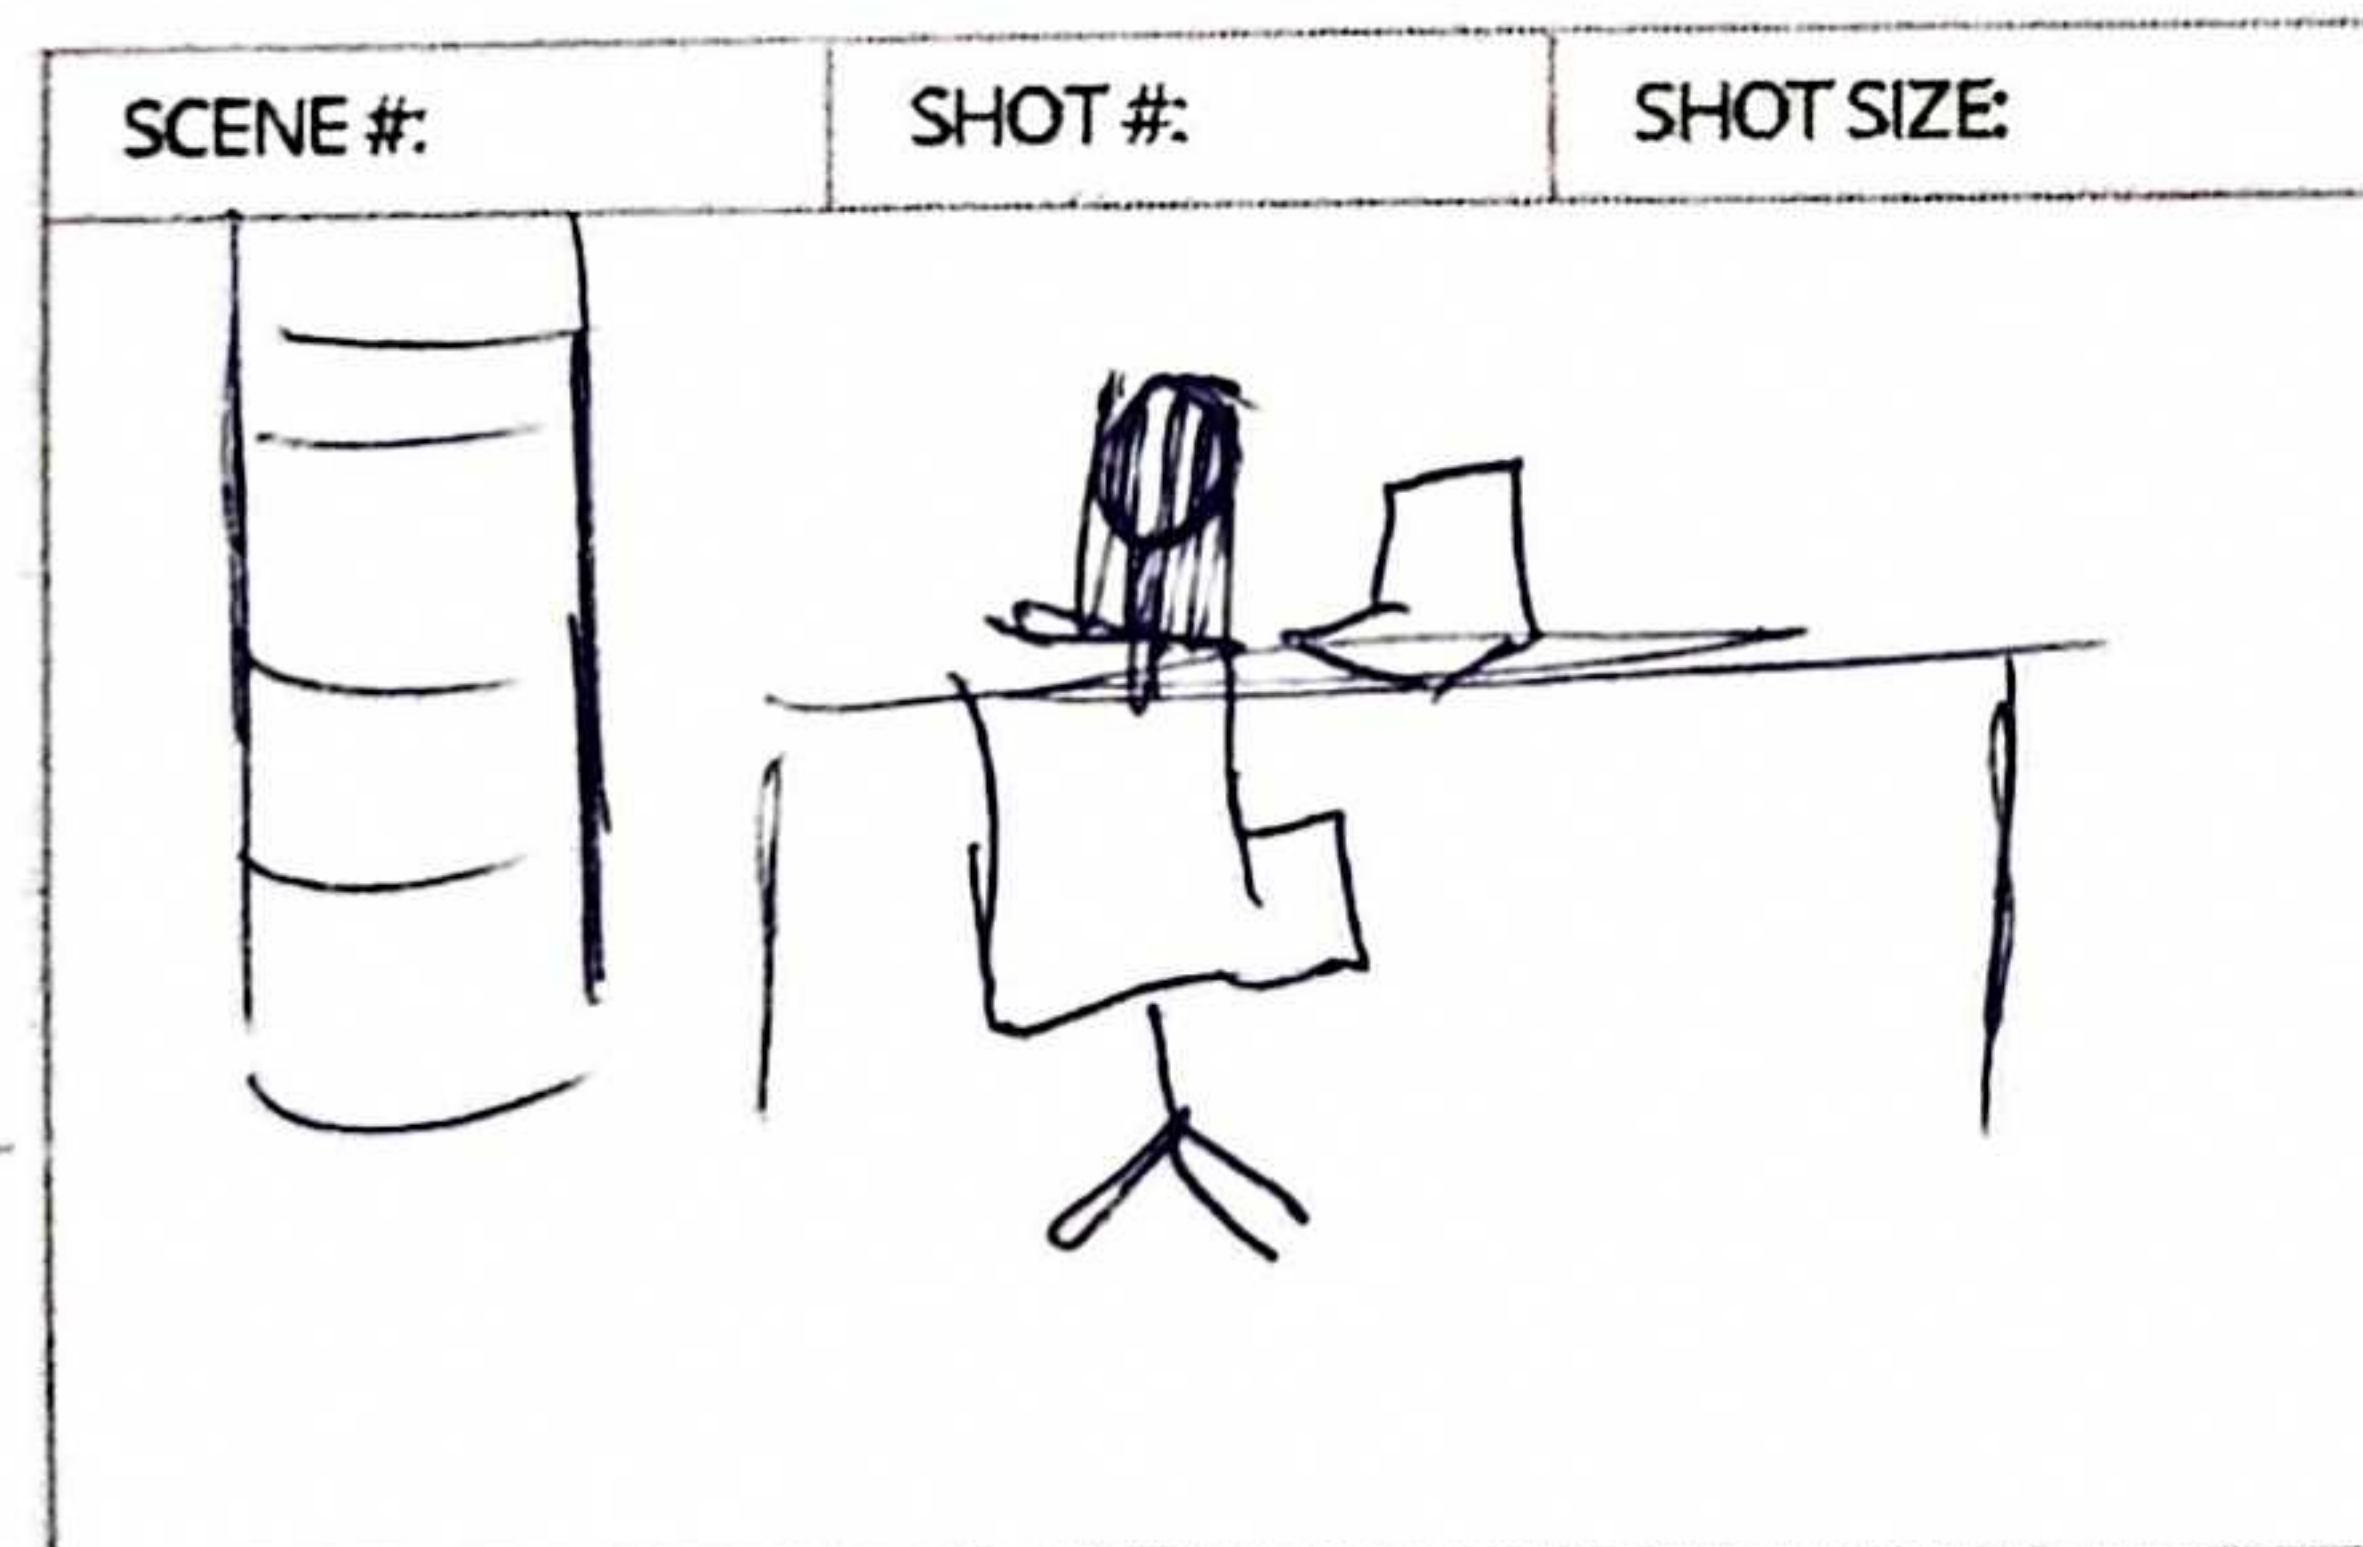

"hot day ... plants looked nice"
close up of bushes and plants
camera moves, pans right

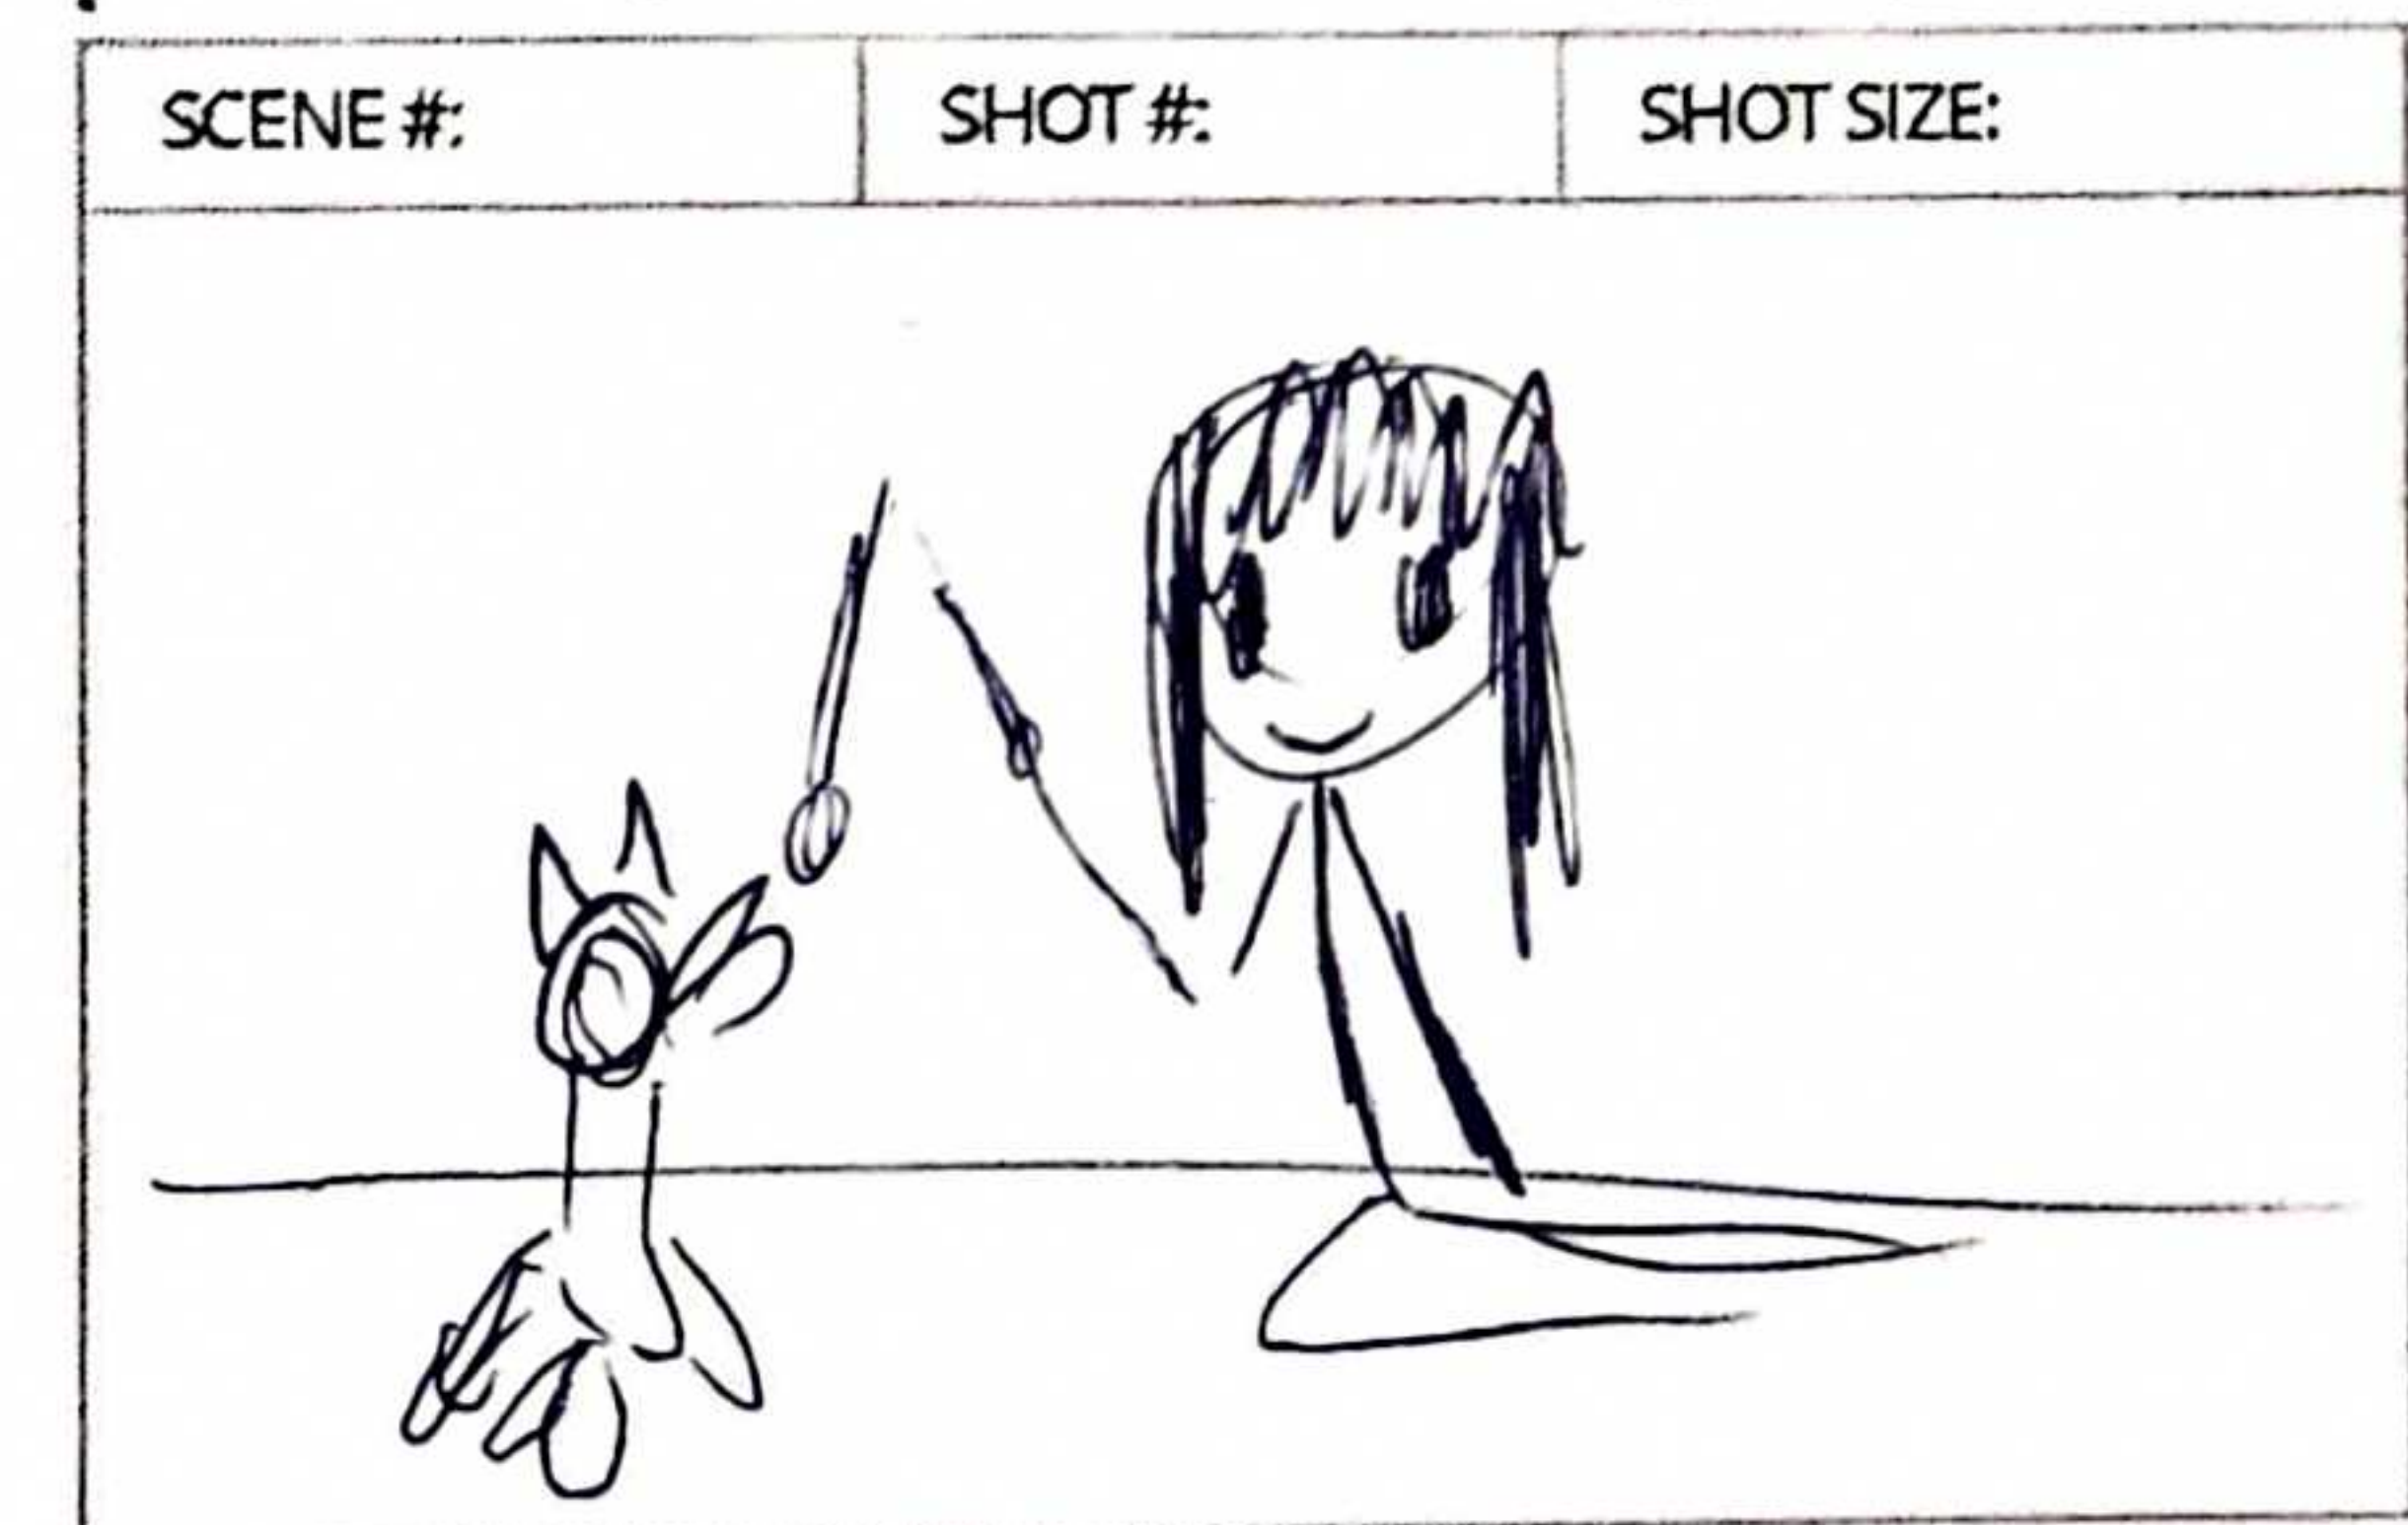

phone in desk, phone is main focus
background blurry. "I spent most
of my day off my phone"

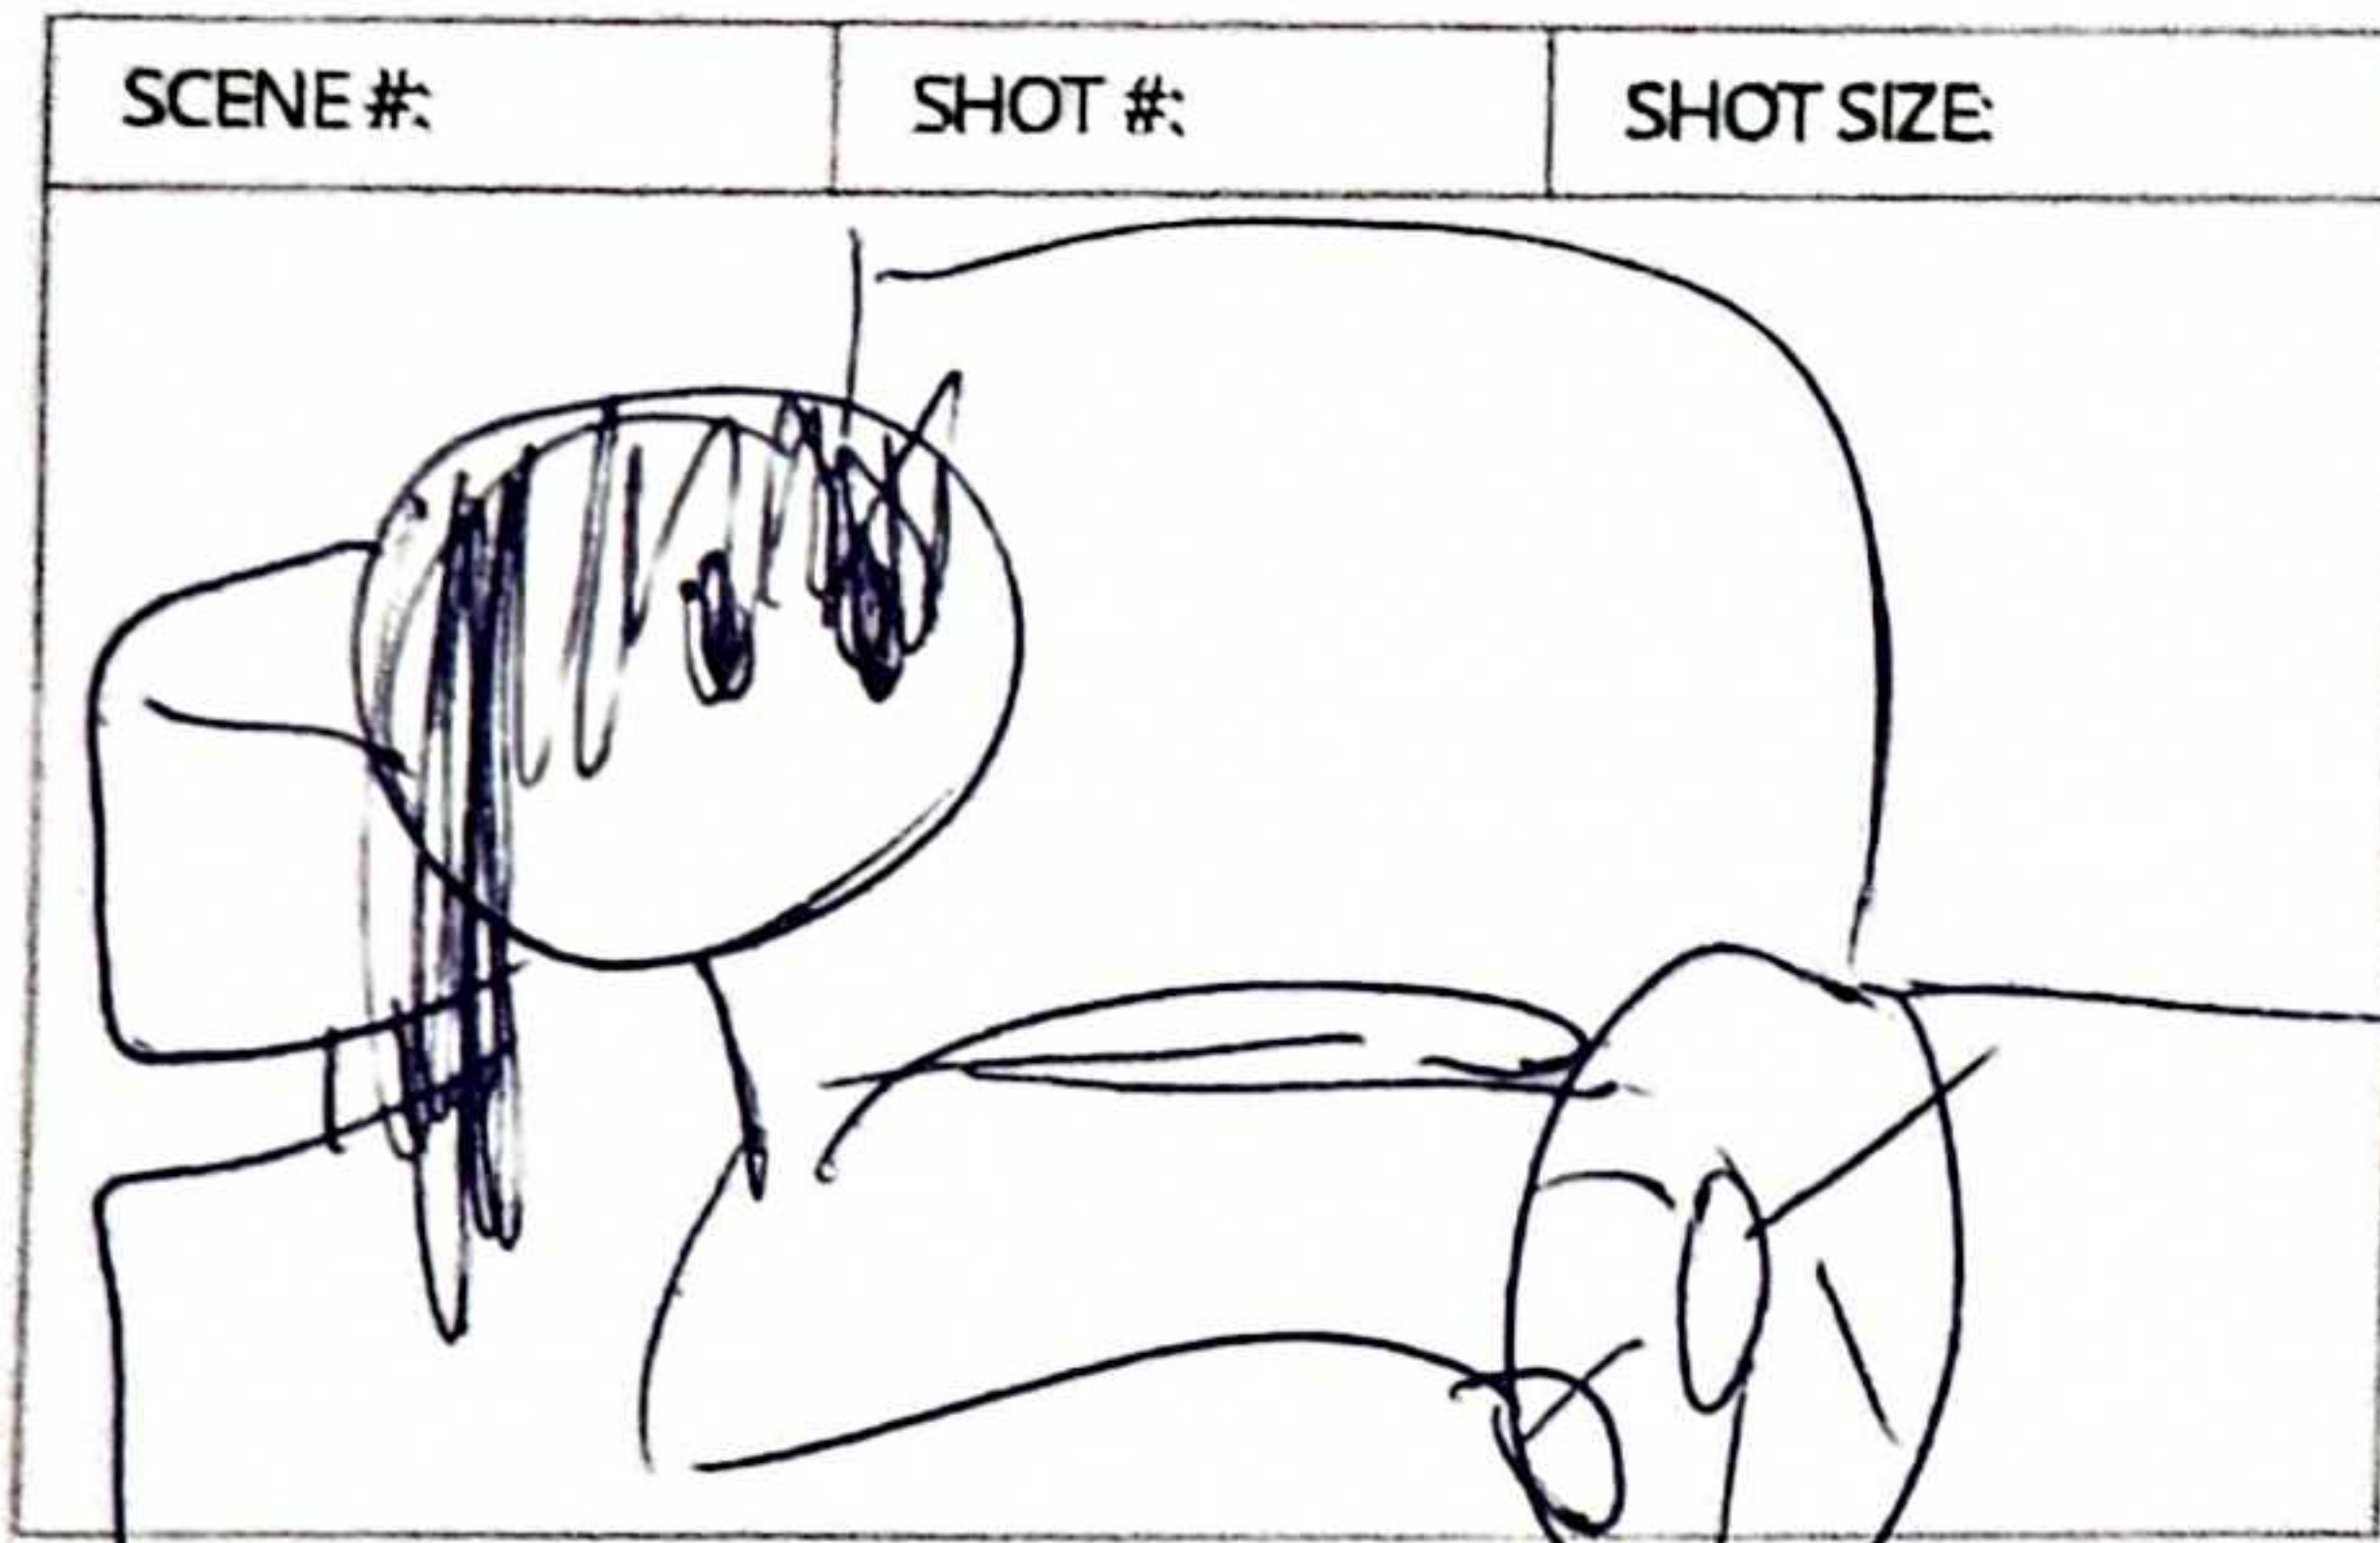

"I felt at ease, I felt things
would be alright"
shot from the outside

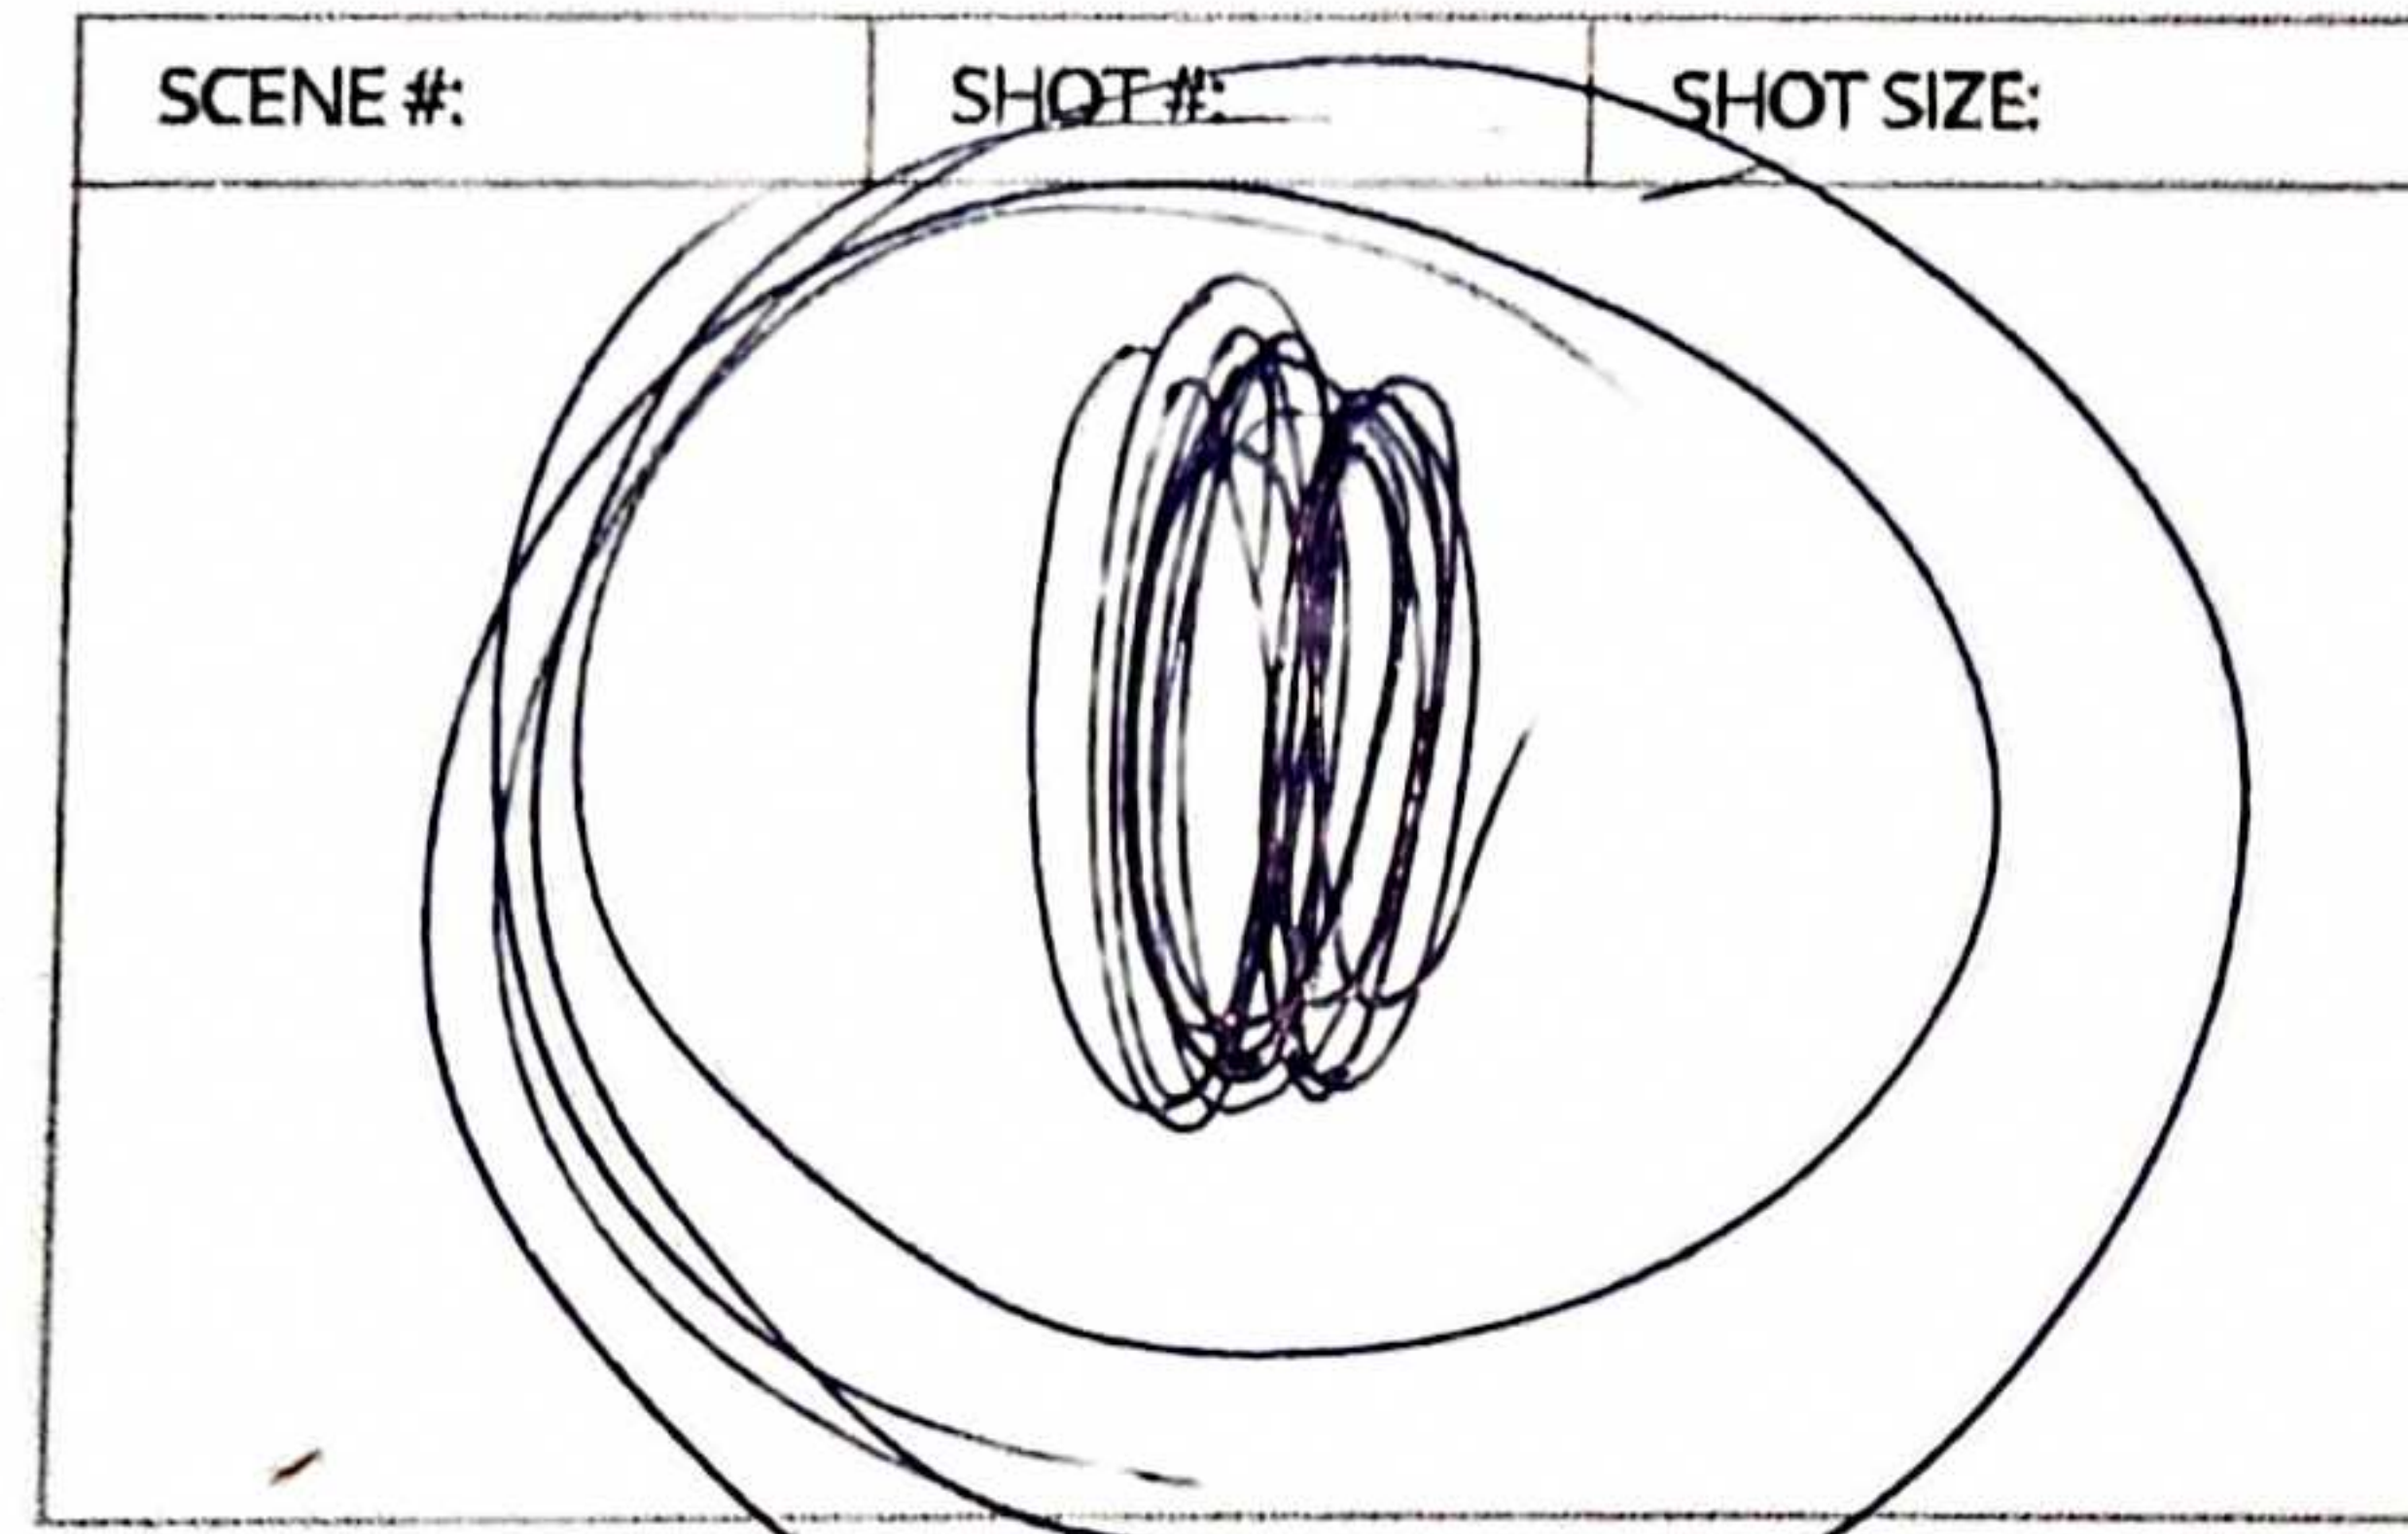

Quick shots as narration
goes by "I think for once
in my 22 years"

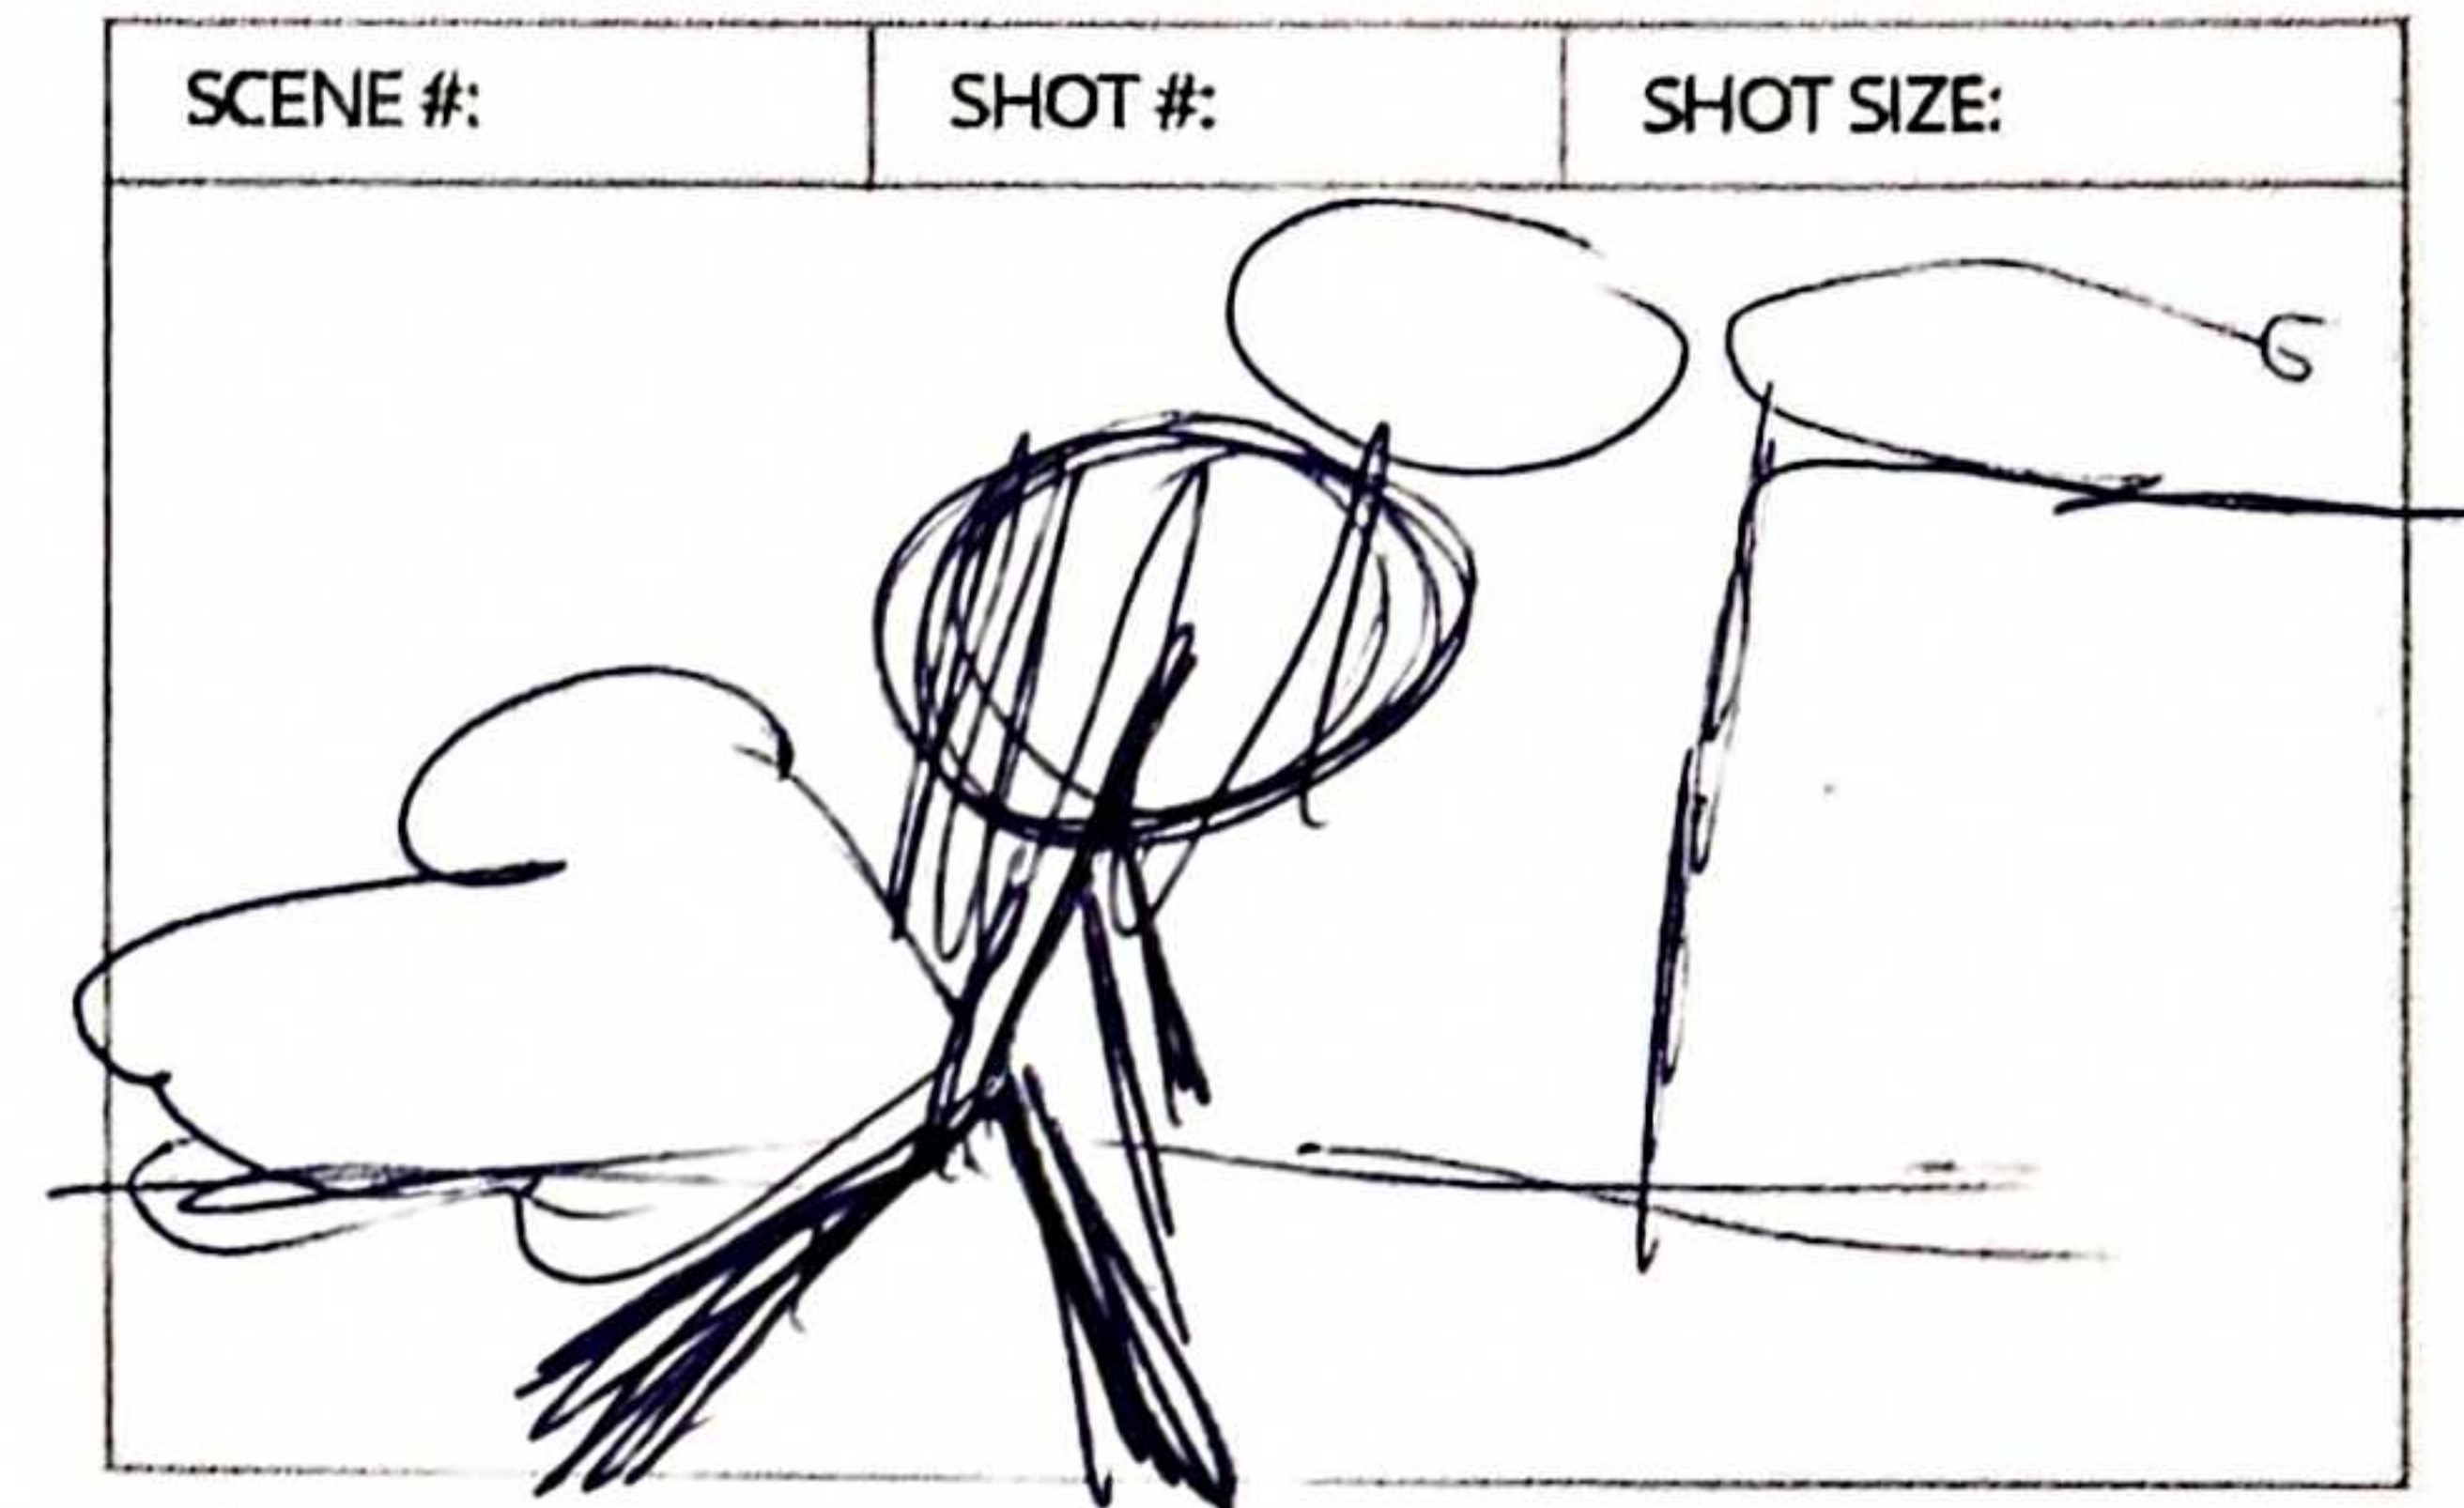

"I feel content where I'm"
playing with cat

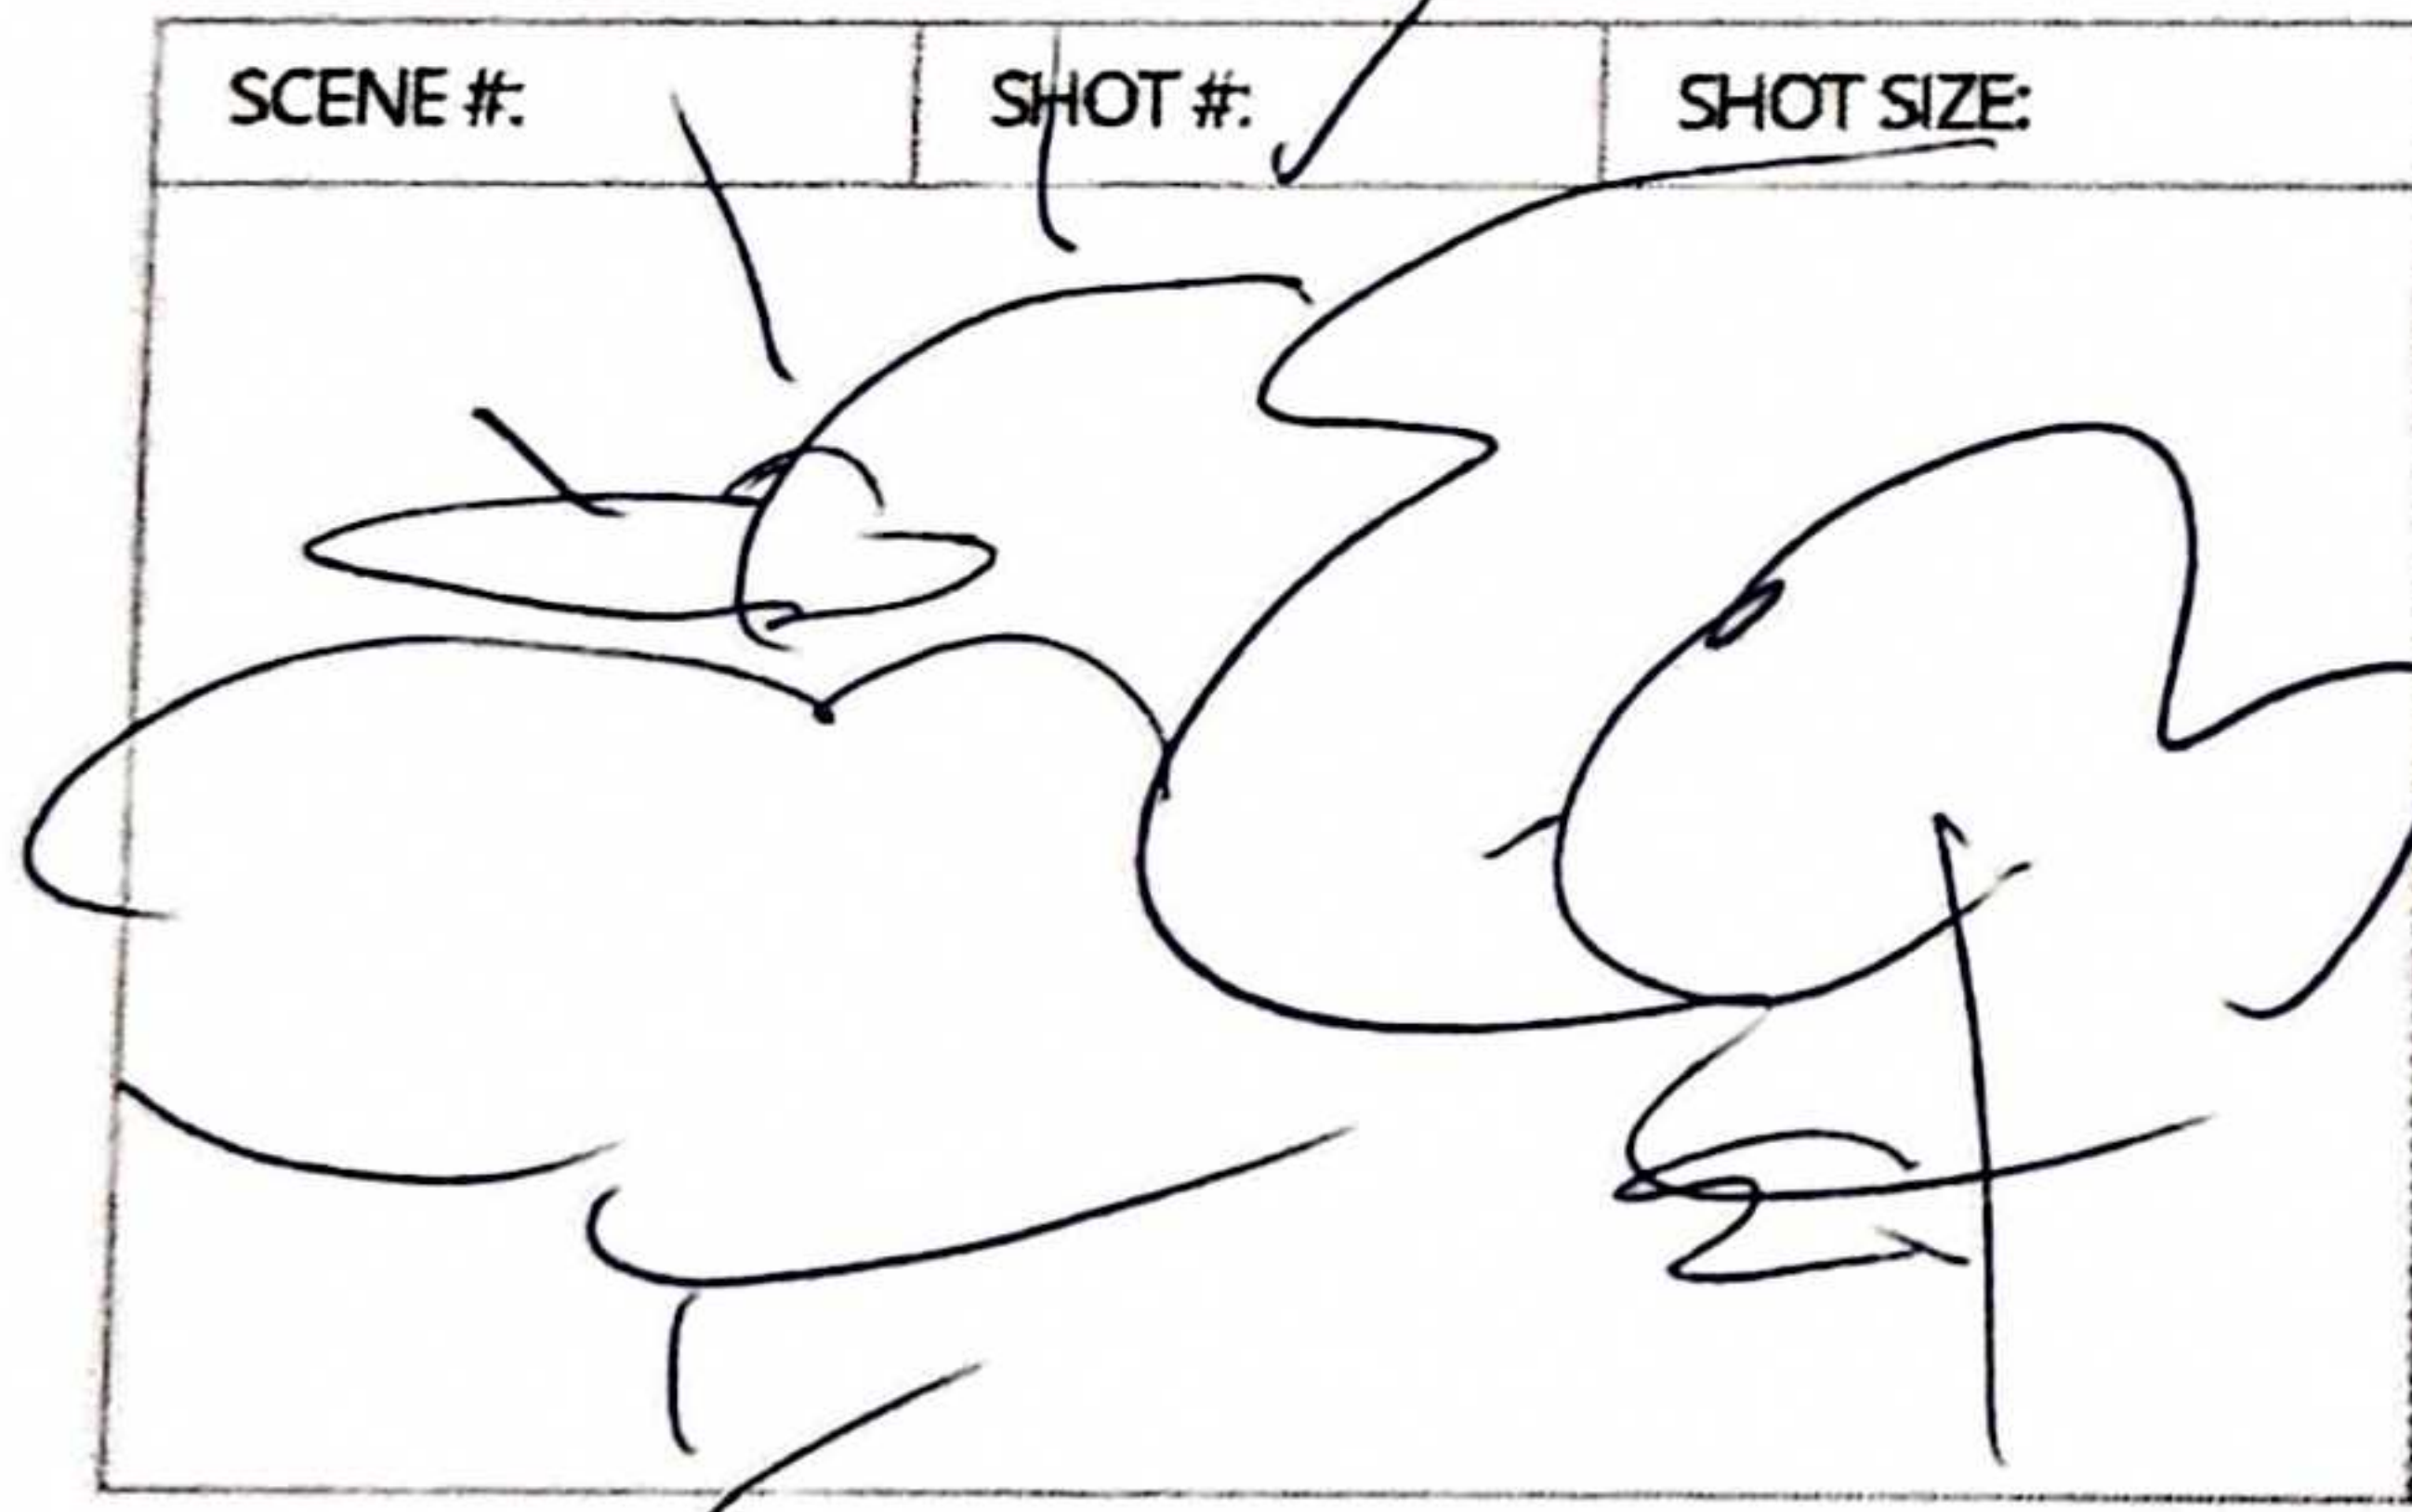

"There's no point in looking back"
driving shot

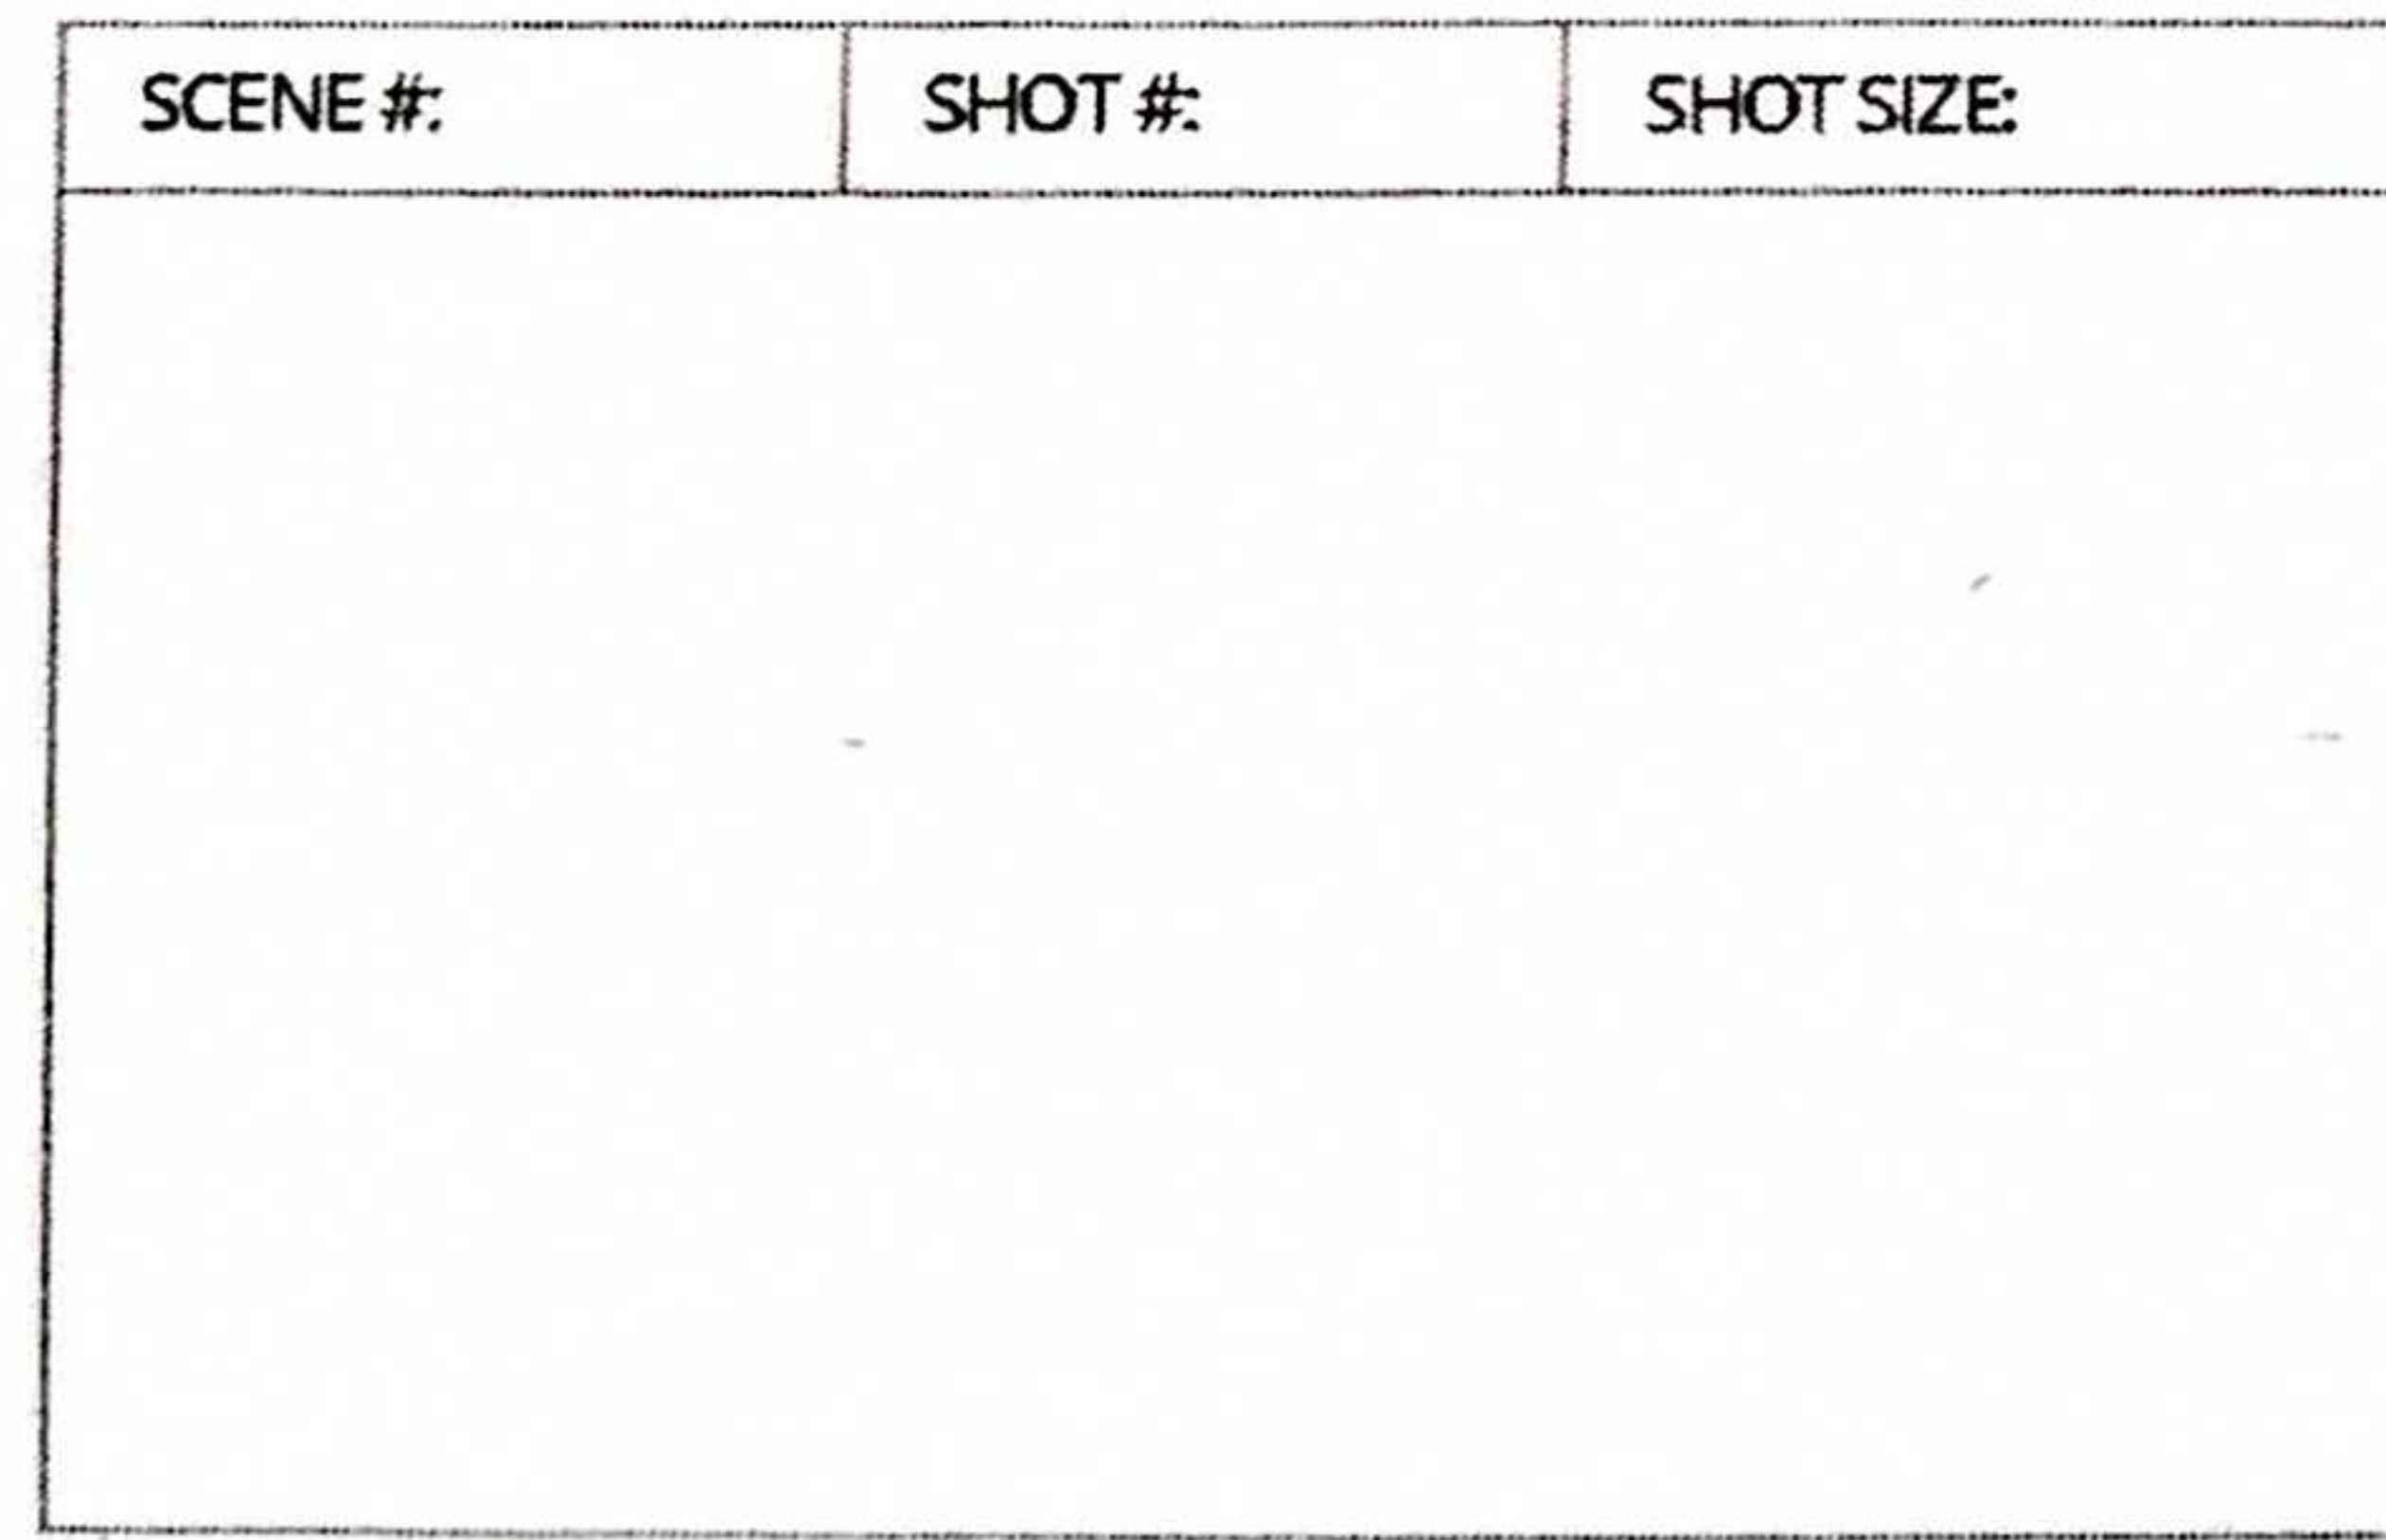

close up of eye
"There's no point in regretting"

Sunrise shot
"I am just keeping my head high"

Close up of sunrise
"not worrying much of what could've been"

black screen
"I am content."
the end
